Gangster Hunters John Oller, 2024-11-26 The enthralling can't put down account of the birth of the modern FBI J Edgar Hoover was the face of the FBI But the federal agents in the field relentlessly chasing the most notorious gangsters of the 1930s with their own lives on the line truly transformed the Bureau In 1932 the FBI lacked jurisdiction over murder cases bank robberies and kidnappings Relegated to the sidelines agents spent their days at their desks But all of that changed during the War on Crime Hunting down infamous public enemies in tense frequently blood soaked shootouts the Bureau was thrust onto the front pages for the first time Young agents fresh out of law school and anticipating a quiet white collar job faced off with murderous felons who were heavily armed clad in bulletproof vests and owned cars that outraced the best vehicles the Bureau had But the federal men were fiercely devoted to the Bureau to each other and to bringing America's most wanted criminals to justice The G men crisscrossed the United States in pursuit of John Dillinger Bonnie and Clyde Ma Barker's criminal family Baby Face Nelson and Pretty Boy Floyd But the green FBI agents were always one step behind and a moment too late the criminals evading elaborate stakeouts and dramatic ambushes Facing mounting criticism with bodies left in their wake the agents had to learn to adapt After all more than their reputations were at stake Through incredible primary source research John Oller transports readers right to the most harrowing and consequential raids of the 1930s with fast paced action that shows the lengths both sides would go to win

Touhy vs. Capone Don Herion, 2019-06-03 In this true crime history a Chicago cop uncovers the epic gangland saga that led to a former bootlegger's assassination in 1959 When beat cop Don Herion and his partner responded to shots fired on December 16 1959 they didn't know that they had heard the final fatal salvo in one of the most contorted conflicts in the history of organized crime Back in the 1930s bootlegger and Irish mob boss Roger Touhy went to war with Al Capone and his Chicago Outfit Then he was framed for a fake kidnapping After twenty six years in prison Touhy was finally released Less than a month later he was murdered in an ambush Touhy's epic story of crime and punishment involves nearly all the notorious men of his day Frank Nitti John Jake the Barber Factor Mayor Cermak Melvin Purvis J Edgar Hoover Baby Face Nelson Dan Tubbo Gilbert FDR and JFK As Touhy's life was ending on his sister's front porch Herion's quest to unravel the tangle of events that led to his assassination had just begun

Public Enemies Bryan Burrough, 2009-04-01 Analyzes Depression era bank robbery and its most notorious figures discussing the factors that influenced the period's crime rates the formation and early work of the FBI and the contributions of J Edgar Hoover

The Vendetta Alston Purvis, 2009-05-05 By the end of 1934 Melvin Purvis was besides President Roosevelt the most famous man in America Just thirty one years old he presided over the neophyte FBI's remarkable sweep of the great Public Enemies of the American Depression John Dillinger Pretty Boy Floyd Baby Face Nelson America finally had its hero in the War on Crime and the face of all the conquering G Men belonged to Melvin Purvis Yet these triumphs sowed the seeds of his eventual ruin With each new capture each new headline touting Purvis as the scourge of gangsters

one man's implacable resentment grew. J. Edgar Hoover, Director of the FBI, was immensely jealous of the agent who had been his friend and protégé and vowed that Melvin Purvis would be brought down. A vendetta began that would not end even with Purvis's death. For more than three decades Hoover trampled Purvis's reputation, questioned his courage and competence, and tried to erase his name from all records of the FBI's greatest triumphs. Alston Purvis is Melvin's only surviving son. With the benefit of a unique family archive of documents, new testimony from colleagues and friends of Melvin Purvis and witnesses to the events of 1934, he has produced a grippingly authentic new telling of the gangster era seen from the perspective of the pursuers. By finally setting the record straight about his father, he sheds new light on what some might call Hoover's original sin: a personal vendetta that is one of the earliest and clearest examples of Hoover's bitter, destructive paranoia.

This book is an enduring, formidable accomplishment, a monument to the power of biography that now becomes the definitive work. *The Washington Post*: A nuanced portrait in a league with the best of Ron Chernow and David McCullough. *The Wall Street Journal*: A major new biography of J. Edgar Hoover that draws from never-before-seen sources to create a groundbreaking portrait of a colossus who dominated half a century of American history and planted the seeds for much of today's conservative political landscape. We remember him as a bulldog, squat

frame bulging wide set eyes fearsome jowls but in 1924 when he became director of the FBI he had been the trim dazzling wunderkind of the administrative state buzzing with energy and big ideas for reform He transformed a failing law enforcement backwater riddled with scandal into a modern machine He believed in the power of the federal government to do great things for the nation and its citizens He also believed that certain people many of them communists or racial minorities or both did not deserve to be included in that American project Hoover rose to power and then stayed there decade after decade using the tools of state to create a personal fiefdom unrivaled in U S history Beverly Gage s monumental work explores the full sweep of Hoover s life and career from his birth in 1895 to a modest Washington civil service family through his death in 1972 In her nuanced and definitive portrait Gage shows how Hoover was more than a one dimensional tyrant and schemer who strong armed the rest of the country into submission As FBI director from 1924 through his death in 1972 he was a confidant counselor and adversary to eight U S presidents four Republicans and four Democrats Franklin Roosevelt and Lyndon Johnson did the most to empower him yet his closest friend among the eight was fellow anticommunist warrior Richard Nixon Hoover was not above blackmail and intimidation but he also embodied conservative values ranging from anticommunism to white supremacy to a crusading and politicized interpretation of Christianity This garnered him the admiration of millions of Americans He stayed in office for so long because many people from the highest reaches of government down to the grassroots wanted him there and supported what he was doing thus creating the template that the political right has followed to transform its party G Man places Hoover back where he once stood in American political history not at the fringes but at the center and uses his story to explain the trajectories of governance policing race ideology political culture and federal power as they evolved over the course of the 20th century Dillinger George Russell Girardin, William J. Helmer, 2004-12-31 The inside story of one of America s most notorious criminals J. Edgar Hoover: The Man and the Secrets Curt Gentry, 2001-02-17 The cumulative effect is overwhelming Eleanor Roosevelt was right Hoover s FBI was an American gestapo Newsweek Shocking grim frightening Curt Gentry s masterful portrait of America s top policeman is a unique political biography From more than 300 interviews and over 100 000 pages of previously classified documents Gentry reveals exactly how a paranoid director created the fraudulent myth of an invincible incorruptible FBI For almost fifty years Hoover held virtually unchecked public power manipulating every president from Franklin D Roosevelt to Richard Nixon He kept extensive blackmail files and used illegal wiretaps and hidden microphones to destroy anyone who opposed him The book reveals how Hoover helped create McCarthyism blackmailed the Kennedy brothers and influenced the Supreme Court how he retarded the civil rights movement and forged connections with mobsters as well as insight into the Watergate scandal and what part he played in the investigations of President John F Kennedy and Martin Luther King Jr *God Loves America, Volume One* W. Cleon Skousen, This previously unpublished book of inspirational and political speeches given by W Cleon Skousen tells the stories of the Founding Fathers the creation of the Constitution solutions to

problems in America today the fight against the enemies of freedom and special insights into Mr FBI J Edgar Hoover In these speeches Dr Skousen covers a subject in a few brush strokes that would normally fill many volumes making it possible to quickly grasp the big picture of America s past present and future destiny Each speech is fully footnoted with references and notes
