Rebel In Defense Of Tradition The Life And Politics Of Dwight Macdonald

Mitchell K. Hall

Rebel In Defense Of Tradition The Life And Politics Of Dwight Macdonald:

A Rebel In Defense Of Tradition Michael Wreszin,1994-05-03 This book is the quintessential story of an American awakening It is the tale of an upper middle class white male schooled in the elite institutions of the WASP establishment who managed to jettison all of the prejudices and provincialism of his class and through the force of his inquiring mind to become one of the most penetrating critics of mid century American civilization **Dwight MacDonald and the Politics Circle** Gregory D. Sumner,1996 Sumner finds the clearest expression of Macdonald s creative power and of the political thinking that would eventually bridge the Old Left and the New Harold Rosenberg Debra Bricker Balken,2021-10-06 Despite being one of the foremost American intellectuals of the mid twentieth century Harold Rosenberg 1906 1978 was utterly incapable of fitting in and he liked it that way Signature cane in one hand and a cigarette in the other he cut a distinctive figure on the New York City culture scene with his radiant dark eyes and black bushy brows A gangly giant at six foot four he would tower over others as he forcefully expounded on his latest obsession in an oddly high pitched nasal voice And people would listen captivated by his ideas With Harold Rosenberg A Critic s Life Debra Bricker Balken offers the first ever complete biography of this great and eccentric man Although he is now known mainly for his role as an art critic at the New Yorker from 1962 to 1978 Balken weaves together a complete tapestry of Rosenberg s life and literary production cast against the dynamic intellectual and social ferment of his time She explores his role in some of the most contentious cultural debates of the Cold War period including those over the commodification of art and the erosion of individuality in favor of celebrity demonstrated in his famous essay The Herd of Independent Minds An outspoken socialist and advocate for the political agency of art he formed deep alliances with figures such as Hannah Arendt Saul Bellow Paul Goodman Mary McCarthy Jean Paul Sartre Willem de Kooning and Jackson Pollock all of whom Balken portrays with vivid accounts from Rosenberg s life Thoroughly researched and captivantly written this book tells in full Rosenberg s brilliant fiercely independent life and the five decades in which he played a leading role in US cultural intellectual and political history **Writing for The New Yorker** Green Fiona Green,2015-01-20 Original critical essays on an iconic American periodical providing new insights into twentieth century literary culture This collection of newly commissioned critical essays reads across and between New Yorker departments from sports writing to short stories cartoons to reporters at large poetry to annals of business Attending to the relations between these kinds of writing and the magazine s visual and material constituents the collection examines the distinctive ways in which imaginative writing has inhabited the prime real estate of this enormously influential periodical In bringing together a range of sharply angled analyses of particular authors styles columns and pages this book offers multiple perspectives on American writing and periodical culture at specific moments in twentieth century history Key Features Eleven new perspectives on major American writers including Roth Cheever Plath and Updike in relation to their first publication contexts Reconsiders modern and contemporary American writing and periodical culture focusing critical

attention on commercially successful smart magazines Draws on new research in The New Yorker's manuscript and digital archives A distinctive combination of close critical reading and cultural analysis

Visions of Progress Douglas Charles Rossinow, 2008 Rossinow revisits the period between the 1880s and the 1940s when reformers and radicals worked together along a middle path between the revolutionary left and establishment liberalism He takes the story up to the present showing how the progressive connection was lost and explaining the consequences that followed

