CHARLIE JEFFERY

Recasting German Federalism The Legacies Of Unification

**Stephen Padgett, Gordon
Smith, William E. Paterson**

Recasting German Federalism The Legacies Of Unification:

Recasting German Federalism Charlie Jeffery, 1999-01-01 Understanding Germany's federal structure is crucial to understanding contemporary Germany. The federal system shaped the way German unification was carried out; it shapes the way in which policies are made and it plays a role in determining the way in which Germany presents its priorities in the EU. The first part of the book analyzes the nature of pre-unification West German federalism and the unique challenge posed for the federal system by unification. Part 2 takes stock of key issues in the operation of post-unification federalism, including the policy process, the role of parties in federalism, conflicts of interest over financial allocations, and the impact of deepening European integration. The final part offers a series of critical perspectives which address the long-term legacies of unification and increasing pressures for reform.

Recasting German Federalism Charlie Jeffery, 1999 Understanding Germany's federal structure is crucial to understanding contemporary Germany. The federal system shaped the way German unification was carried out; it shapes the way which policies are made and it plays a role in determining the way in which Germany presents its priorities in the European Union. This first part establishes the context by setting out and analyzing the character of pre-unification West German federalism and the challenge posed for the federal system by German unification. The second part takes stock of key issues in the operation of post-unification federalism, including the policy process, the role of parties in federalism, conflicts of interest over financial allocations, and the impact of deepening European integration. The final part offers a series of critical perspectives which address the long-term legacies of unification and the increasing pressures for reform which now beset the federal system.

German Public Policy and Federalism Arthur B. Gunlicks, 2004-10-01 Since unification, German society and institutions have been challenged by various transformations and the need to adjust to changing conditions. While much has been accomplished, many political, legal, and institutional problems remain. This volume deals with selected aspects of domestic and European policy, political parties, the challenge of direct democracy, and federalism in unified Germany. All issues that have been the subject of much discussion, political posturing, legislation, and to some extent constitutional amendments and court decision for many years, if not decades. In conclusion, a British scholar looks at German federalism and a number of public policy issues from a comparative perspective and arrives at some surprising and encouraging results.

Comparative Federalism Thomas O. Hueglin, Alan Fenna, 2015-08-24 *Comparative Federalism: A Systematic Inquiry*, Second Edition, is a uniquely comprehensive analytic and genuinely comparative introduction to the principles and practices as well as the institutional compromises of federalism. Hueglin and Fenna draw from their diverse research on federal systems to focus on four main models: America, Canada, Germany, and the European Union, but also to range widely over other cases. At the heart of the book is careful analysis of the relationship between constitutional design and amendment, fiscal relations, institutional structures, intergovernmental relations, and judicial review. Such analysis serves the dual role of helping the reader understand federalism and providing a comparative framework from which to assess the

record of federal systems The second edition has been extensively revised and updated taking into account new developments in federal systems and incorporating insights from the growing body of literature in the field It includes two new chapters Fiscal Federalism and The Limits of Federalism Reconceptualizing Sovereignty in the Post-National State: Statehood Attributes in the International Order Flavio G. I. Inocencio, 2014 This book offers a multidisciplinary approach to the study of the concept of sovereignty This book outlines the origins context and evolution of the concept of sovereignty as an essential attribute of the modern territorial State since the Peace of Westphalia in 1648 The book identifies two competing traditions of the concept of sovereignty the tradition inaugurated by Jean Bodin in 1576 in his work The Six Books of the Commonwealth and another that started with Johannes Althusius in 1603 considered the father of federal theory in his less known work Politica In order to understand the concept of sovereignty it is necessary to understand the constitutional rules of each international system and the fact that the States are the primary polities in the international arena The rise of International Organizations and the increasing institutionalization of the international system challenges this state centric world considering their exercise of sovereign powers Following authors such as Daniel Elazar the book discusses the importance of federalism as political theory which offers a different understanding of the concept of sovereignty The book discusses the European Union as a paradigmatic case of a postmodern confederation which challenges the notion of sovereignty as an absolute and exclusive statehood attribute Furthermore the reconceptualization of sovereignty in International Law should consider the rise of regional and functional legal orders the different understandings of sovereignty offered by the federalist tradition and the processes of deterritorialization and disaggregation of authority The book concludes with the idea that concept of sovereignty in International Law should be seen as a flexible concept which is not an exclusive attribute of the modern territorial state This book is required reading for all interested in the history and the evolution of the concept of sovereignty **Developments in German Politics 3** Stephen Padgett, Gordon Smith, William E. Paterson, 1992 Once the miracle economy of the continent Germany now staggers under the massive cost burden of unification while it struggles to come to terms with global economic change Failure to confront the underlying economic weakness has discredited political institutions and patterns of political behavior that were once regarded as the efficient secret of economic success The country stands at the crossroads between economic reform and a spiral of economic decline with unpredictable fallout Bringing together entirely new chapters by leading authorities in the field Developments in German Politics 3 examines the unfolding crisis of German political economy its repercussions for polity politics and policy and the consequences for Germany's role in Europe and the wider world Like its predecessors this book will be of interest to all concerned with European politics and will be necessary reading for students of German politics and society Contributors David P Conradt Russell J Dalton Kenneth Dyson Klaus H Goetz Simon Green Adrian Hyde Price Charlie Jeffery Stephen Padgett William E Paterson Wolfgang R dig Martin Seeleib Kaiser Gordon Smith Roland Sturm **The Changing Faces of**

