The Making of Martyrdom in Modern Twelver Shi'ism Adel Hashemi,2022-02-24 In Twelver Shi a Islam the wait for the return of the

Twelfth Imam Muhammad ibn al Hasan al Mahdi at the end of time overshadowed the value of actively seeking martyrdom. However, what is the place of martyrdom in Twelver Shi'ism today? This book shows that the Islamic revolution in Iran resulted in the marriage of Shi'i messianism and extreme political activism, changing the mindset of the Shi'a worldwide. Suddenly, each drop of martyrs' blood brought the return of al Mahdi one step closer, and the Islamic Republic of Iran supposedly became the prelude to the foretold world revolution of al Mahdi. Adel Hashemi traces the unexplored area of Shi'i discourse on martyrdom from the 1979 revolution when the Islamic Republic's leaders cultivated the culture of martyrdom to topple the Shah's regime to the dramatic shift in the understanding of martyrdom today. Also included are the reaction to the Syrian crisis, the region's war with ISIS and other Salafi groups, and the renewed commitment to the defense of shrines. This book shows the striking shifts in the meaning of martyrdom in Shi'ism, revealing the real relevance of the concept to the present-day Muslim world.

The Era of the Martyrs Aaltje Hidding, 2020-08-24 One of the most traumatic experiences of Late Antique Christians was the Great Persecution begun by Emperor Diocletian and his Tetrarchic colleagues in 303 CE. Here Aaltje Hidding unites research of traditional memory studies with work done by cognitive scientists to examine how they remembered the Persecution. The resulting methodological framework, the cognitive ecology systemically studies all what can be covered by this term: social surroundings, cognitive artefacts, and the physical environment, and bridges the gap between individual and collective memory. The author analyses the remembrance of the Persecution in three different regions along the Nile river. In Oxyrhynchus, the thousands of papyrus fragments found at the city's rubbish dump give a vivid image of the martyrs in the daily lives of the Oxyrhynchites. In Antinoopolis, known for the cult of the physician saint Colluthus, she zooms in on the rituals and practices at a martyr's sanctuary. Finally, in Dandara, the rich hagiographical dossier of the anchorite Paphnutius shows how old memories of the Persecution became mixed with new monastic experiences. The Bohairic and Greek Passion of Paphnutius appear in their first complete English translations.

In the Homes of Martyrs James Anthony Walsh, 1922

The Fiction of Valerie Martin Veronica Makowsky, 2016-03-21 In the first book-length study of Valerie Martin's fiction, Veronica Makowsky explores the work of this lauded but often overlooked contemporary novelist. Winner of the Orange Prize for her novel *Property* (2003), Martin also won the Kafka Prize for *Mary Reilly* (1990), which was then translated into sixteen languages and made into a popular film. Despite these successes, her critically acclaimed novels and stories have yet to attain a broad readership. Makowsky addresses this disconnect through a detailed critical study of Martin's distinguished oeuvre, grounding each work in its historical, cultural, and theoretical contexts. Makowsky begins with a sketch of Martin's life and then considers each of her ten novels and four collections of short stories. Throughout, Makowsky's deft critique reveals Martin to be an astute observer of people and places. Pointing to both early works like *A Recent Martyr* (1987) and recent books such as *The Ghost of the Mary Celeste* (2014), Makowsky identifies a potent mixture of pleasure and fear in Martin's writing that emphasizes the author's nuanced exploration of human imagination. Notable too

are Martin's literary techniques especially point of view and her allusions to masterpieces in Western literature. The works of Henry and William James in particular influenced Martin's thematic blend of intellectualism and empathy evident in her rounded depictions of women in works like *Italian Fever* 1999 and *The Great Divorce* 1994. A rich and substantive study. The Fiction of Valerie Martin demonstrates and deconstructs the mastery of this thought provoking author in turn firmly establishing Martin's place in the canon of contemporary writers. **Women and Asian Religions** Zayn R.

Kassam, 2017-06-22 Covering eclectic topics ranging from South Asian religion to motherhood to world dance to ethnomusicology this book focuses on contemporary selected experiences of women and how their lives interface with religion. Religion has often been perceived as the source of constriction for women's roles in society. This volume explores how modern women across Asia are mobilizing their faith traditions to address existential issues encountered in both the public and private realms relating to economics public participation politics and culture. As such it is revealed that religion can be a powerful force for social change and ameliorating women's lives despite use of religious doctrine in the past to limit women. Editor Zayn R. Kassam PhD and the contributors cover not only the commonly considered Asian traditions of Hinduism Islam and Buddhism but also Christianity Judaism Bahai and indigenous traditions. The book reveals that the challenges and opportunities Asian women face arise both from within and outside whether in terms of developments within their countries or in relation to international political and economic regimes. The chapters explore how the issues Asian women face have as much to do with cultural and religious codes as they do with politics economics education and the law. Consider the varying ways in which family and motherhood are affected by the state's construction of the gendered citizen by social constructs of motherhood and by policies regarding women and children's access to health care and identify the roles played by religion and spirituality in these circumstances. DEAR SCOTLAND - A Martyr's Quincentennial Diary Jean

Whitford, 2014-09-25 This volume introduces the main theological topics of Reformation theology in a language that is clear and concise. The book begins with an essay that explains to students how one can approach the study of sixteenth century theology. It includes a guide to major events persons doctrines and movements. **Life of Patrick**

