Sam Spade In The Greenroom:

Shamus in the Green Room Susan Kandel, 2009-10-06 Los Angeles writer Cece Caruso is thrilled that her biography of the legendary Dashiell Hammett is headed for the big screen Rafe Simic the actor cast as the lead may not be the sharpest knife in the drawer but the money she'll make tutoring him in the ABCs of The Maltese Falcon and The Thin Man should be good enough to feed Cece's addiction to vintage Yves St Laurent But when the dead body of one of Rafe's old flames is discovered and neither the facts nor the hunky star's alibi add up Cece can't help but ask questions However the twists in this case would confound Sam Spade himself And in her zeal to win justice for the deceased Cece might end up pulling the plug on the movie if someone doesn't pull the plug on Cece first **Icons of Mystery and Crime Detection** Mitzi M.

Brunsdale, 2010-07-26 This book provides an introduction to 24 iconic figures real and fictional that have shaped the detective mystery genre of popular literature Icons of Mystery and Crime Detection From Sleuths to Superheroes is an insightful look at one of our most popular and diverse fictional genres providing a guided tour of mystery and crime writing by focusing on two dozen of the field's most enduring creations and creators Icons of Mystery and Crime Detection spans the history of the detective story with series of critical entries on the field's most evocative names from the originator of the form Edgar Allan Poe to its first popular running character Sherlock Holmes from the Golden Age of Sam Spade Philip Marlowe and Charlie Chan in fiction and films to small screen heroes such as Columbo and Jessica Fletcher Also included are other accomplished practitioners of the craft of mystery crime storytelling including Agatha Christie Tony Hillerman and Alfred Hitchcock

The Big Hurt Erika Schickel, 2021-08-10 This complex memoir shows what it was like growing up in the shadow of a literary father and a neglectful mother getting thrown out of boarding school after being seduced by a teacher and all of the later life consequences that ensue In 1982 Erika Schickel was expelled from her East Coast prep school for sleeping with a teacher She was that girl rebellious precocious and macking for love Seduced caught and then whisked away in the night to avoid scandal Schickel's provocative searing and darkly funny memoir The Big Hurt explores the question How did that girl turn out Schickel came of age in the 1970s the progeny of two writers Richard Schickel the prominent film critic for TIME magazine and Julia Whedon a melancholy mid list novelist In the wake of her parents ugly divorce Erika was packed off to a bohemian boarding school in the Berkshires The Big Hurt tells two coming of age stories one of a lost girl in a predatory world and the other of that girl grown up who in reckoning with her past ends up recreating it with a notorious LA crime novelist blowing up her marriage and casting herself into the second exile of her life The Big Hurt looks at a legacy of shame handed down through a maternal bloodline and the cost of epigenetic trauma It shines a light on the haute culture of 1970s Manhattan that made girls grow up too fast It looks at the long shadow cast by great monstrously self absorbed literary lives and the ways in which women pin themselves like beautiful butterflies to the spreading board of male ego

Rock Gumshoe in the Dark **The Lost One** Stephen Youngkin,2005-09-30 Often typecast as a menacing figure Peter Lorre achieved Hollywood fame first as a featured player and later as a character actor trademarking his screen performances with a delicately strung balance between good and evil His portrayal of the child murderer in Fritz Lang s masterpiece M 1931 catapulted him to international fame Lang said of Lorre He gave one of the best performances in film history and certainly the best in his life Today the Hungarian born actor is also recognized for his riveting performances in The Man Who Knew Too Much 1934 The Maltese Falcon 1941 and Casablanca 1942 Lorre arrived in America in 1934 expecting to shed his screen image as a villain He even tried to lose his signature accent but Hollywood repeatedly cast him as an outsider who hinted at things better left unknown Seeking greater control over his career Lorre established his own production company His unofficial graylisting by the House Committee on Un American Activities however left him with little work He returned to Germany where he co authored directed and starred in the film Der Verlorene The Lost One in 1951 German audiences rejected Lorre s dark vision of their recent past and the actor returned to America wearily accepting roles that parodied his sinister movie personality The first biography of this major actor The Lost One A Life of Peter Lorre draws upon more than three hundred interviews including conversations with directors Fritz Lang Alfred Hitchcock Billy Wilder John Huston Frank Capra and Rouben Mamoulian who speak candidly about Lorre both the man and the actor Author Stephen D Youngkin examines for the first time Lorre s pivotal relationship with German dramatist Bertolt Brecht his experience as an migr from Hitler s Germany his battle with drug addiction and his struggle with the choice between celebrity and intellectual respectability Separating the enigmatic person from the persona long associated with one of classic Hollywood s most recognizable faces The Lost One is the definitive account of a life triumphant and yet tragically riddled with many failed possibilities **Season of the Gods** Robert Matzen,2023-10-03 A woman in wartime Hollywood and her dream of the perfect motion picture Renie Lee has climbed the ladder in a man s world to be head of the Story Department at Warner Bros Studios Renie is an idealist who believes that the perfect film can be created When she pulls an unproduced stage play set in Morocco out of the slush pile she has a feeling this one is special maybe not perfect but special enough to secure her place as an equal to the studio s most powerful men No one agrees with her until two brash young studio writers Julius and Philip Epstein decide to back Renie s gamble and bring the Morocco story to the screen Their screenplay s name Casablanca Renie uses her charms on executive producer Hal Wallis until he finally agrees to her plan but the problems seem insurmountable from the start and Renie s gamble threatens to become a career killer for not only Renie but also her confederates the Epsteins Set against the backdrop of Pearl harbor and the first months of World War II Season of the Gods careens across the Warner Bros lot from the Writers Building to the dressing rooms and soundstages to tell the spellbinding and unlikely story of Hollywood s greatest masterpiece through the eyes of all who made it happen **Sam Spade in the Green Room** Susan Kandel,2006 **Library Journal** Melvil Dewey,Richard Rogers Bowker,L.