Federalism Sergio Ortino, Mitja Zagar, Vojtech Mastny, 2005 This book discusses the tradition and the institutions of federalism in the Eastern Central and Western European countries and deals with many innovative issues such as multi level governance network government devolution subsidiarity asymmetry and functionalism An assumption of the book is that the European enlargement and the new European constitution could result in two major evolutions in the future one is a full federal state the other is an institutional response to the effects of the technological innovations of our epoch

Federalism and the Lander Autonomy Cesare Onestini, 2018-10-24 An interesting study of the German higher Education system examining the development of higher education policies from the post war years to the post unification period

The Art of the State Thomas J. Courchene, Donald J. Savoie, Institute for Research on Public Policy, 2003 The Art of the State brings together political scientists and economists to look at governing and governance in an increasingly globalized world It explores ways in which democratic governance can survive in a globalized environment and suggests how to combat disillusionment

Legislative, Executive, and Judicial Governance in Federal Countries Katy Le Roy, Cheryl Saunders, 2006-09-19 Comparative studies examine the constitutional design and actual operation of governments in Argentina Australia Austria Canada Germany India Nigeria Russia South Africa Switzerland and the United States Contributors analyze the structures and workings of legislative executive and judicial institutions in each sphere of government They also explore how the federal nature of the polity affects those institutions and how the institutions in turn affect federalism The book concludes with reflections on possible future trends

Courts in Federal Countries Nicholas Aroney, John Kincaid, 2017-01-01 Courts in Federal Countries examines the role high courts play in thirteen countries including Australia Brazil Canada Germany India Nigeria Spain and the United States

Europe's Hidden Federalism Bojan Kovacevic, 2017-05-18 The hidden federal features of the European Union help explain the challenges of legitimacy democracy and freedom that face an unfinished political community Ideas about federalism and the reality of existing federal states cannot be sharply divided in an analysis of the EU s multilevel political order but so far both scholars and major decision makers have shown interest only in the normal functioning of federal systems ignoring the dilemma of the federation s legitimate authority has resulted in an existential crisis for the EU which has become ever more manifest over recent years This book employs a combination of political philosophy and political science of federal philosophic ideas and their traces in real federal institutions in order to achieve the task of understanding the federal features of the EU governance system The first part of the work focuses on building an appropriate theoretical framework to explain the new meanings attached to familiar notions of democracy legitimacy and citizenship in the context of a political community like the EU In the second part the federal features of the EU s political system are examined in comparison to other current and historical federal perspectives like the US Switzerland Yugoslavia and Germany Through an analysis of the hidden federal aspects of the EU and the links between hidden federalism and the EU s legitimacy crisis this book reveals the patterns that should be avoided

and gives us guidelines that should be followed if the EU is to become democratic and politically united without jeopardising the state character of its members **Converging Regional Education Policy in France and Germany** Claire