The CIA and the Congress for Cultural Freedom in the Early Cold War Sarah Miller Harris, 2016-08-05 This book questions the conventional wisdom about one of the most controversial episodes in the Cold War and tells the story of the CIA's backing of the Congress for Cultural Freedom For nearly two decades during the early Cold War the CIA secretly sponsored some of the world's most feted writers philosophers and scientists as part of a campaign to prevent Communism from regaining a foothold in Western Europe and from spreading to Asia By backing the Congress for Cultural Freedom the CIA subsidized dozens of prominent magazines global congresses annual seminars and artistic festivals When this operation QKOPERA became public in 1967 it ignited one of the most damaging scandals in CIA history Ever since then many accounts have argued that the CIA manipulated a generation of intellectuals into lending their names to pro American anti Communist ideas Others have suggested a more nuanced picture of the relationship between the Congress and the CIA with intellectuals sometimes resisting the CIA's bidding Very few accounts however have examined the man who held the Congress together Michael Josselson the Congress's indispensable manager and secretly a long time CIA agent This book fills that gap Using a wealth of archival research and interviews with many of the figures associated with the Congress this book sheds new light on how the Congress came into existence and functioned both as a magnet for prominent intellectuals and as a CIA operation This book will be of much interest to students of the CIA Cold War History intelligence studies US foreign policy and International Relations in general

The Unexamined Orwell John Rodden, 2012-08-17 A reflection on Orwell as idea that outlines some of the misconceptions and misuses of the Orwell name Modern Fiction Studies The year 1984 is just a memory but the catchwords of George Orwell's novel Nineteen Eighty Four still routinely pepper public discussions of topics ranging from government surveillance and privacy invasion to language corruption and bureaucratese Orwell's work pervades the cultural imagination while others of his literary generation are long forgotten Exploring this astonishing afterlife has become the scholarly vocation of John Rodden who is now the leading authority on the reception impact and reinvention of George Orwell the man and writer as well as of Orwell the cultural icon and historical talisman In *The Unexamined Orwell* Rodden delves into dimensions of Orwell's life and legacy that have escaped the critical glare He discusses how several leading American intellectuals have earned the title of Orwell's successor including Lionel Trilling Dwight Macdonald Irving Howe Christopher Hitchens and John Lukacs He then turns to Germany and focuses on the role and relevance of Nineteen Eighty Four in the now defunct communist nation of East Germany Rodden also addresses myths that have grown up around Orwell's life

including his more than half legendary encounter with Ernest Hemingway in liberated Paris in March 1945 and analyzes literary issues such as his utopian sensibility and his prose style Finally Rodden poses the endlessly debated question What would George Orwell do and speculates about how the prophet of Nineteen Eighty Four would have reacted to world events In so doing Rodden shows how our responses to this question reveal much about our culture s ongoing need to reappropriate Orwell

The politics of betrayal Ashley Lavelle,2015-11-01 The radical who becomes a conservative is a common theme in political history Benito Mussolini the Italian socialist who became a fascist is the best known example but there have been many others including the numerous American Trotskyists and Marxists who later became neo conservatives anti communists or in some instances McCarthyists The politics of betrayal examines why several one time radicals subsequently became part of the establishment in various countries including the former Black Panther Party leader turned Republican Eldridge Cleaver the Australian communist Adela Pankhurst who became an admirer of the Nazis and the ex radical journalist Christopher Hitchens whose defection to the neo conservative camp of George W Bush s administration following 11 September 2001 offers one of the most surprising instances of the phenomenon in recent times How and why do so many radicals betray the cause What implications does it have for left politics Were the ex radicals right to become conservatives This book the first of its kind answers these and more questions

Opposition to War Mitchell K. Hall,2018-01-04 How have Americans sought peaceful rather than destructive solutions to domestic and world conflict This two volume set documents peace and antiwar movements in the United States from the colonial era to the present Although national leaders often claim to be fighting to achieve peace the real peace seekers struggle against enormous resistance to their message and have often faced persecution for their efforts Despite a well established pattern of being involved in wars the United States also has a long tradition of citizens who made extensive efforts to build and maintain peaceful societies and prevent the destructive human and material costs of war Unarmed activists have most consistently upheld American values at home *Opposition to War* An Encyclopedia of U S Peace and Antiwar Movements investigates this historical tradition of resistance to involvement in armed conflict an especially important and relevant topic today as the nation has been mired in numerous military conflicts throughout most of the current century The book examines a largely misunderstood and underappreciated minority of Americans who have committed themselves to finding peaceful resolutions to domestic and international conflicts individuals who have proposed and conducted an array of practical and creative methods for peaceful change from the transformation of individual behavior to the development of international governing and legal systems for more than 250 years Readers will learn how individuals working alone or organized into societies of various size have steadfastly campaigned to stop war end the arms race eliminate the underlying causes of war and defend the civil liberties of Americans when wartime nationalism most threatens them

