McDowell, 1997-01-21 After the introduction of a new economic policy of 1991 India is increasingly portrayed as a big emerging market for consumer goods and for broadcasting and communications services Policies for telecommunications computer software and television broadcasting in India have also shifted fundamentally The book considers communications policies in light of the role of communications in social and economic development and global patterns of trade and investment in communications and services *24 Akbar Road [Revised and Updated]* Rasheed Kidwai, 2013-08-30 Now updated with a new chapter on Rahul Gandhi The Congress party has always stayed one step ahead of the opposition by constantly reinventing and re aligning itself to stay in sync with the political realities of the day Its president Sonia Gandhi pulled off a master coup in 2004 by declining the prime ministership while the incumbent Congress Prime Minister Dr Manmohan Singh is the first prime minister since Nehru to lead the party into two Union government terms In 2013 Rahul Gandhi was elevated to the post of
