Recent American Fiction Some Critical Views:

The Absurd Hero in American Fiction David D. Galloway, 1981-06-01 When *The Absurd Hero in American Fiction* was first released in 1966 Granville Hicks praised it in a lead article for the *Saturday Review* as a sensitive and definitive study of a new trend in postwar American literature In the years that followed David Galloway's analysis of the writings of John Updike William Styron Saul Bellow and J D Salinger became a standard critical work an indispensable tool for readers concerned with contemporary American literature The *New York Times* described the book as a seminal study of the modern literary imagination David Galloway himself an established novelist later extensively revised *The Absurd Hero* to include authoritative discussions of more than a dozen novels which had appeared since the first revised edition was released in 1970 Among them are John Updike's *Couples* *Rabbit Redux* and *The Coup* William Styron's *The Confessions of Nat Turner* and *Sophie's Choice* and Saul Bellow's *Mr Sammler's Planet* and *Humboldt's Gift* Through detailed analyses of these works Galloway demonstrates the continuing relevance of his own provocative concept of the absurd hero and provides important insights into the literary achievements of four of America's most influential postwar novelists [A History of American Literature](#) Richard Gray, 2011-09-23 Updated throughout and with much new material *A History of American Literature* Second Edition is the most up to date and comprehensive survey available of the myriad forms of American Literature from pre Columbian times to the present The most comprehensive and up to date history of American literature available today Covers fiction poetry drama and non fiction as well as other forms of literature including folktale spirituals the detective story the thriller and science fiction Explores the plural character of American literature including the contributions made by African American Native American Hispanic and Asian American writers Considers how our understanding of American literature has changed over the past thirty years Situates American literature in the contexts of American history politics and society Offers an invaluable introduction to American literature for students at all levels academic and general readers

Powerless Fictions? Ricardo Miguel-Alfonso, 2023-04-12 *Postmodern Studies* deals with any aspect of postmodernism or of postmodernity and the postmodern in relation to literature **Fictional Space in the Modernist and Post-modernist American Novel** Carl Darryl Malmgren, 1985 Fictional space is the imaginal expanse of field created by fictional discourse a space which through ultimately self referential and self validating necessarily exists in ascertainable relation to the real world outside the text After defining his theoretical framework the author applies it to American fiction of the twentieth century *Seven American Women Writers of the Twentieth Century* Maureen Howard, 1977-01-01 *Seven American Women Writers of the Twentieth Century* was first published in 1977 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions [Encyclopedia of American Literature](#) Manly, Inc., 2013-06 Susan Clair Imbarrato Carol Berkin Brett Barney Lisa Paddock Matthew J Brucoli George Parker Anderson Judith S *Black Professional Women in Recent American Fiction*

Carmen Rose Marshall,2015-01-24 The last three decades of the 20th century have marked the triumph of many black professional women against great odds in the workplace Despite their success few novels celebrate their accomplishments Black middle class professional women want to see themselves realistically portrayed by protagonists who work to achieve significant productivity and visibility in their careers desire stability in their personal lives aspire to accrue wealth and live elegantly though not consumptively The author contends that most recent American realistic fiction fails to represent black professional women protagonists performing their work effectively in the workplace Identifying the extent to which contemporary novels satisfy the readerly desires of black middle class women readers this book investigates why the readership wants the texts as well as what they prefer in the books they buy It also examines the technical and cultural factors that contribute to the lack of books with self empowered black professional female protagonists and considers *The Salt Eaters* by Toni Cade Bambara and *Waiting to Exhale* by Terry McMillan two novels that function as significant markers in the development of contemporary black women writers texts

Historical Dictionary of the Beat Movement Paul Varner,2012-06-21 The Beat Movement was one of the most radical and innovative literary and arts movements of the 20th century and the history of the Beat Movement is still being written in the early years of the 21st century Unlike other kinds of literary and artistic movements the Beat Movement is self perpetuating After the 1950s generation headlined by Jack Kerouac Allen Ginsberg and William S Burroughs a new generation arose in the 1960s led by writers such as Diane Wakoski Anne Waldman and poets from the East Side Scene In the 1970s and 1980s writers from the Poetry Project at St Mark s Church and contributors to *World* magazine continued the movement The 1980s and 1990s Language Movement saw itself as an outgrowth and progression of previous Beat aesthetics Today poets and writers in San Francisco still gather at City Lights Bookstore and in Boulder at the Jack Kerouac School of Disembodied Poetics and continue the movement It is now a postmodern movement and probably would be unrecognizable to the earliest Beats It may even be in the process of finally shedding the name Beat But the Movement continues The *Historical Dictionary of the Beat Movement* covers the movement s history through a chronology an introductory essay and an extensive bibliography The dictionary section has over 700 cross referenced entries on significant people themes critical issues and the most significant novels poems and volumes of poetry and prose that have formed the Beat canon This book is an excellent access point for students researchers and anyone wanting to know more about the Beat Movement