Hamilton, the First, and Walter Mill, the Last Martyr, of the First Reformation in Scotland. (John Brown, the Pious Carrier.). Margaret Jane, 1848 Global Terrorism and New Media Philip Seib, Dana M. Janbek, 2010-09-13 *Global Terrorism and New Media* carefully examines the content of terrorist websites and extremist television programming to

provide a comprehensive look at how terrorist groups use new media today Based partly on a content analysis of discussion boards and forums the authors share their findings on how terrorism 1.0 is migrating to 2.0 where the interactive nature of new media is used to build virtual organization and community Although the creative use of social networking tools such as Facebook may advance the reach of terrorist groups the impact of their use of new media remains uncertain The book pays particular attention to terrorist media efforts directed at women and children which are evidence of the long term strategy that some terrorist organizations have adopted and the relationship between terrorists media presence and actual terrorist activity This volume also looks at the future of terrorism online and analyzes lessons learned from counterterrorism strategies This book will be of much interest to students of terrorism studies media and communication studies security studies and political science

Inspiration and Canonicity of the Scriptures R. Laird Harris, 2008-09-01 In the modern debate on biblical interpretation and verbal inerrancy this book gives weighty evidence for the historic Christian position that the Bible the sacred canon is the very truth of God and that it can be interpreted understood and applied in our time The book considers the phenomena and data of the Bible and finds them consistent with the teaching of Christ and the apostles that they are both true and meaningful in any culture Inspiration of the Bible and the canonical status of its books are closely interrelated matters but the treatment of both subjects in one volume is all too rare In the treatment of the canon the book quotes extensively from the sources the very early Christian writers as well as recent finds the Dead Sea Scrolls and the books and papyri from Nag Hammadi in Egypt It combines the extensive historical evidence with the witness and claims of the Bible itself Reviews of the original work that it was well documented and thorough but profitable for any serious Christian layman are still applicable to the revised and updated edition

Salvation at Stake Brad S. Gregory, 2001-11-15 Thousands were executed for incompatible religious views in 16th century Europe The meaning and significance of those deaths are studied here comparatively providing an argument for the importance of martyrdom as a window onto religious sensibilities and a crucial component in the formation of divergent Christian traditions and identities

Ancient Apologetic Exegesis Stuart Parsons, 2015-02-05 New Testament scholarship uncovers much about first century Christianity Early Christian masters such as Origen and Augustine draw great attention to the third and following centuries Yet oddly despite this flood of attention to both the first century and to the third and later centuries the second century often escapes notice this despite its almost living memory of Jesus and his apostles from only a generation or two prior A distinctive biblical exegesis was used by those second century apologists who challenged Greco Roman pagan religionists Along with introducing the general shape of this ancient apologetic exegesis Ancient Apologetic Exegesis aims at its recovery as well Current literature often misunderstands or dismisses second century exegetical approaches But by looking behind anachronistic views of ancient genre literacy and rhetoric we can rediscover a forgotten form of early Christian exegesis

History, Hagiography and Biblical Exegesis Jennifer O'Reilly, 2019-05-31 When she died in 2016 Dr Jennifer O'Reilly

left behind a body of published and unpublished work in three areas of medieval studies the iconography of the Gospel Books produced in early medieval Ireland and Anglo Saxon England the writings of Bede and his older Irish contemporary Adomnán of Iona and the early lives of Thomas Becket In these three areas she explored the connections between historical texts artistic images and biblical exegesis This volume is a collection of 16 essays old and new relating history and exegesis in the writings of Bede and Adomnán and in the lives of Thomas Becket The first part consists of seven studies of Bede's writings notably his biblical commentaries and his Ecclesiastical History Two of the essays are published here for the first time The five studies in the second part devoted to Adomnán discuss his life of Saint Columba the *Vita Columbae* and his guide to the Holy Places *De locis sanctis* One essay The Bible as Map published posthumously compares his presentation of a major theme the earthly and heavenly Jerusalem with the approach adopted by Bede The third section consists of two essays on the lives of Thomas Becket that were composed shortly after his death They examine in the context of patristic exegesis the biblical images invoked in the texts in order to show how the saint's biographers understood the complex relationship between hagiography and history With the exception of the Jarrow Lecture on Bede and the essays on Becket the studies in both parts were published originally in edited books some of them now hard to come by CS1078

Passion of St. Anthony the Neomartyr D.P. Curtin, 2019-07-15 This hagiographical account is about the Arab saint St Anthony the Neomartyr and recounts his transformation from a hostile observer of Christianity to a devoted believer Initially he mocks and harasses Christians but after witnessing a miraculous event during a church service he becomes intrigued by the Christian faith Following a divine encounter with St Theodore he converts is baptized and faces persecution for his beliefs Despite attempts to persuade him to renounce his faith he remains steadfast and is ultimately martyred His story emphasizes themes of faith divine intervention and the struggle against persecution

Martyrdom Jolyon Mitchell, 2012-11-29 Martyrdom is not only a sharply contested term and act but it has a long history of provoking controversy One person's martyr is another's terrorist and one person's martyrdom operation is another's suicide bombing Suicide attacks have made recurring questions about martyrdom more pertinent to current discussions What is martyrdom Why are some people drawn towards giving up their lives as martyrs What place does religion play in inciting and creating martyrs How are martyrs made Why are some martyrs and martyrdoms remembered more than others How helpful is the distinction between active and passive martyrdoms In order both to answer such questions and to understand the contemporary debates about martyrdom it is helpful to consider its diverse roots In this Very Short Introduction Jolyon Mitchell provides a historical analysis to shed light on how the concept and practice of martyrdom has evolved as well as the different ways in which it is used today
