effectively **Judges and Saviors, Deborah and Samson** Hillel I. Millgram, 2018-03-09 This is a book about a book it is an in depth yet reader friendly analysis of the Book of Judges one of the most dramatic books of the Bible Against the commonly held view that this remarkable work is no more than a collection of hero tales stemming from Israel's earliest days in its land its Heroic Age so to speak this study makes the case that the Book of Judges is a unified composition with a single focused message that it is the values held by a people and not its politics that determine its fate Further Judges contends that there is a direct connection between the kind of values people internalize and the level of violence that racks their society both inflicted from without and generated from within And not least that the presence of violence is a symptom that a society has abandoned the moral values of monotheism for the Machiavellian politics of a pagan worldview that worships power as the ultimate reality The larger than life heroes and heroines Ehud and Jael Deborah and Gideon Jephthah and Samson who people the pages of Judges serve by their example to illustrate the way this thesis works out in the world Communion of Love William Dewberry, 2014-07-31 Communion of Love is an overview of the Bible focusing on God's plan of redemption from the time of the creation to the end of time The book provides a view that is written in layman terms and is a comprehensive easy to understand view of redemption and an introduction to God His Son Jesus the Holy Spirit angels Satan and the people that were directly involved in God's plan May God bless those who love God and are interested in understanding more about the great love He has always had for people **Mountain Top Where Children Meet God** Nan Smith Adams, 2010-07 Nan Smith Adams shares more than two decades of experience as a Sunday School teacher She attended classes at Trinity College and supervised the preschool program for Christ Community Church in Tampa Florida She led discussion groups and children's groups in Bible Study Fellowship for twenty five years These three books encompass the Old and New Testament Telling the story of Jesus from creation and the history of Israel through Jesus birth ministry resurrection and return The Encyclopedia Americana, 1905 The Americana Frederick Converse Beach, George Edwin Rines, 1911 *THE GOLDEN THREAD* Al Jones, 2021-08-23 Jones has tried not to bog down the reader by covering every event in the Bible His primary goal is to point out what he calls The Golden Thread which indisputably ties all the events in the Bible to the progression of God's perfect plan as it moves step by step towards completion The Golden Thread is punctuated throughout with prophecy and amazing miracles that should leave no doubt in our minds that God exists and is indisputably and actively involved in the affairs of humanity Jones hopes to create in each reader an insatiable desire and curiosity to study the Bible in more depth
