Regional Policy And Local Governments

**María del Carmen Sánchez-
Carreira, Paulo Jorge Reis
Mourão, Bruno Blanco-Varela**

Regional Policy And Local Governments:

Regional Policy in China Marek Świstak, 2022-12-12 Currently much is said about the directions of development of modern China. However, we still do not know what will determine the expected superpower position of the Middle Kingdom. The book is an attempt to answer questions about China's main development challenges from a regional perspective. China aspires to become the country with the largest economy and development potential. This intention may turn out to be in vain if such significant disparities and development imbalances in the regional system are still present in China. The key to understanding the transformation of contemporary China is to recognize the internal determinants of the functioning of both the state and the economy from a regional perspective. A better understanding of the ways of managing regional development disparities may contribute to a more accurate assessment of the dynamics and directions of China's socio-economic development.

Regional Policy and Planning in Europe Paul Balchin, Ludek Sykora, Gregory Bull, 2002-06-01 Regional Policy and Planning in Europe explores the ways regional policy and planning systems across Europe have been influenced by economic and monetary union, the impending enlargement of the European Union, the devolution of administrative power from central government to regional authorities, the increased importance of environmental and urban issues. Presenting a comprehensive overview of the economic basis of integration, this book examines the evolution of various systems of government planning and forms of devolution.

Regional Policy Ugo Fratesi, 2023-11-08 Regional policy is an essential in any government's toolkit for promoting socioeconomic prosperity. It comes in many forms and can be used to target the development of weak and stronger regions. This textbook provides comprehensive and systematic coverage of regional policy, dealing with core theories and looking at contemporary challenges in practice, addressing regional policy across the world. Structured in four parts, the book opens with an exploration of regional policy's characterisation, aims, and rationale. The second part is devoted to issues of implementation and the instruments available to policymakers for intervention. The third part addresses regional policy evaluation as well as statistics and modelling in policymaking. Finally, the book discusses how regional policy is applied in different contexts. Each chapter contains real-life examples of a regional policy topic in action and highlights supplementary topics for advanced readers. With its broad coverage of the subject, *Regional Policy: Theory and Practice* will prove a valuable resource for advanced students, researchers, and practitioners in regional policy, regional economics, economic geography, planning, and public policy.

Regional Policy and Local Governments Gy Horvath, 1991-01-01

The Coherence of EU Regional Policy John Bachtler, Ivan Turok, 2013-12-16 This book brings together a rich selection of up-to-date practical experience of EU regional policy from across Europe. It provides different perspectives on the design and operation of regional development strategies under the Structural Funds from people closely involved in studying, managing, or advising on the process at EU national and regional levels. It therefore offers a more comprehensive and detailed understanding of the structural policies than has been available hitherto. This will prove

particularly useful to researchers practitioners and students interested in European regional policies and processes

European Regional Policy and Development María del Carmen Sánchez-Carreira, Paulo Jorge Reis Mourão, Bruno Blanco-Varela, 2023-07-18 The shortcomings of traditional regional policies led to a major policy. Thus regions have become more active in the design and implementation of policies following a bottom up approach and involving the participation of the local community in strategic planning as opposed to the traditional top down method. This book addresses regional development theories and policies with a special focus on forgotten places and raises emerging questions about recent theoretical advances as well as trends and challenges in the field. It examines two main and related issues: the crucial role of regional actors for development and the role of Forgotten Spaces. It emphasizes the spatial territorial approaches from different theoretical perspectives underlining place based approaches and compares the experiences of both successful and failed cases attempting to identify lessons and policy recommendations as well as adding empirical evidence to this field. The different cases presented which focus on Forgotten Spaces allow the reader to assess the role of different actors for regional development as well as some sectoral approaches. While there is a clear focus on European countries with different geographical institutional and sociocultural characteristics the book also examines good and bad examples of regional development and policies related to forgotten places from different regions worldwide including developed and developing countries. The book benefits from contributions from over 20 authors from different nationalities and a rich diversity of case studies approaches and methods of discussion. The authors discuss practical examples and more complex theoretical approaches involving techniques of spatial analysis spatial econometrics social networks content analysis as well as regional planning techniques. The book will appeal to an interdisciplinary audience and will provide academicians politicians and policy designers with original and detailed analyses.

