Sam Rayburn A Biography:

Sam Rayburn Anthony Champagne,1988-10-12 One of the nation's most effective congressional leaders Sam Rayburn served as Speaker of the House longer than anyone in U S history Although he has been the subject of several biographies and numerous articles until now no comprehensive analysis of Rayburn has integrated these disparate materials in a single resource Sam Rayburn A Bio Bibliography accomplishes that objective Designed for scholars interested in the life and historical period of Sam Rayburn the volume includes a detailed biographical sketch and an extensive annotated bibliography describing the Rayburn resource materials The bibliographic entries are divided into three parts works about Rayburn Rayburn as author and archival sources Because Rayburn wrote little the inclusion of some 80 oral histories by friends and associates of Rayburn is an especially valuable feature for the researcher Those papers by Rayburn that do exist are included and fully annotated here The section covering works about Rayburn includes media coverage of the Congressman interviews with Rayburn's colleagues and memoirs as well as books and articles about Rayburn A chronology is included for quick reference to major events in Rayburn's life and a complete index facilitates easy access to the main entries Sam Rayburn

, *Rayburn* D. Barnard Hardeman,Donald C. Bacon,1987 A biography of the 49 year congressman 17 as Speaker of the House of Representatives who guided the most important legislation of the 20th century through Congress from the New Deal to the New Frontier and served under eight presidents Annotation copyrighted by Book News Inc Portland OR Mr. Sam. (A Biography of Samuel T. Rayburn, Speaker of the House, 1940-1946, 1949-1952, 1955-1961) C. Dwight Dorough,196?

Mr. Sam C. Dwight Dorough,2011-10-01 *Mr. Sam* C. Dwight Dorough,1962 Biography of Samuel T Rayburn Speaker of the House 1940 46 1949 1952 1956 1961 with emphasis on his political career **Congressman Sam Rayburn** Anthony

Champagne,1984 **Sam and the Speakers Chair** Maurine W. Liles,1997-03-01 *Franklin D. Roosevelt and Congress* William D. Pederson,Byron W. Daynes,2001 Examines the reactions of particular groups within Congress including those of individual congressmen to the changing role of the federal government during the New Deal era Also examines facets of the New Deal era from a contemporary perspective *Sam and the Speaker's Chair* Maurine Walpole Liles,1994 The life and career of Sam Rayburn the speaker of the U S House of Representatives

The M.E.Sharpe Library of Franklin D.Roosevelt Studies: v. 2 Nancy Beck Young,William D. Pederson,Byron W. Daynes,2019-07-25 This book assesses contrasting interpretations of President Roosevelt's relations with the Nye Committee It explores the complexity confronting Rayburn in weighing the factors that influenced his actions during the New Deal portion of his near half century in Congress

John William McCormack Garrison Nelson,2017-03-23 In the first biography of U S House Speaker John W McCormack author Garrison Nelson uncovers previously forgotten FBI files birth and death records and correspondence long thought lost or buried For such an influential figure McCormack tried to dismiss the past almost erasing his legacy from the public's mind John William McCormack A Political Biography sheds light on the behind the curtain machinations of American politics and

the origins of the modern day Democratic party facilitated through McCormack's triumphs McCormack overcame desperate poverty and family tragedy in the Irish ghetto of South Boston to hold the second most powerful position in the nation. By reinventing his family history to elude Irish Boston's powerful political gatekeepers McCormack embarked on a 1928-1971 House career and from 1939-71 the longest house leadership career. Working with every president from Coolidge to Nixon McCormack's social welfare agenda which included Social Security, Medicare and Medicaid, immigration reform and civil rights legislation helped commit the nation to the welfare of its most vulnerable citizens. By helping to create the Austin-Boston Connection McCormack reshaped the Democratic Party from a regional southern white Protestant party to one that embraced urban, religiously and racially diverse ethnics. A man free of prejudice John McCormack was the Boston Brahmin's favorite Irishman, the South's favorite northerner and known in Boston as Rabbi John the Jews favorite Catholic.

