Miller,Kelli Nigh,2017-03-01 Learning often begins with an experience in the body Our body can tighten or feel expansive

depending on different learning contexts This experience of learning in the body is crucial to holistic education This book explores embodied learning from several perspectives This first section explores how psychology can inform us about embodied learning for example the work of Carl Jung and Wilhelm Reich devoted much of their thinking to how energy manifests itself in the body Meditation and movement are also examined as ways of embodied learning for example Dalcroze a form of movement education is presented within the context of whole person education The book also presents schools where embodied learning is nurtured Waldorf education is discussed as well as a public school in Toronto where the body is central to holistic education The book also presents visions of embodied learning John Miller presents a holistic vision of teacher education and Tobin Hart who has written extensively in this field writes about the embodied mind Embodied learning is an emerging area of inquiry in holistic education and this book presents a variety of perspectives and practices that should be helpful to both scholars and practitioners

Ex-Gay No Way Jallen Rix, 2010-05-01 Bringing to light an extreme fundamentalist Christian view this insider's perspective offers hope to people grappling with the aftereffects of a cult like movement often known as Reparative Therapy The movement assumes that going from gay to straight is easily changeable and change worthy despite decades of psycho sexual research to the contrary Although it did not succeed in making the author a Southern Baptist who attended an ex gay ministry at a young age straight it did undermine his self esteem and confuse him significantly thus leading him to pursue an advanced degree in sexology in order to help others in similar positions Offering a detailed comparison of the ex gay world and the phenomenon known as Religious Abuse this manual shares a personal journey through the hopeless mistreatment and manipulative system of ex gay ministries and the recovery process involved in regaining strength acceptance and self worth

The Wheels of Soul in Education, 2010-01-01 This book boldly re frames the basis of our collective approach to education It presents a compelling argument for an educational world view that perceives self society and the universe as an undivided whole a holarchy of wholes within wholes wheels within wheels Soul in education is an international movement rooted in the holistic education paradigm It challenges us individually and collectively to re ensoul our educational thinking and practice from the inside out At the heart of this educational world view is an appreciation of the spiritual presence of the soul as the source self that exists beyond the surface appearance of personality and infuses an individual with positive transformative qualities that energise lifelong learning and creative living The essays in this book describe practices that attend to the cultivation of the soul in a range of educational contexts Written by holistic educators from around the globe they build a picture of education that develops a multidimensional understanding of self and other Through creativity paradox and

mystery teachers invite the emergence of soul qualities in themselves and learners qualities such as joy justice caring ethics compassion and tolerance providing the vital basis for the creation of a more equitable social reality in the 21st century and beyond