Dupuy,2020-03-30 How have regionalization processes across Europe impacted on policy convergence This book takes as its starting point the curious fact that autonomous regional policymaking may be parallel to regional governments pursuing policy similarity The author proposes that these observations are paradoxical only if sector specific policy norms are disregarded and when autonomy is considered as the exclusive goal of regional governments Focusing on common yet under studied regional situations where a sense of cultural or historical distinctiveness is not readily apparent if at all the book argues that in policy sectors where norms of territorial equality have long been dominant regional governments endorse them as a way to secure or expand their policy capacity when the central state or other policy entrepreneurs challenge it This results in converging policies A textured comparative account of educational policymaking in German Länder and French conseils régionaux over three decades forms the backbone of this analysis of policymaking in ordinary regions The Dynamics of Federalism in National and Supranational Political Systems Michael A. Pagano,2007-01-17 This collection of essays is designed to help scholars and practitioners understand the fluid and dynamic nature of federalism with particular emphasis on the federal system in the United States The book is written to aid our understanding of the contemporary question which federalism Federal Constitutions and International Relations John Trone,2001 A comprehensive analysis of one of the most politically controversial issues in Australian law the implementation of treaties by the federal government Unique in Australian books on legal issues this rigorous analysis of constitutional law examines relevant cases and legislation from Australia Canada the USA Germany Switzerland Austria Malaysia and India Including a comprehensive list of cases and a full index this book will be of exceptional interest to practitioners teachers and students of constitutional and international law

law **New Directions in Federalism Studies** Jan Erk,Wilfried Swenden,2010-01-04 This book compares and explores different aspects and perspectives of federalism studies providing an analytical framework which transcends the sub fields and encourages contributors to look beyond their own disciplinary approaches to the topic **Immigration Policy in the Federal Republic of Germany** Douglas B. Klusmeyer, Demetrios G. Papademetriou,2009-11-01 German migration policy now stands at a major crossroad caught between a fifty year history of missed opportunities and serious new challenges Focusing on these new challenges that German policy makers face the authors both internationally recognized in this field use historical argument theoretical analysis and empirical evaluation to advance a more nuanced understanding of recent initiatives and the implications of these initiatives Their approach combines both synthesis and original research in a presentation that is not only accessible to the general educated reader but also addresses the concerns of academic scholars and policy analysts This important volume offers a comprehensive and critical examination of the history of German migration law and policy from the Federal Republic's inception in 1949 to the present Compounded Representation in

West European Federations Joanne B. Brzinski, Thomas D. Lancaster, Christian Tuschhoff, 1999 These papers resulted from a research project entitled Federalism and Compounded Representation in Western Europe They place analytical emphasis on theoretical and contextual issues of representation and tend to analyze the complexities of representation within federal systems by focusing on issues of social identity multiple territorial bases of governance and policy making institutions such as interest groups corporatism and the European Union Specific countries examined include Germany Austria and Spain

Competitiveness and Solidarity in the European Union Paolo Chiocchetti, Frédéric Allemand, 2018-12-07 Starting in the 1980s competitive pressures and the ideology of competitiveness have shaken and transformed traditional models of development public policy and governance in Europe This edited book carries out a comprehensive interdisciplinary and innovative analysis of the relationship between competitiveness and solidarity in the contemporary European Union It offers an original contribution to the scholarly debates on the current developments and challenges of welfare states social and economic policies and forms of governance in the European Union Bringing together an international team of cutting edge scholars in the social sciences and the humanities Competitiveness and Solidarity in the European Union sheds light on the conceptual richness and policy relevance of these relationships pointing to important avenues to make the European Union more economically successful and socially fairer This book will be of key interest to scholars and students of European Union studies and more broadly of EU Law Public Policy Economics Sociology Political Science Geography and Contemporary History

Europeanisation and Party Politics Erol Kūlahci, 2012-05-01 A sophisticated theoretical framework and up to date analysis of the Europeanisation of domestic party systems and political parties policy stances This book covers a range of contemporary topics party systems policy stances of political parties opposition co operation over European integration cleavage theory of party response to European integration domestic depoliticisation and EU representation It presents a sophisticated political analysis of Europe and an exceptional amount of factual information about European countries and parties

Whispering the Techniques of Language: An Psychological Quest through **Recasting German Federalism The Legacies Of Unification**

In a digitally-driven earth where monitors reign supreme and quick communication drowns out the subtleties of language, the profound secrets and emotional subtleties hidden within phrases often go unheard. Recasting German Federalism The Legacies Of Unification Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Recasting German Federalism The Legacies Of Unification PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to

locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Recasting German Federalism The Legacies Of Unification PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Recasting German Federalism The Legacies Of Unification free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Recasting German Federalism The Legacies Of Unification Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Recasting German Federalism The Legacies Of Unification is one of the best book in our library for free trial. We provide copy of Recasting German Federalism

The Legacies Of Unification in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Recasting German Federalism The Legacies Of Unification. Where to download Recasting German Federalism The Legacies Of Unification online for free? Are you looking for Recasting German Federalism The Legacies Of Unification PDF? This is definitely going to save you time and cash in something you should think about.