In Solitude, for Company Wystan Hugh Auden,1995 The third volume of Auden Studeis presents Auden in maturity and includes a large amount of previously unpublished prose by him The book concentrates on the

relatively unexplored area of Auden's post 1940 writings and the letters essay and lectures printed here demonstrate the Goethean scope of his intellect which ranged easily from psychoanalysis to theology archaeology to politics In Solitude for Company contains two hitherto unpublished and little known lectures The first of these introduced by Nicholas Jenkins is on the theme of vocation delivered during the troubled war years when Auden was examining his own vocation The second lecture was given near the end of the poet's life on the subject of the value of the work of Sigmund Freud Katherine Bucknell precedes this with the first full length examination of Auden's intensely ambivalent relation to Freud Auden's correspondence with his close friends James and Tania Stern reveals much new and important biographical information and Edward Mendelson's further supplement to the Auden Bibliography provides an extensive listing of all published letters by Auden In addition distinguished literary critics including David Bromwich Lawrence Lipking Edna Longley and Michael Wood together with the nonagenarian communist Edward Upward contribute to a symposium on one of this century's most famous poems In Praise of Limestone

Finks Joel Whitney, 2017-01-03 When news broke that the CIA had colluded with literary magazines to produce cultural propaganda throughout the Cold War a debate began that has never been resolved The story continues to unfold with the reputations of some of America's best loved literary figures including Peter Matthiessen George Plimpton and Richard Wright tarnished as their work for the intelligence agency has come to light Finks is a tale of two CIAs and how they blurred the line between propaganda and literature One CIA created literary magazines that promoted American and European writers and cultural freedom while the other toppled governments using assassination and censorship as political tools Defenders of the cultural CIA argue that it should have been lauded for boosting interest in the arts and freedom of thought but the two CIAs had the same undercover goals and shared many of the same methods deception subterfuge and intimidation Finks demonstrates how the good versus bad CIA is a false divide and that the cultural Cold Warriors again and again used anti Communism as a lever to spy relentlessly on leftists and indeed writers of all political inclinations and thereby pushed U S democracy a little closer to the Soviet model of the surveillance state

Resurrections Jeffrey Meyers, 2018-10-09 Jeffrey Meyers Resurrections Authors Heroes and a Spy brings to life a set of extraordinary writers painters and literary adventurers who turned their lives into art Meyers knew nine of these figures in some cases intimately while five others he admires and regrets never meeting As he writes in the preface The chapters in this book represent in miniature my career as a life writer My biographies have always been driven by fascination with the source of artistic creativity with people who wrote or painted and with the worlds they inhabited Ian Watt who taught Meyers at Berkeley struggled with the legacy of his ordeal as a Japanese prisoner of war and with its depiction in the film The Bridge on the River Kwai The story of Paul Theroux's feud with Sir Vidia Naipaul is well known but Meyers finds greater meaning in

their quarrel through the lens of his own long friendship with Theroux While James Salter fighter pilot and brilliant stylist epitomizes Meyers heroic ideal the fiction writer also responds with an epistolary friendship punctuated by visits and Meyers is delighted by Salter s great reputation late in life Anthony Blunt art historian and communist spy fascinates the biographer for a darker reason the depth of his capacity for intellectual and personal deceit The feckless lesser known Hugh Gordon Porteus told Meyers many revealing and amusing stories about his friends Wyndham Lewis T S Eliot and Ezra Pound In the process of writing these profiles Meyers discovers a common thread relating to himself not only do these subjects provoke a kind of personal testing they also represent his search for the ideal father in his vivid intellectual and imaginative inquiry

