Processing Dept, 1957-09      **Management Accounting in the Digital Economy** Alnoor Bhimani, 2003-11-13 The deployment of digital technologies by companies affects their functioning in economic terms and also causes social institutional and organizational effects This book examines the way in which management accounting systems structures thinking and practices are being altered as a result      Theosophical Outlook, 1921      **Beyond the Prison Gates** Warren Rosenblum, 2012-09-01 Germany today has one of the lowest incarceration rates in the industrialized world and social welfare principles play an essential role at all levels of the German criminal justice system Warren Rosenblum examines the roots of this social approach to criminal policy in the reform movements of the Wilhelmine and Weimar periods when reformers strove to replace state institutions of control and incarceration with private institutions of protective supervision Reformers believed that private charities and volunteers could diagnose and treat social pathologies in a way that coercive state institutions could not The expansion of welfare for criminals set the stage for a more economical system of punishment Rosenblum argues but it also opened the door to new more expansive controls over individuals marked as asocial With the reformers success the issue of who had power over welfare became increasingly controversial and dangerous Other historians have suggested that the triumph of eugenics in the 1890s was predicated upon the abandonment of liberal and Christian assumptions about human malleability Rosenblum demonstrates however that the turn to criminal biology was not a reaction against social reform but rather an

effort to rescue its legitimacy     *The Month* ,1877     Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries,1979     **The Complete Works** Macaulay,1866