OECD Rural Studies Adapting Regional Policy in Korea Preparing Regions for Demographic Change OECD, 2022-06-23 The study is part of the OECD work stream Preparing Regions for Demographic Change a megatrend that affects several important dimensions of public policy. The following three of them are particularly relevant for Korea's regions and rural places: i workforce dimension ii social dimension and iii governance dimension. The report consists of three chapters.

Handbook of Public Policy in Europe H. Compston, 2004-10-01 The Handbook of Public Policy in Europe provides an invaluable overview of the content of public policy across the full range of policy areas in Britain France and Germany. It is designed to be used by students experts and practitioners both to help compare public policy across different policy areas and countries and as a source of information on individual policy areas. Each chapter describes the nature of public policy in a particular area makes detailed comparisons of selected aspects and outlines recent developments. Detailed Internet references are also provided.

Regional Policy in the Southern African Development Community J. Ernst Drewes, Mariske van Aswegen, 2024-03-19 This book analyses regional development policy or the lack thereof in the Southern African Development Community SADC which forms a key trading bloc on the African

continent as well as the Global South It explores the main attributes relevant to the formulation of regional policy in terms of socio economic policies as well as spatial planning instruments Further it integrates macro and sectoral policy frameworks and applies the goals and objectives thereof practically through the appropriate and timely application of spatial targeting instruments within the SADC as a developing region The focus of the research is to reflect on the social economic environmental and political arguments through a focused analysis of relevant planning instruments policies and barriers in terms of the regional policy goals for the SADC region The book provides insight into the role of the SADC in the context of regional development analyses regional policy on a national regional and continental scale with reference to the SADC and evaluates the inherent potential in the regional economy as well as barriers to regional development It identifies gaps in the existing regional policy framework of the region and its constituent members and makes recommendations for improved regional policy frameworks and their implementation The book is targeted at scholars researchers and students studying international trade as well as regional and economic development and urban and regional planning and policy It will also be a useful resource for policymakers as it provides practical policy guidelines for improved regional planning towards a comprehensive regional policy framework The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

Local Policy-making and Management Needs Perceptions of Local Government Officials Center for Governmental Studies (Washington, D.C.),1975

Institutions and Regional Labour Markets in Europe Lambert van der Laan,Santos M. Ruesga,2019-05-23 First published in 1998 this volume examines the performance of labour markets against the background of different economic and institutional settings in Western and Eastern Europe The book gives a clear picture of the mosaic of impressive transformations presently taking place in Western and Eastern European labour markets and provides access to information which was previously either widely dispersed or non existent The book gives detailed information about how countries and regions deal with transformations described The substantive country wide and regional diversity that is discussed allows the reader to understand the role of labour and institutions in the development of countries and regions The book is written by labour market and regional experts from the various countries concerned

Regional Development Strategies Jeremy Alden,Philip Boland,2013-10-18 Regional development strategies have become the focus of attention in many countries in the 1990s This textbook provides a conceptual theoretical and empirical analysis of regional development strategies within a European context It examines the various regional development strategies which are currently being pursued within the regions of Europe defined in its loosest term to include East and West The book describes how many different European regions are attempting to reduce regional disparities by engaging themselves in coherent and focused regional development strategies and there is also private sector approach to regional economic development There are many case studies from Europe and from other parts of the world including Japan thereby providing lessons that different countries