Ernest Mandel Jan Willem Stutje,2020-05-05 Ernest Mandel 1923 1995 was one of the most prominent anti Stalinist Marxist intellectuals of his time A political theorist and economist his worldview was shaped by experiences in the Second World War as an underground political activist in Occupied Belgium and during his subsequent internment in a Nazi prison camp Mandel s faith in human nature and in the working classes survived Nazi oppression and the murder of much of his family in the concentration camps He retained his connection to his Jewish roots throughout his life but believed that security and liberation for the Jewish people was best achieved through world revolution and universal emancipation rather than nationalism A brilliant orator in several languages Mandel was an indefatigable revolutionary militant and a key leader in the Fourth International and he had an enormous impact on the thought and practice of the 1968 generation His writings range from innovative economic and political theory to a study of the Second World War and have been published in over forty languages His last major work Late Capitalism had an influence that reached from the social sciences into the humanities Biographer Jan Willem Stutje the first writer with access to Mandel s archives has interviewed many of the leading figures in the story and unearthed a wealth of new material detailing Mandel s arrest by the Nazis and his role in Latin American guerrilla warfare He recounts Mandel s interactions with both scholars Sartre Ernst Bloch Perry Anderson and comrades in arms such as Che Guevara Rudi Dutschke and Tariq Ali The book also yields fascinating details of the man s sometimes tragic private life The Lively Arts Michael G. Kammen,1996 A Pulitzer Prize winning historian offers a brilliant biographical study of George Seldes one of America s leading champions of American popular culture in the 1920s and 1930s and traces the amazing growth of popular culture from silent films and talkies to radio and jazz to the coming of television

Intellectuals Incorporated Robert Vanderlan,2011-06-06 Publishing tycoon Henry Luce famously championed many conservative causes and his views as a capitalist and cold warrior were reflected in his glossy publications Republican Luce aimed squarely for the Middle American masses yet his magazines attracted intellectually and politically ambitious minds who were moved by the democratic aspirations of the New Deal and the left Much of the best work of intellectuals such as James Agee Archibald MacLeish Daniel Bell John Hersey and Walker Evans owes a great debt to their experiences writing for Luce and his publications Intellectuals Incorporated tells the story of the serious writers and artists who worked for Henry

Luce and his magazines Time Fortune and Life between 1923 and 1960 the period when the relationship between intellectuals the culture industry and corporate capitalism assumed its modern form Countering the notions that working for corporations means selling out and that the true life of the mind must be free from institutional ties historian Robert Vanderlan explains how being embedded in the corporate culture industries was vital to the creative efforts of mid century thinkers Illuminating their struggles through careful research and biographical vignettes Vanderlan shows how their contributions to literary journalism and the wider political culture would have been impossible outside Luce s media empire By paying attention to how these writers and photographers balanced intellectual aspiration with journalistic perspiration Intellectuals Incorporated advances the idea of the intellectual as a connected public figure who can engage and criticize organizations from within *Partisans* David Laskin,2001-04-10 Combining literary biography with astute reporting and moral insight David Laskin shows how sex politics and art affected relationships among the Partisan Review writers Mary McCarthy Edmund Wilson Philip Rahv Robert Lowell Jean Stafford Elizabeth Hardwick Hannah Arendt Allen Tate Caroline Gordon and Diana Trilling It is the women who steal the show with their their groundbreaking work their harrowing experiences of marriage abuse and betrayal their passion for writing and disdain for feminism their struggles and achievements *Praise from a Future Generation* John Kelen,2007 Finely written and meticulously documented this book describes how very early on a small group of ordinary citizens began extraordinary efforts to demonstrate that the JFK assassination could not have happened the way the government said it did In time their efforts had an enormous impact on public opinion but this account concentrates on the months before the controversy caught fire when people with skeptical viewpoints still saw themselves as lone voices Material seldom seen by the public includes a suppressed photograph of the grassy knoll an unpublished 1964 interview with an eyewitness the earliest mention of the magic bullet and an analysis of the commotion surrounding New Orleans district attorney Jim Garrison s charge that anti Castro CIA operatives were involved

