Providing a fly on the wall vantage of the rising diplomatic panic that sent shudders through world capitals Toronto Star Kill Khalid unfolds as a masterpiece of investigative journalism In 1997 the Israeli intelligence agency Mossad poisoned Hamas leader Khalid Mishal in broad daylight on the streets of Amman Jordan As the little known Palestinian leader slipped into a coma the Mossad agents escape was bungled and the episode quickly spiraled into a diplomatic crisis A series of high stakes negotiations followed which ultimately saved Mishal and set the stage for his phenomenal political ascendancy In Kill Khalid acclaimed reporter Paul McGeough reconstructs the history of Hamas through exclusive interviews with key players across the Middle East and in Washington including unprecedented access to Mishal himself who remains to this day one of the most powerful and enigmatic figures in the region A sobering reminder of how little has been achieved during sixty years of Israeli efforts in Palestine Kirkus Kill Khalid tracks Hamas's political fortunes across a decade of suicide bombings political infighting and increasing public support culminating in the battle for Gaza in 2007 and the current day political stalemate Fundamentals of Social Work Research Rafael J.
