Baugh, Kemp Malone, 1959 How to Find Out About Literature G. Chandler, 2014-05-09 How to Find Out About Literature aims to provide a general survey of literatures and a general indication of the dates of these literatures The book first elaborates on how to study and appreciate literature and how to trace literary works including exercises and universal and national bibliographies The text then examines how to trace poetry drama novels and prose foreign and subject bibliographies library and sale catalogues and guides to libraries and literary information on general reference books and encyclopedias The manuscript discusses how to trace literary information in handbooks and concordances to poetry and drama handbooks and reference books on novelists and prose writers dictionaries and guides to the English language and specialized subjects essays theses and periodical articles The text ponders on how to trace periodical articles and literary abstracts The book is a valuable reference for students and researchers in their studies **Michigan Alumnus**, 1949 Includes section Some Michigan books **The Cambridge Bibliography of English Literature** Frederick Wilse Bateson, 1940 *A Reference Guide for English Studies* Michael J. Marcuse, 2023-11-15 **Routledge Library Editions: Historiography** Various, 2021-06-23 The greatest problem in historical scholarship theoretically and practically is the relation between historians and their subject matter The past is gone and historians can

only study its remnants On what basis do scholars select certain facts from the mass of data left from the past How do they explain the interrelationship of the facts they select What criteria do they use to evaluate their subject The 35 volumes in this set originally published between 1926 and 1990 discuss and answer these essential questions faced by historians The development of historical understanding during the 18th and 19th centuries was one of the most striking features of Western culture Both historiography and historical thinking advanced as never before The historical movement of the 19th century was perhaps second only to the scientific revolution of the seventeenth century in transforming Western thought One consequence was extensive organisation and professionalization of research which the volumes in this set reflect
