Real Power Business Lessons From The Tao Te Ching:

Real Power James Autry, 1999-03-01 The Tao Te Ching is the world's oldest leadership manual written according to legend by the sage Lao tzu in the sixth century B C E In this book premier business consultant James A Autry and bestselling author and translator Stephen Mitchell present a modern day guide to business leadership drawing on the age old lessons of the Tao Te Ching With simple evocative essays commenting on a selection from the Tao Te Ching they show how its elegant wisdom can transform the workplace from a source of stress into a source of creativity and joy and make work at any level of the corporate ladder more fulfilling than ever before Real Power James A. Autry, Stephen Mitchell, 1998-03-01 Offers practical lessons from one of the world's most profound works of wisdom and shows how to transform the workplace into a source of satisfaction and fulfillment The text called the Tao Te Ching written by the Chinese sage Lao Tzu in the 6th cent B C E is the world's oldest leadership manual written to help everyone who is in a position of power to turn that position into an opportunity for creating both inner and outer harmony and to guide their communities to peaceful productivity and happiness Shows how to create an environment in which everyone s power can be expressed in order to produce the best results for everyone Each essay carries an essential lesson **Real Power** James A. Autry, 1999 Responsible and Sustainable Business Liangrong Zu,2022-02-16 This book claims that CSR is the Tao of sustainable enterprise development It examines the intersection of practical wisdom of Taoism CSR and Sustainability looking at the theoretical and historical implications associated with a Taoist approach to CSR sustainability and responsible leadership Implications for sustainable enterprise development will be presented The book analyzes perspectives found in Taoist classical texts and within the larger Chinese cultural context in order to delineate key issues found in the classical texts Through these analyses the book assesses the applicability of modern day Taoism thought and practice in China and the West with respect to the contemporary sustainability situation The book also explores the values ideas and practices Taoism offers to inspire a new generation of leaders and particularly business leaders to manage companies in a more social and sustainable way Management and Taoism, Volume 1 Liangrong Zu,2023-12-14 As the world grapples with the complexities and uncertainties of the VUCA volatile uncertain complex and ambiguous era it has become imperative to explore new approaches that align with responsible management and Taoist principles The Art of Compassionate Business Bruno R. Cignacco, 2019-02-25 There are several well ingrained assumptions regarding the dynamics of work and business activities which can be refuted Some examples of these widespread assumptions in the business and work environments are employees being viewed as commodities competitors perceived as threats companies resources seen as limited and customers perceived as scarce and difficult etc All which leads to the question Is there a way to perform business activities more humanely This book challenges the reader to change the way they perform in business situations and become more focused on the human aspects of business activities The users of this knowledge and those affected by them will undergo a profound transformation

in the way they perform business activities They will benefit from gradually testing and implementing the guidelines conveyed in this book both in the business environment and the workplace When readers put these principles into practice positive ripple effects are bound to affect other stakeholders of the organization they work for or own This book includes aspects related to mission and vision passion business mindset organizational learning improvement of business conversations use of constructive criticism and improvement of relationships with the most relevant stakeholders customers suppliers intermediaries community and employees etc The book also includes a discussion of creativity and the innovation process as well as other factors that create a healthy business environment Extensive appendices include topics such as negotiation marketing use of social media and others Responsible Management and Taoism, Volume 2 Liangrong Zu,2023-12-14 As the world grapples with the complexities and uncertainties of the VUCA volatile uncertain complex and ambiguous era it has become imperative to explore new approaches that align with responsible management and Taoist principles This second volume builds on the first Reviewing Leadership (Engaging Culture) Robert J. Banks, Bernice M. Ledbetter, David C. Greenhalgh, 2016-06-21 Evaluating Current Approaches to Leadership This book offers a comprehensive evaluation of current approaches to leadership from a discerning Christian perspective Combining expertise in leadership theology and ministry the authors take a historical look at leadership and how it is viewed and used in today s context The book is informed by both biblical and leadership studies scholarship and interacts with a number of popular marketplace writings on leadership It also evaluates exemplary role models of Christian leadership The second edition has been updated and revised throughout Transforming Public Leadership for the 21st Century Ricardo S. Morse, Terry F. Buss, C. Morgan Kinghorn, 2014-12-18 The forces of globalization are shifting our world including the public sector away from hierarchy and command and control toward one of collaboration and networks The way public leadership is thought about and practiced must be and is being transformed This volume in the Transformational Trends in Governance Democracy series explores what the shift looks like and also offers guidance on what it should look like Specifically the book focuses on the role of career leaders those in public service who are agents of change not only in their own organizations but also in their communities and policy domains These leaders work in network settings making connections and collaborating to create public value and advance the common good Featuring the insights of an authoritative group of contributors the volume offers a mix of scholarship from philosophical discussions to conceptual models to empirical studies that taken together will help inform the transformation of public leadership that is already underway The Interior Design Business Handbook Mary V.
