Regional Policy And Regional Integration:

Regional Policy and Regional Integration Niles M. Hansen, Kenneth John Button, Peter Nijkamp, 1996 Regional Policy and Regional Integration reprints the most important papers on those government policies that have an intentional and formal geographic focus These policies have typically been motivated by equity considerations such as reducing unemployment increasing incomes promoting structural adjustments or realizing development potentials While the main objective of regional policy is to improve conditions in deprived areas public resources must be used in such a way that these objectives are achieved efficiently The topics covered in this important volume include regional integration and urban systems income amenities and welfare infrastructure manufacturing services innovative milieux delineating planning regions and policy instruments Shaping Policy Reform and Peer Review in Southeast Asia Integrating Economies Amid Diversity

OECD, 2008-08-25 This publication examines the possible application of peer reviews to address regional and domestic challenges in Southeast Asia Regional Policy in the Southern African Development Community J. Ernst Drewes, Mariske van Aswegen, 2024-03-19 This book analyses regional development policy or the lack thereof in the Southern African Development Community SADC which forms a key trading bloc on the African continent as well as the Global South It explores the main attributes relevant to the formulation of regional policy in terms of socio economic policies as well as spatial planning instruments Further it integrates macro and sectoral policy frameworks and applies the goals and objectives thereof practically through the appropriate and timely application of spatial targeting instruments within the SADC as a developing region The focus of the research is to reflect on the social economic environmental and political arguments through a focused analysis of relevant planning instruments policies and barriers in terms of the regional policy goals for the SADC region The book provides insight into the role of the SADC in the context of regional development analyses regional policy on a national regional and continental scale with reference to the SADC and evaluates the inherent potential in the regional economy as well as barriers to regional development It identifies gaps in the existing regional policy framework of the region and its constituent members and makes recommendations for improved regional policy frameworks and their implementation The book is targeted at scholars researchers and students studying international trade as well as regional and economic development and urban and regional planning and policy It will also be a useful resource for policymakers as it provides practical policy guidelines for improved regional planning towards a comprehensive regional policy framework The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license *Regional Integration - Europe and Asia Compared* Woosik Moon, 2017-07-05 This book examines and compares the integration process in both Europe and Asia and draws some possible lessons for East Asia from the European experience The book embraces the political dimension of integration peace and security economic trade and monetary aspects as well as cultural aspects **Regional Governance and**

Policy-Making in South America Anne Marie Hoffmann, 2018-10-09 This book analyzes Latin American regional integration with a novel conceptual approach grounded in extensive field research Using the UNASUR Uni n de Naciones Suramericanas as a case study the author investigates the process of policy making in regional public policy fields in South America The project focuses on intergovernmental structures of regional organizations as an institutional framework for a variety of independent processes in regions It also challenges the perspective of democratic states as unitary actors and seeks to analyze the factors which favor or obstruct regional processes in different policy fields This work will appeal to researchers graduate students and anyone interested in Latin American politics and policy making *Regional Integration and Development* Maurice W. Schiff, L. Alan Winters, 2003 This text examines regionalism from the perspective of developing countries It presents a comprehensive account of existing theory and empirical results and incorporates the findings of formal analyses of the politics and dynamics of regionalism

Regional Governance in Post-NAFTA North America Brian Bow, Greg Anderson, 2014-10-30 Twenty years after NAFTA the consensus seems to be that the regional project in North America is dead The trade agreement was never followed up by new institutions that might cement a more ambitious regional community The Security and Prosperity Partnership SPP launched with some fanfare in 2005 was quietly discontinued in 2009 And new cooperative ventures like the US Canada Beyond the Border talks and the US Mexico Merida Initiative suggest that the three governments have reverted to the familiar pre NAFTA pattern of informal incremental bilateralism One could argue however that NAFTA itself has been buried and yet the region somehow lives on albeit in a form very different from regional integration in other parts of the world A diverse group of contributors from the United States Canada and Mexico with experience in academia government service think tanks and the private sector bring to bear a sophisticated and much needed examination of regional governance in North America its historical origins its connection to the regional distribution of power and the respective governments domestic institutions and the variance of its forms and function across different issue areas The editors begin by surveying the literature on North American regional politics matching up developments there with parallel debates and controversies in the broader literatures on comparative regional integration and international policy coordination more generally Six contributors later explore the mechanisms of policy coordination in specific issue areas each with an emphasis on a particular set of actors and with its own way of characterizing the relevant political and diplomatic dynamics Chapters on the political context for regional policy coordination follow leading to concluding remarks on the future of North America At a time when scholarly interest in North America seems to be waning even while important and interesting political and economic developments are taking place this volume will reinvigorate the study of North America as a region to better understand its past present and future

Regional Competition Peter W.J. Batey, Peter Friedrich, 2013-03-14 Many parts of the world are currently experiencing the outcome of processes of economic integration globalization and transformation Technological advances in

telecommunications and in transport facilities have opened up new possibilities for contracts and exchanges among regions External effects among regions have increased in importance As a result competition among regions has intensified Except some pioneering work by regional scientists and scholars of public finance and economics the phenomenon of regional competition has yet to attract the attention it warrants despite its importance for policy making The present volume is intended to remedy this neglect by providing high level contributions to the three main topics of the book the theory of regional competition methods of analysis of regional competition and policies of regional competition

Region-Building in Southern Africa Chris Saunders,Gwinyayi Albert Dzinesa,Dawn Nagar,2013-07-04 How successful have Southern African states been in dealing with the major issues that have faced the region in recent years What could be done to produce more cohesive and effective region building in Southern Africa In this original and wide ranging volume which draws on an interdisciplinary team of mainly African and African based specialists the key political socio economic and security challenges facing Southern Africa today are addressed These include the various issues confronting the Southern African Development Community SADC and its institutions such as HIV AIDS migration and xenophobia land grabbing and climate change and the role of the main external actors involved with the region including the United Nations the European Union the United States and China The book also looks at the Southern African Customs Union and Southern African Development Finance Institutions including the Development Bank of Southern Africa and Industrial Development Corporation and issues of gender and peacebuilding In doing so the book goes to the heart of analyzing the effectiveness of SADC and other regional organisation suggesting how region building in Southern Africa may be compared with similar attempts elsewhere in Africa and other parts of the world

Self-Determination and Secession in Africa Redie Bereketab,2014-08-07 This book provides a unique comparative study of the major secessionist and self determination movements in post colonial Africa examining theory international law charters of the United Nations and the Organisation of African Unity OAU African Union s AU stance on the issue The book explores whether self determination and secessionism lead to peace stability development and democratisation in conflict ridden societies particularly looking at the outcomes in Eritrea and South Sudan The book covers all the major attempts at self determination and secession on the continent extensively analysing the geo political economic security and ideological factors that determine the outcome of the quest for self determination and secession It reveals the lack of inherent clarity in international law social science theories OAU AU Charter UN Charters and international conventions concerning the topic This is a major contribution to the field and highly relevant for researchers and postgraduate students in African Studies Development Studies African Politics and History and Anthropology

The Euro Before the EU?
