

# Realism: Values/Beliefs

- Contrasts w/Romanticism & Transcendentalism
- Describes life w/out Romantic subjectivity & idealism
- Romantics *transcend* the immediate to find the ideal; Realists focus on the immediate, the here & now and its consequences
- Present life as it *is*, not as it *might* be
- Like Romantics, focus on common person & daily human experience & progressive, but stimulated change through telling a story that reveals truth & portrays ugliness & cruelty, not preaching (left readers to draw their own conclusions)
- Multiple views of life: all classes, races, genders
  - Particularly lower/middle classes
  - Highlight class stratification/inequity
  - Reveal the ugliness & cruelty of life, but leave conclusions to the reader
