The recipes are simple, easy to shop for and quick to make, with shortcuts and prepare-ahead tips. But there's much more to the book than this: there are also Lifesaver mini recipes that give you staples for your freezer and store cupboard, and Leftovers mini recipes too to show you how to be clever and get more value out of time spent in the kitchen. There are three chapters: Monday to Friday Survival, Busy Weekends and Cling onto your Social Life. These chapters feature recipes for every meal and eventuality, including weekday kids' tea-time recipes that will go down a storm, dinners that will wow your friends, and Sunday lunches to make the most of those precious moments of relaxation with your family.
