To Read and To Know Bogdan Costea, Alexandru Costea, 2024-01-10 In some language groups Bible commentaries and translations are of lesser quality often due to the lack of training in Greek Hebrew and Aramaic for their authors and translators Additionally many commentaries are authored by those who are unfamiliar with the language church and culture of the target audience Further some language groups struggle with the quality of translations even of the biblical text itself A translation may not be based on the biblical languages but on a Bible translation in another modern language This can result in the theological perspective of the previous translators being unwittingly written into the subsequent translation How can these challenges be addressed In this volume of the Tyndale Theological Seminary Theses Series two brothers Bogdan and Alexandru Costea address these types of biblical studies issues in Romania Bogdan writes about the importance of having a Romanian commentary series that compares the biblical languages with the Romanian Bible versions used by Evangelicals and interacts with the Church Fathers Alexandru evaluates the meaning and implications of as translated in the Romanian Orthodox Bible a word commonly translated as save in many

English contexts These two men thus grapple with the core issues related to commentary production suitable for the Romanian context as well as provide a model for other language contexts Their interest in conjunction with that of Dr Octavian Baban and Dr H H Drake Williams III has helped to produce the *Seria Comentarii Exegetice Rom ne ti Oradea RO Decenu 2023*

**Jesus Tradition, Early Christian Memory, and Gospel Writing** Alan Kirk, 2023-08-15 Breaking a 200 year impasse on the origins of the gospels Biblical scholars want to get to the roots of the gospels the very earliest memories of Jesus and his world Though scholars know about all the major concepts at work Q the Urgospel priority it seems like a definitive solution to the Synoptic problem

is hopelessly unattainable Why the impasse And where do we go from here In Jesus Tradition Early Christian Memory and Gospel Writing Alan Kirk guides us through the history of biblical scholars quest for the authentic source Kirk reveals that outdated assumptions about ancient media realities have caused the past two centuries of academic deadlock Using cutting edge scholarship on orality memory and tradition formation he shows how the origins of the gospels may be found in the memory practices of the earliest Jesus communities Jesus Tradition Early Christian Memory and Gospel Writing is an essential resource for scholars and students looking to better understand this complex and rapidly changing field “See and Read All These Words” Chad L. Eggleston, 2016-02-08 Unusually for the Hebrew Bible the book of Jeremiah contains a high number of references to writers writing and the written word The book which was primarily written during the exilic period demonstrates a key moment in the ongoing integration of writing and the written word into ancient Israelite society Yet the book does not describe writing in the abstract Instead it provides an account of its own textualization thereby blurring the lines between the texts in the narrative and the texts that constitute the book Scrolls in Jeremiah become inextricably intertwined with the scroll of Jeremiah To authenticate the book of Jeremiah as the word of YHWH its tradents present a theological account of the chain of transmission from the divine to the prophet and then to the scribe and the written page Indeed the book of Jeremiah extends the chain of transmission beyond the written word to include the book of Jeremiah itself and finally a receiving audience To make the case for this chain of transmission See and Read s three exegetical chapters attend to writers YHWH prophets and scribes the written word and the receiving audience The first exegetical chapter describes the standard chain of transmission from the divine to the prophet to the scribe demonstrating that all three agents in this chain are imagined as writers and that writing was increasingly understood as a suitable conduit for the divine word The second exegetical chapter attends to the written word in Jeremiah especially Jeremiah s self references e g in this book all these words as a pivotal element in the extension of the chain of transmission beyond the words in the text to the words of the text Finally the third exegetical chapter considers the construction of the audience in the book of Jeremiah concluding that the written word as Jeremiah imagines it is to be received by a worshiping audience through public reading but delivered via textual intermediaries **From Creation to Abraham** John Day, 2021-11-18 John Day investigates disputed points of interpretation within Genesis 1 11 expanding on his earlier book From Creation to Babel with 11 stimulating essays Day considers the texts within their Near Eastern contexts and pays particular attention to the later history of interpretation and reception history Topics covered include the meaning of the Bible s first verse and what immediately follows as well as what it means that humanity is made in the image of God Further chapters examine the Garden of Eden the background and role of the serpent and the ambiguous role of Wisdom the many problems of interpretation in the Cain and Abel story as well as what gave rise to this story how the Covenant with Noah and the Noachic commandments though originally separate became conflated in some later Jewish thought and the location of Ur of the