and regions can learn from each other *Is There a Future for Regional Government?* Great Britain: Parliament: House of Commons: ODPM: Housing, Planning, Local Government and the Regions Committee, 2006-03-15 Is there a future for regional Government Session 2005 06 Vol 2 Written Evidence **Governance, Institutional Change and Regional Development** Mike Danson, Henrick Halkier, Greta Cameron, 2018-02-05 This title was first published in 2000 This volume addresses the prominent role given to institution building institutional change and governance in the regional development strategies and policies The establishment of the Scottish Parliament Welsh and Northern Ireland Assemblies and the arrival of regional development agencies in England highlighted the need to put the initiatives into some context drawing on experience from across Europe on the critical factors in the determination of the potential and success of regions Central to the discussions presented here by a group of European experts are the question of governance how does an ongoing process of institution building affect the ways in which regions and localities are governed including questions of democracy participation regional self determination public private partnerships networks and accountability and the consequences of new modes of governance and institutional change for regional development strategies and policies particularly in the context of large scale industrial restructuring and city region and urban regeneration **The Great Change in the Regional Economy of China under the New Normal** Xiaowu Song, Shiguo Wu, Xin Xu, 2019-11-02 This book provides a comparative analysis of the regional development strategies of east west northeast and central China and the development of important economic regions including the Yangtze River Delta the Pearl River Delta Beijing Tianjin Hebei Region the middle reaches of the Yangtze River Chengdu Chongqing and central southern areas of Liaoning Province The book reveals some key issues faced in China's regional development and analyzes their causes while delving into new trends of regional development since the 18th CPC National Congress The book concludes by proposing new ideas for regional development under the new normal and analyzing experiences of other major powers in carrying out coordinated regional development This book will be of interest to urbanists journalists and China scholars **Regional Policy in a Changing World** Niles Hansen, Benjamin Higgins, Donald J. Savoie, 2013-06-29 *Globalization and Decentralization* Jong S. Jun, Deil S. Wright, 1996 The twenty contributors and the editors provide new insights into the domestic consequences of global interdependence by examining emerging strategies for dealing with environmental concerns urban problems infrastructure investments financial policies and human services issues **Urban and Regional Policies for Metropolitan Livability** David K. Hamilton, 2008-02-12 In today's public policy arena the regional level is gaining increased attention as problems in policy and service delivery continue to spill over traditional urban government boundaries This authoritative work focuses on the growing role of regions in addressing and resolving local governance problems Urban and Regional Policies for Metropolitan Livability provides a concise up to date and systematic treatment of the problems and issues involved in urban and regional policy concerns Each policy chapter is written by a respected expert in the area and the book covers all the key

policy issues that confront contemporary metropolitan areas including transportation the environment affordable housing crime employment poverty education and regional governance Each chapter outlines an issue which is followed by current thinking on problem diagnosis and problem solving as well as the prognosis for future policy success **Governance of Europe's City Regions** Tassilo Herrschel, Peter Newman, 2003-08-27 Governance of Europe's City Regions is a structured overview of current debates on cities and regions It clarifies contemporary debates about regionalism and contributes new insights into the theory of new regionalism **Adapting to EU Multi-Level Governance** Panagiotis Getimis, 2016-12-05 The main theme of this book is the adaptation process of the new EU member states from Central Eastern Europe Hungary and Poland to the multi level system of governance in public policy particularly in the regional and environmental policy areas The work conceptualizes policy learning and institutional and policy adaptation within the EU system of governance and draws lessons from the experience of previous waves of enlargement cohesion countries Ireland Portugal and Greece In doing so the book makes an important contribution to the literature on the transformation of domestic policy making structures as a result of the increasing Europeanization of public policy as well as on the conceptual tools explanatory variables and mechanisms determining this process

Regional Policy And Local Governments Introduction

In the digital age, access to information has become easier than ever before. The ability to download Regional Policy And Local Governments has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Regional Policy And Local Governments has opened up a world of possibilities. Downloading Regional Policy And Local Governments provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Regional Policy And Local Governments has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Regional Policy And Local Governments. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Regional Policy And Local Governments. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Regional Policy And Local Governments, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Regional Policy And Local Governments has transformed

the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Regional Policy And Local Governments Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Regional Policy And Local Governments is one of the best book in our library for free trial. We provide copy of Regional Policy And Local Governments in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Regional Policy And Local Governments. Where to download Regional Policy And Local Governments online for free? Are you looking for Regional Policy And Local Governments PDF? This is definitely going to save you time and cash in something you should think about.