Anarchist Seeds beneath the Snow David Goodway,2011-12-12 From William Morris to Oscar Wilde to George Orwell left libertarian thought has long been an important but neglected part of British cultural and political history In *Anarchist Seeds beneath the Snow* David Goodway seeks to recover and revitalize that indigenous anarchist tradition This book succeeds as simultaneously a cultural history of left libertarian thought in Britain and a demonstration of the applicability of that history to current politics Goodway argues that a recovered anarchist tradition could and should be a touchstone for contemporary political radicals Moving seamlessly from Aldous Huxley and Colin Ward to the war in Iraq this challenging volume will energize leftist movements throughout the world *Politics and the Intellectual* Irving Howe,2010 A compilation of Irving Howe s interviews during the last fifteen years of his life this book represents what could be viewed as the sequel to Howe s intellectual autobiography *A Margin of Hope* which took the story of his life only up to the late 1970s Many of these interviews were never published and have existed only as personal tapes in the hands of such scholars and activists as Todd

Gitlin and Maurice Isserman Others were originally published in such venues as The New York Times The Jerusalem Post and the PBS documentary Arguing the World Howe never organized his thoughts about the last fifteen years of his life during which he gained renown for World of Our Fathers received a MacArthur Fellowship and became widely regarded as the leading left liberal intellectual in the U S and arguably the leading literary critic in America following the deaths of Lionel Trilling and Edmund Wilson During this time Howe also struggled to redefine the American Left in an environment that discounted and marginalized it Indeed these interviews may have particular significance today a period of new opportunities for the liberal Left yet one in which it struggles to construct some coherent identity and compelling program The editors worked with the full cooperation of Howe s family His daughter Nina contributed an afterword and provided a number of illustrations and photos that have never before appeared in print Book Jacket **Irving Howe** Gerald Sorin,2005-04 An electronic book accessible through the World Wide Web [click to view](#)

Rebel In Defense Of Tradition The Life And Politics Of Dwight Macdonald Introduction

In today's digital age, the availability of Rebel In Defense Of Tradition The Life And Politics Of Dwight Macdonald books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rebel In Defense Of Tradition The Life And Politics Of Dwight Macdonald books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rebel In Defense Of Tradition The Life And Politics Of Dwight Macdonald books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rebel In Defense Of Tradition The Life And Politics Of Dwight Macdonald versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Rebel In Defense Of Tradition The Life And Politics Of Dwight Macdonald books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rebel In Defense Of Tradition The Life And Politics Of Dwight Macdonald books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for

literature enthusiasts. Another popular platform for Rebel In Defense Of Tradition The Life And Politics Of Dwight Macdonald books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rebel In Defense Of Tradition The Life And Politics Of Dwight Macdonald books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rebel In Defense Of Tradition The Life And Politics Of Dwight Macdonald books and manuals for download and embark on your journey of knowledge?

FAQs About Rebel In Defense Of Tradition The Life And Politics Of Dwight Macdonald Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rebel In Defense Of Tradition The Life And Politics Of Dwight Macdonald is one of the best book in our library for free trial. We provide copy of Rebel In Defense Of Tradition The Life And Politics Of Dwight Macdonald in digital format, so the resources that you find are reliable.

There are also many Ebooks of related with Rebel In Defense Of Tradition The Life And Politics Of Dwight Macdonald. Where to download Rebel In Defense Of Tradition The Life And Politics Of Dwight Macdonald online for free? Are you looking for Rebel In Defense Of Tradition The Life And Politics Of Dwight Macdonald PDF? This is definitely going to save you time and cash in something you should think about.