Chaldaeans Abraham's alleged place of origin and how this was later misinterpreted by Jewish Christian and Islamic sources as referring to a fiery furnace of the Chaldaeans These chapters which illuminate the meaning background and subsequent interpretation of the Book of Genesis pave the way for Day's forthcoming ICC commentary on Genesis 1:11 Praise and Petition in the Old Testament Erhard S. Gerstenberger, 2024-06-18 For six decades Erhard Gerstenberger was a leader in the study of the Psalms and ancient Israelite poetry The essays in this volume bring together some of his key contributions reflecting on two fundamental forms of prayer in the biblical tradition praise and petition Both the student and the experienced researcher will be enriched by the depth and clarity of perspective that Gerstenberger brings One of the essays chapter 4 appears here for the first time in any language Contents 1 Petition and Praise Basic Forms of Prayer in Babylonian and Hebrew Traditions 2 Where Is God The Cry of the Psalmist 3 Complaint and Confession Psalm 69 4 Form Criticism in Action Psalm 22 5 New Form Criticism Psalm 55 6 Jeremiah's Complaints Observations on Jer 15:1-21 7 Elusive Lamentations What Are They About *Kaiser, Christ, and Canaan* Paul Michael Kurtz, 2018-10-29 Back cover What did biblical scholars theologians orientalist philologists and ancient historians of the 19th century consider religion and history to be How did they understand these conceptual categories and why did they study them in the manner they did Analyzing the figures of Julius Wellhausen and Hermann Gunkel Paul Michael Kurtz examines the historiography of ancient Israel in the German Empire through the prism of religion as a structuring framework not only for writings on the past but also for the writers of that past themselves Sexuality and Law in the Torah Hilary Lipka, Bruce Wells, 2020-03-19 This book examines many of the laws in the Torah governing sexual relations and the often implicit motivations underlying them It also considers texts beyond the laws in which legal traditions and ideas concerning sexual behavior intersect and provide insight into ancient Israel's social norms The book includes extended treatments on the nature and function of marriage and divorce in ancient Israel the variation in sexual rules due to status and gender the prohibition on male with male sex and the different types of sexualities that may have existed in ancient Israel The essays draw on a variety of methodologies and approaches including narrative criticism philological analysis literary theory feminist and gender theory anthropological models and comparative analysis They cover content ranging from the narratives in Genesis to the laws of Exodus Leviticus and Deuteronomy to later re-interpretations of pentateuchal laws in Jeremiah and texts from the Second Temple period Overall the book presents a combination of theoretical discussion and close textual analysis to shed new light on the connections between law and sexuality within the Torah and beyond *DELIVERANCE THROUGH RESTORATION OF HONOR: SHAME AND HONOR IN PSALM 22* Jose Manuel S. Espeso, 2023-12-06 This book shows that in Psalm 22 the psalmist complains to God about his shame experiences and he prays to him for his deliverance from shame and the restoration of his honor The book also presents the shame and honor values and means found in Psalm 22 which are related to the shame and honor status of the psalmist It discusses the social values of patronage kinship family and trust which are the key values the

psalmist held on to maintain his honor are discussed in the book It also explains the means of forsakenness abandonment taunt speeches nakedness and feast meal that factor in the psalmist's shame and honor The book also surveys the different deliverance terms which convey the psalmist's deliverance from shame It shows Yahweh's active role in the restoration of the psalmist from shame to honor The study adds an overview of the similarities and differences of how the same values and means were practiced in the Mediterranean and Mesopotamian and Israelite backgrounds

**Vindicating Vengeance and Violence?** Elisabet Nord, 2023-11-22 Psalms that seem to vindicate vengeance and violence are generally omitted from liturgy as exemplified in most breviaries used by worshipping communities around the world Although seldom read the so called cursing psalms are known to many as their imprecatory passages pose challenges for readers who wish to use the entire Book of Psalms as their book of prayer Because passages that call for vengeance and violence are present throughout the psalm collection and often intertwined with the most exquisite things as noted by C S Lewis both liturgists and laypeople need to find substantial hermeneutical strategies that can help answer what to make of imprecatory passages But despite the ample exegetical advice made available through commentary literature past and present worshippers are stuck at a point of convergence between exegetical support and liturgical rejection Through the process of metacommentary on Psalms 58 109 137 and 139 Elisabet Nord identifies three popular and generic hermeneutical approaches often applied to cursing psalms including the tacit preconceived notions of these prominent approaches The latter helps to uncover the liturgical relevance and sometimes lack thereof of scholarly advice on how to interpret and navigate psalms calling for vengeance and violence as prayers

**Social Memory among the Literati of Yehud** Ehud Ben Zvi, 2019-07-22 Ehud Ben Zvi has been at the forefront of exploring how the study of social memory contributes to our understanding of the intellectual world of the literati of the early Second Temple period and their textual repertoire Many of his studies on the matter and several new relevant works are here collected together providing a very useful resource for furthering research and teaching in this area The essays included here address inter alia prophets as sites of memory kings as sites of memory Jerusalem as a site of memory a mnemonic system shaped by two interacting national histories matters of identity and othering as framed and explored via memories mnemonic metanarratives making sense of the past and serving various didactic purposes and their problems memories of past and future events shared by the literati issues of gender constructions and memory memories understood by the group as counterfactual and their importance and in multiple ways how and why shared memories served as a safe playground for exploring multiple central ideological issues within the group and of generative grammars governing systemic preferences and dispreferences for particular memories

**Beyond Orality** Jacqueline Vayntrub, 2019-03-04 Central to understanding the prophecy and prayer of the Hebrew Bible are the unspoken assumptions that shaped them their genres Modern scholars describe these works as poetry but there was no corresponding ancient Hebrew term or concept Scholars also typically assume it began as oral literature a concept based

more in evolutionist assumptions than evidence Is biblical poetry a purely modern fiction or is there a more fundamental reason why its definition escapes us Beyond Orality Biblical Poetry on its Own Terms changes the debate by showing how biblical poetry has worked as a mirror reflecting each era s own self image of verbal art Yet Vayntrub also shows that this problem is rooted in a crucial pattern within the Bible itself the texts we recognize as poetry are framed as powerful and ancient verbal performances dramatic speeches from the past The Bible s creators presented what we call poetry in terms of their own image of the ancient and the oral and understanding their native theories of Hebrew verbal art gives us a new basis to rethink our own
