The Deshima Diaries 1641-1660 ,2023-10-09 The present volume of *The Deshima Diaries* consists of the journals that were kept by the chiefs of the Dutch trading post in Japan during the first two decades of the so called seclusion period 1640

1868 The employees of the Dutch East India Company from 1640 the only Europeans in Japan had to give up their relatively free life in the port of Hirado and were forced to move to the tiny island of Deshima in the Bay of Nagasaki Continually surrounded by Japanese guards spies cooks concubines and interpreters they were eager to continue their trading activities with their Japanese hosts Every year with a few exceptions the chief of the factory and two or three staff members travelled to Edo to pay obeisance to the Shogun The diaries in this volume describe in detail how the Dutch merchants grappled with the severe restrictions that were imposed on them but their writings also shed surprising light on social and economic life in Nagasaki and beyond

Nicene and Post-Nicene Fathers Philip Schaff, Arthur Cleveland Coxe, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume VIII of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Saint Augustines extensive treatment of the Psalms Augustine took this book from the Old Testament and wove into it the revelation of Jesus as the savior of humanity Through the skill of Augustine it seems as though the Psalms had been written by an oracle who knew that eventually the messiah would come and wrote to pave the way This volume is a valuable reference book for any Christian wishing to have the psalms illuminated and explained

A Complete Concordance to the Holy Scriptures of the Old and New Testament Alexander Cruden, 1871 *Expositions on the Book of Psalms ... Translated, with Notes and Indices [by J. Tweed, T. Scratton, H. M. Wilkins and Others]*. Saint Augustine (of Hippo), 1857

A Complete Concordance to the Old and New Testament: Or a Dictionary and Alphabetical Index to the Bible ... Alexander Cruden, 1854

The Expositions On The Psalms Volume 2 St. Augustine of Hippo, In any commentary on a portion of the Old Testament by a writer unacquainted with Hebrew exact criticism and freedom from mistake must not be expected But the Psalms have been so in the mouth and in the heart of God s people in all languages that it has been necessary often to find an explanation suitable to imperfect translations And no doubt it is intended that we should use such explanations for the purpose of edification when we are unable to be more accurate though in proving doctrine it is necessary always to remember and allow for any want of acquaintance with the original or uncertainty with respect to its actual meaning However the main scope and bearing of the text is rarely affected by such points as vary in different translations and the analogy of the faith is sufficient to prevent a Catholic mind from adopting any error in consequence of a text seeming to bear a heterodox meaning Perhaps the errors of translation in the existing versions may have led the Fathers to adopt rules of interpretation ranging too far from the simple and literal but having such translations they could hardly use them otherwise Meanwhile St Augustin will be found to excel in the intense apprehension of those great truths which pervade the whole of Sacred Writ and in the vivid and powerful exposition of what bears upon them It is

hardly possible to read his practical and forcible applications of Holy Scripture without feeling those truths by the faith of which we ought to live brought home to the heart in a wonderful manner His was a mind that strove earnestly to solve the great problems of human life and after exhausting the resources and discovering the emptiness of erroneous systems found truth and rest at last in Catholic Christianity in the religion of the Bible as expounded by St Ambrose This is volume two out of two covering the Psalms LXXIV through CL **The Athenæum** ,1919
