Real Men Why Men Cheat Willie Williams Jr, **Point Man** Steve Farrar, 2003 Find practical insight on topics such as being a role model maintaining your purity and partnership with your wife in this bestselling classic by popular author Steve Farrar *No Love, No Charity* Paul Lamar Hunter, 2012-09 *No Love No Charity* the Success of the 19th child is the riveting debut book by Paul Lamar Hunter Though many would consider Paul to be an unlikely candidate to become successful this thrilling autobiographical account describes how he made it despite overwhelming odds As the 19th child of twenty one his troubled life traversed the perils of poverty neglect dysfunction and even deaths Paul describes what it was like growing up in the

shadows of a famous yet detached mother whose affections were focused on the homeless shelter that she founded Though the shelter was supposed to be a haven for the downtrodden it was actually the breeding ground for dysfunction and despondency Despite Paul s misfortunes and failures his determined spirit and his unshakeable faith lifted him above the fray to become the first in his family to graduate from college Now moving full speed ahead Paul Lamar Hunter is living proof that neither limits nor lineage determine the quality of one s life but faith fortitude and determination do *Corrected Convicted Accepted* Apostle Joseph Paul Brown,2014-07-14 Have you lost hope in life Have you tried everything possible to get on track Have you experienced the blessed favor of abundance in your life and somehow ended up losing it all Have you recovered from your greatest mistakes in life Only you that have took a look at the back of this book can answer these questions No one else can answer for you Maybe you are on the prosperous side of living and perhaps may know of an individual who may be struggling with the battle of grabbing life by the horns while trying to come back to Jesus from a backsliding state or condition This book is a living testimony of the Apostle Joseph Paul Brown who brings to the front the many obstacles and challenges hes had to face during an early age Alongside the testimony renders many scriptures shared to empower others who have suffered loss made mistakes and turned from Christ The Job experience is not the only character ever to exist that has suffered hardship and adversity But many others have experienced all sorts of pain and suffering around the world The interesting part about pain and suffering is that no one can minimize the level of pain a person feels by measuring the capacity of the problem than judging rather the individual should have been strong enough to handle it or not But it is our job as children of God and those who are strong to bear the infirmities of the weak We are to do what we can in a wise manner to win as many souls for Christ as possible and to be a light to those in darkness even if that means sharing your life testimony and how you have overcome Be blessed by the reading of this book and let others who are in trying times in their lives know about this book that many may be strengthen and empowered to move on with their lives and go forward in Christ our Lord