Franklin D Roosevelt Congress, *Profiles in Power* Kenneth E. Hendrickson, Michael L. Collins, Patrick L. Cox, 2010-01-01

Profiles in Power offers concise biographies of fourteen twentieth century Texans who wielded significant political power and influence in Washington D C. First published in 1993 by Harlan Davidson it has been revised and updated with new chapters on John Nance Garner and Henry Gonzalez and expanded chapters on Lyndon Johnson, Barbara Jordan, Ralph Yarborough, Jim Wright and John Tower. Demonstrating the validity of a biographical approach to history the book as a whole covers all the major political issues of the twentieth century as well as the pivotal role of Texans in defining the national agenda.

The Real Making of the President W. J. Rorabaugh, 2009-03-05

When John Kennedy won the presidency in 1960 he also won the right to put his own spin on the victory whether as an underdog's heroic triumph or a liberal crusader's overcoming special interests. Now W J Rorabaugh cuts through the mythology of this famous election to explain the nuts and bolts operations of the campaign and offer a corrective to Theodore White's flawed classic *The Making of the President*. War hero, champion of labor and Pulitzer Prize winning author JFK was long on charisma. Despite a less than liberal record he assumed the image of liberal hero thanks to White and other journalists who were shamelessly manipulated by the Kennedy campaign. Rorabaugh instead paints JFK as the ideological twin of Nixon and his equal as a bare knuckled politician showing that Kennedy's hard-won razor thin victory was attributable less to charisma than to an enormous amount of money, an effective campaign organization and television image making. The 1960 election Rorabaugh argues reflects the transition from the dominance of old style boss and convention politics to the growing significance of primaries, race and especially TV without which Kennedy would have been neither nominated nor elected. He recounts how JFK cultivated delegates to the 1960 Democratic convention quietly wooed the still important party bosses and used a large personal organization, polls and TV advertising to win primaries. JFK's master stroke however was choosing as a running mate Lyndon Johnson whose campaigning in the South carried enough southern states to win the election. On the other side Rorabaugh draws on Nixon's often ignored files to take a close look at his dysfunctional campaign which reflected the oddities of a dark and brooding candidate trapped into

defending the Eisenhower administration Yet the widely detested Nixon won almost as many votes as the charismatic Kennedy even though Democrats outnumbered Republicans by three to two This leads Rorabaugh to reexamine the darker side of the election the Republicans charges of vote fraud in Illinois and Texas the use of money to prod or intimidate manipulation of the media and the bulldozing of opponents White and others helped shape persisting impressions of both candidates influencing the way Nixon conducted subsequent campaigns and the Democrats nurtured the Kennedy legacy The Real Making of the President gives us a more sobering look at all of that fundamentally reshaping our understanding of one of the nation's most memorable elections **LIFE**, 1961-12-01 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use **Washington's Golden Age** Joseph Dalton, 2018-10-01 Real news traveled fast even in the days before internet connections During the New Deal and World War II Washington elites turned to Hope Ridings Miller's column in the Washington Post to see what was really going on in town Cocktail parties embassy receptions and formal dinners were her beat as society editor I went as a guest said Miller and hoped that they'd forget I was a reporter In Washington's Golden Age Joseph Dalton chronicles the life of this pioneering woman journalist who covered the powerful vortex of politics diplomacy and society during a career that stretched from FDR to LBJ After joining the Post staff she was the only woman on the city desk Later she had a nationally syndicated column For ten years she edited Diplomat Magazine and then wrote three books about Washington life Once a girl from a small town in Texas Miller created a web of connections at the highest levels In Washington's Golden Age Dalton escorts readers inside the Capital's regal mansions the hushed halls of Congress and the Post's smoky and manly newsroom to rediscover an earlier era of gentility and discretion now relegated to the distant past **The Life and Presidency of Franklin Delano Roosevelt** Kenneth E. Hendrickson, 2005 Historian Kenneth E. Hendrickson has compiled the most comprehensive English language bibliography ever on a single individual and his influence With nearly 10 000 entries this unprecedented resource contains references and annotations to all books articles and dissertations written and published to 1994 concerning Franklin Delano Roosevelt **Mr. Sam : a Biography of Samuel T. Rayburn** Charles Dwight Dorough, 1962 **Sam Rayburn: "The House Will Be In Order"**, 1961

Sam Rayburn A Biography Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has been evident than ever. They have the capability to inspire, provoke, and ignite change. Such may be the essence of the book **Sam Rayburn A Biography**, a literary masterpiece that delves deep into the significance of words and their impact on our lives. Written by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall effect on readers.
