Recce A Collectors Guide To The South African Special Forces Brigade:

Recce Michale Huxtable,Paul Matthysen,Matthew Kalkwarf,2002-10-01 This volume presents the history and memorabilia of the South African Special Forces Brigade in a factual and unbiased manner with a particular focus on the personality of the Special Forces Operator Beginning with the creation of a special forces group in the late 1960 s the Hunter Group concept and continuing through to the Border War of the 1970 s and 1980 s this compilation will educate readers about the hardships faced by candidates eager to join this elite group and will leave them with a sense of respect for the very select groups of people who make up the Special Forces brigade one of the very first units in the SADF to integrate the different races in regiments This book also illustrates the uniforms worn equipment used and insignia worn by these individuals along with counterfeit collector s items that have begun to appear on the market With many previously unpublished photographs and information retrieved from source military documents this book will be a source of pride for those who served in the units as well as those who served in the SA Defense Force and National Defense Force *Recce* Paul Matthysen,Matthew Kalkwarf,Michael Huxtable,2010 This book has been some 15 years in the making and can claim with some justification to be the definitive publication on the Recces unlikely to be topped for many many years The South African Special Forces have invariably been portrayed as a sinister force used in covert operations locally and abroad but this is pure political expediency and media propaganda The unit s operators are humble soldiers whose primary role is intelligence gathering although they will take offensive action ruthlessly if necessary Highly trained professionals in a class of their own these elite troops have garnered for themselves an international reputation par excellence Book Jacket **With the Red Devils at Arnhem** Marek Swiecicki,2013-07-19 The Battle of Arnhem remains a much studied and discussed battle with an uninterrupted flow of books being published about it Helion are bringing back into print a fascinating eyewitness account that has remained overlooked since it was last published shortly after the battle itself The 1st Polish Parachute Brigade played both an important and controversial role at Arnhem The author a Pole himself was attached to the Brigade saw action at Arnhem and managed to escape capture and return to Allied lines He penned his account within weeks of returning and as a result *With the Red Devils at Arnhem* has a tremendous freshness and appeal sometimes lacking in material written years afterwards He offers a vivid insight into the experiences of the Poles at Arnhem written in an exciting and lively manner The Helion reprint has been expanded by airborne forces expert and author Niall Cherry s additional notes providing further information and context This book is a forgotten gem within the canon of Arnhem literature *We Fear Naught But God* Paul Els,2000 The authoritative history of the South African Special Forces Nicknamed The Recces the men of this famous combat unit were masters in the art of reconnaissance and clandestine warfare Covers the brutal guerrilla wars in Angola and Namibia from which the Recces emerged as one of the most decorated units in the South African military *We Fear Naught But God* Paul Els,2000 **South African Special Forces** Robert Pitta,Jeff Fannell,1993-05-27 This

book provides a highly detailed account of the history organisation uniforms and insignia of South African Special Forces from their origins up to the early 90s units such as the 44 Parachute Brigade the Hunter Group and the infamous SWA Police COIN Unit Koevoet These elite units of the South African Defence Force and the special anti terrorist units of the South African Police Forces comprised the largest best trained and best equipped of any country in southern Africa Robert Pitta and Jeff Fannell provide the text in a volume packed with photographs and illustrations **Recce** Koos Stadler,2020-01-10 A gripping firsthand account of life and combat operations in the elite South African Special Forces known as Recces by a veteran Recce officer The South African Special Forces are one of the most effective and mysterious military units in the world Working in secret on covert operations the legendary Recces have long fascinated but little is known about how they operate Now Koos Stadler a career officer in the South African Special Forces shares a revealing chronicle of his life and his experiences in the Border War Shortly after passing the grueling Special Forces selection course in the early 1980s Koos Stadler joined the so called Small Teams group at 5 Reconnaissance Regiment This sub unit was made up of two man teams and was responsible for many secret missions behind enemy lines Sent to blow up railway lines and enemy fighter jets in south Angola Stadler and his partner stared death in the face many times **A Greater Share of Honour** Jack Greeff,2001

1 Recce Alexander Strachan,2018 1 Recce One of the sharpest most versatile and deadliest specialist units in the South African Defence Force These men superfit and unbelievably tough were dauntless Time and again they put their lives on the line in covert operations that were mostly conducted under the cover of night far behind enemy lines Now for the first time the Recces legendary commanders reveal details about their operations *South African Defence Force Collection* ,1970

1 Recce ALEXANDER. STRACHAN,2022-07-20 **A Breed Apart** Johan Raath,2022-08-17 Over the years many have signed up for the South African Special Forces selection course but only a select few have ever passed The gruelling course pushes recruits to their physical and mental limits Those who make it through selection still have to complete a demanding year long training cycle before they can join the ranks of this elite unit In **A Breed Apart** former Special Forces operator Johan Raath offers a rare insider s view on the training he and other young soldiers received in the mid 1980s Drawing on the reminiscences of his fellow Recces he describes the phases of selection and training and offers valuable insights into what makes a successful operator The courses in the training cycle show the range and standard of Special Forces training including weapons handling bushcraft survival parachuting demolitions and urban warfare as well as seaborne and riverine operations For Raath and his cycle buddies the training cycle culminated in an operation in southern Angola where the young Recces saw action for the first time Much of what Raath underwent still forms part of present day Special Forces training Comprehensive and revealing this book shows why these soldiers truly are a breed apart **Journey Without Boundaries** André Diedericks,2007 **The Silent War** Peter Stiff,1999 It is the ultimate book on South African military operations during the apartheid years It deals with all the top secret raids by Special Forces into surrounding African states the political

dynamics which led to them and the turbulent history of the times **A Greater Share of Honour** Jack Greeff,2008

New Partnerships for a New Era Deane-Peter Baker,2009 Since emerging from the mire of its apartheid past South Africa has become a key player in Sub Saharan Africa The challenge of creating a truly national military during a period in which South Africa has also wrestled with tough internal socio economic problems has left the South African National Defence Force SANDF in a weakened state Despite this they have in recent years made a considerable contribution to efforts to bring peace and stability to the African continent A critical step in building a capable and confident future South African Army has been the commencement of the SA Army s Vision 2020 forward planning process Recent political changes in both the United States and South Africa have opened up a new window of opportunity for developing a productive partnership between the two nations This monograph outlines ways in which the United States can contribute to the SA Army s Vision 2020 program to help optimize South Africa s potential contribution to the emergence of a peaceful and stable Africa Page v
