Receiving Divine Revelation Fuchsia Pickett, ThD., D.D., 2015-11-17 For years I studied the Word I read every book I could lay my hands on and sat under every Bible teacher they would let me sit under But I still didn't know God nor did I really understand His Word Although Jesus was living in my heart He was a stranger to me Do you know Jesus Do you understand His Word It took some extreme circumstances in my life to bring me to the place where the Holy Spirit began to reveal Jesus to me and in me I will never forget the first night the Spirit began to divide asunder the veil of the flesh between my soul and spirit I began to see Jesus and understand His Word The Holy Spirit became my teacher and I started to receive His divine revelation You see no one can show you Jesus except the Holy Spirit This living reality miraculously set me on the path of divine discovery that I am still walking in today Come and walk with me and my Teacher the Holy Spirit Learn how to hear His voice through God's Word Let Jesus be revealed in you and receive the divine revelation of who He is the Christ who lives in your heart

Revelation Gerald O'Collins,2016-08-18 Since the late 1980s the theme of God s self revelation has been treated only briefly in Christian theology at times simply ignored and often confused with biblical inspiration Revelation Towards a Christian Theology of God s Self Revelation lays out its basic characteristics and begins by distinguishing between revelation in the primary sense a living encounter with God s self disclosure and in the secondary sense statements of faith derived from that encounter or propositional revelation It considers revelation as transforming and informing as being sacramental or mediated through words and deeds as communicated through an endless variety of means and mediators as related to but distinct from biblical inspiration and truth and as reaching those of other faiths or of no faith at all Gerald O Collins skilfully distinguishes between past or foundational revelation present or dependent revelation and future or eschatological revelation He expounds with ecumenical sensitivity the complex relationship between tradition and scripture O Collins moves into controversial areas by insisting that the divine self revelation takes place only when received

by human faith and that outside revelation there is no salvation extra revelationem nulla salus This volume offers a coherent account of God's self-revelation which can serve as a basis for all that follows in theology and for dialogue with those who follow other living faiths or none at all O Collins extends and enriches what he has proposed in earlier books and articles about the characteristics of God's self-revelation The Qualifications Requisite, Towards the Receiving a Divine Revelation. A Sermon, Etc Samuel BRADFORD (successively Bishop of Carlisle and of Rochester.), 1699 Getting In Shape God's Way Ron Kardashian, 2012-01-09 Fitness and Health From the Inside Out If you are dissatisfied with the results you are getting from your diet and exercise program Getting in Shape God's Way will give you the tools you need to turn things around today Learn the four simple keys to making everything else proper nutrition exercise and other health principles really work as you gain the wisdom and tools you need to Find the real reasons behind your diet and fitness roadblocks Transcend old ways of thinking Motivate yourself so that you will never give up Achieve results that will last a lifetime *Religious Revelation* James Kellenberger, 2020-10-19 This book addresses several dimensions of religious revelation These include its occurrence in various religious traditions its different forms its elaborations how it has been understood by Western theologians and differing views of revelation's ontological status It has been remarked that revelation is most at home in theistic traditions and this book gives each of the three Abrahamic traditions Judaism Christianity and Islam its own chapter Revelation however is not limited to theistic traditions forms found in Buddhism and nondevotional nontheistic Hinduism are also explored In the book's final chapter a particularly significant form of religious revelation is identified and examined pervasive revelation The theistic manifestation of this form of revelation pervasive in the sense that it may occur in all the domains or dimensions of human existence is shown to be richly represented in the Psalms where God's presence may be found in the heavens in the growing of grass and in one's daily going out and coming in Pervasive revelation of religious reality is also shown to be present in the Buddhist tradition *Revelation in the Qur'an* Simon P. Loynes, 2021-02-08 In *Revelation in the Qur'an* Simon P. Loynes presents a semantic study of the Arabic roots *n z l* and *w y* in order to elucidate the modalities of revelation in the Qur'an Through an exhaustive analysis of their occurrences in the Qur'an and with reference to pre-Islamic poetry Loynes argues that the two roots represent distinct occurrences with the former concerned with spatial events and the latter with communicative This has significant consequences for understanding the Qur'an's unique concept of revelation and how this is both in concord and at variance with earlier religious traditions **How Can We Know What God Means** J. Gracia, 2001-09-21 In spite of the growth of secularization technology and science statistics tell us that religious conversions are on the rise and the number of people who take religion and divine revelation seriously is at an all-time high This phenomenon curiously enough has increased rather than decreased both inter and intra religious conflicts Protestants fight Catholics in Northern Ireland Serbian Greek Orthodox fight with Kosovo Moslems in Yugoslavia Jews fight with Moslems in Palestine Hindus fight with Moslems in India and the list is seemingly endless There is bitter disagreement also

in dealing with revelation even within the same religious traditions and with regard to the same scriptures Liberal Christians reject the literal interpretation of the Christian scriptures favored by Evangelicals many Protestant groups do not accept the role of tradition in interpretation which Roman Catholics consider essential Orthodox Jews strictly follow eating regulations presented in the Torah but Reformed Jews take these in a different sense The sources of these disagreements vary considerably Some are rooted in historical events and traditions but quite often they signal deep confusions concerning the interpretation of what believers take to be divinely revealed In recent years the author claims the confusion has been compounded by the rise in the number and variety of interpretational approaches that are used to understand revelation One can now take a culturalist sociological literary psychoanalytical historical political philosophical or feminist interpretations to name just a few approach But do these all necessarily make sense when applied to religious texts These and other questions cry out for answers which seldom are even attempted in the pertinent literature This book offers a novel and sustained philosophical treatment of religious hermeneutics in which the author considers the main alternatives available in today s marketplace The book is neither ideologically partisan nor thematically narrow and should be of interest to anyone concerned with interpreting the divine word It offers a sensible roadmap to a topic that continues to draw heated debate in philosophy theology sociology history and literary studies

The Works of John Locke Locke,1740 *Works John Locke*,1751 *The Works John Locke*,1751 **The Works of John Locke, Esq** John Locke,1751 **Contemporary Perspectives on Revelation and Qu'ranic Hermeneutics** Akbar Ali Akbar,2019-11-27 A number of innovative hermeneutical approaches emerged in Muslim exegetical discourse in the second half of the 20th century Among these developments is a trend of systematic reform theology that emphasises a humanistic approach whereby revelation is understood to be dependent not only upon its initiator God but also upon its recipient Prophet Muhammad who takes an active role in the process Ali Akbar examines the works of four noted scholars of Islam Fazlur Rahman Pakistan Abdolkarim Soroush Iran Muhammad Murtaza Shabestari Iran and Nasr Hamid Abu Zayd Egypt His study shows that the consequences of taking a humanistic approach to understanding revelation are not confined to the realm of speculation about God human relations but also to interpreting Qur'anic socio political precepts And the four scholars emerge as a distinctive group of Muslim thinkers who open up a new horizon in contemporary Islamic discourse