Encyclopedia of the American Novel Abby H. P. Werlock,2015-04-22 Praise for the print edition no other reference work on American fiction brings together such an array of authors and texts as this **Conversations with Saul Bellow** Saul Bellow,1993 **Comparative Literary Dimensions** Jay L. Halio,Ben Siegel,2000 *Comparative Literary Dimensions* like its companion volume *American Literary Dimensions* honors the memory of Melvin J Friedman The authors studied include James Joyce Robert Graves and Virginia Woolf A wide range of classical and modern writers and literary themes and concepts are discussed by international scholar critics such as Haskell Block

Zack Bowen and Owen Aldrich The volume concludes with Jackson Bryer's detailed bibliography of Melvin Friedman's singular contribution to the study of modern literature Fact and Fiction John Hollowell, 2017-11-01 Journalists and novelists responded to the pervasive social changes of the 1960s in America with a variety of experiments in nonfiction Those who have praised the vitality of the new journalism have seen it as a fusion of the journalist's passion for detail and the novelist's moral vision Hollowell presents a critically sharp portrait of what the new journalists and novelists are doing and why The author concludes that future writing will further obscure the difference between fact and fiction Originally published in 1977 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

Flannery O'Connor-Aw Stanley Edgar Hyman, Flannery O'Connor American Writers 54 was first published in 1966 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions The Jewish American Novel Philippe Codde, 2007 Philippe Codde provides a comparative cultural analysis of the unprecedented success of the Jewish novel in the postwar United States by situating the process and event in the context of three closely related American cultural movements the popularity in the US of French philosophical and literary existentialism the increasing visibility of the Holocaust in US American life and the advent of radical theology Codde argues that the literary repertoire of the postwar Jewish novel consists of an amalgam of these cultural elements that were making their mark in the political religious and philosophical systems of the United States at the time and that this explains in part the Jewish novel's sweeping success in the American literary system **What America Read** Gordon Hutner, 2009 Despite the vigorous study of modern American fiction today's readers are only familiar with a partial shelf of a vast library Gordon Hutner describes the distorted canonized history of the twentieth century American novel as a record of modern classic *An American Dreamer* Andrew Gordon, 1980 Interprets Mailer's fiction in much the same way as Freud analyzed the meaning of dreams in *The Interpretation of Dreams* Applies the theories of human development and personality elaborated by such post-Freudians as Otto Fenichel Melanie Klein and Erik Erikson and considers Mailer's own use in his fiction of the hypotheses of Freud and of Wilhelm Reich The Eternal Crossroads Leon V. Driskell, Joan T. Brittain, 2021-10-21 Flannery O'Connor was a writer of extraordinary power and virtuosity Her strong supple prose blends humor pathos satire and grotesquerie which leads the reader to the evil at the center of the self's labyrinth There she confronts that evil with originality and power pulling the reader into consideration of the terrifying dependencies of love in the recesses of the heart This study focuses on Flannery O'Connor's sense of the coincidence of the eternal and cosmic with worldly time and place the eternal crossroads and how that sense controls and infuses her fiction From an examination of various influences upon Miss O'Connor's work Pierre Teilhard de Chardin Mauriac

Nathaniel West and Hawthorne the authors consider her novels and stories as well as several stories never collected Their textual analysis shows that her structures images motifs and symbols became vehicles for anagogical meaning as she progressed from early promise to artistic fulfillment Considering Miss O Connor s own comments on her writing the authors illuminate some frequently misunderstood features of her work such as her grotesques and her stress on death and violence In so doing they make an important contribution to our understanding of how Flannery O Connor arrived at the eternal crossroads
