Samurai Principles and Practices That Will Help Preteens and Teens in School, Sports, Social Activities and Choosing Careers! Boye Lafayette De Mente, Boye De Mente, 2005 FOR PARENTS TEACHERS PRETEENS TEENS Japan's famous samurai warriors who ruled the country from 1192 until 1868 were one of the most remarkable groups of people the world has ever seen. Their skills with the sword and other weapons of war have seldom been equaled and never surpassed. During the latter centuries of the samurai reign, their training went beyond the martial arts to include such cultural pursuits as poetry, painting, calligraphy, history, philosophy, and human behavior. Schooling in the skills and knowledge necessary to produce a samurai began in early childhood and was a lifelong effort. Samurai Principles Practices That Will Help Preteens Teens in School Sports Social Activities Choosing Careers by internationally known Japanologist and author Boye Lafayette De Mente identifies the principles and practices that made up the educational and training process of samurai youths. The book covers all of the basics of the samurai training: setting goals, discipline, diligence, perseverance, respect, personal appearance, keeping things in order, using intuitive and emotional intelligence, and tapping into cosmic power. De Mente says that training in karate, kendo, the way of the sword, and meditation are paths to learning the skills, morality, and motivation that made the samurai so successful and recommends that this training be incorporated into the educational system of Western countries. An intriguing handbook for success that should especially appeal to the video game generation. **Saburo--The Saga of a Teenage Samurai in 17th Century Japan** Boye De Mente, 2006-02-21 Male members of Japan's famous samurai class which began evolving at the end of the 12th century were required to undergo physical, mental, and spiritual training that gave them incredible skills in a number of martial arts. By the 1600s, samurai were also expected to become versed in aesthetics, calligraphy, philosophical matters, and writing poetry. SABURO The Saga of a Teenage Samurai are true to life stories of a young boy who opts to become a roving shugyosha (shuugyo) or samurai in training rather than serve a feudal lord, leading him to extraordinary adventures that bring out the culture of his times. Saburo was born in the mid 1600s when the country was ruled by the illustrious Tokugawa line of shoguns who had closed the country off to foreigners except for a tiny detachment of traders in Nagasaki and had turned their backs on Western guns in favor of the traditional sword. Each story is filled with cultural and historical facts that reveal both negative and positive elements in the lives of the samurai class, with Saburo surmounting those that are negative and eventually finding a master who explains the essence and the purpose of life. It is both an educational and an inspirational read for young people. *Shopping Guide to Japan* Boye Lafayette De Mente, 2012-01-09 Bargain shopping in Japan can be a challenge, but this book succinctly explains all the ins and outs to making the most of your Japanese shopping experience. Japan is the shopping capital of the world, unequalled in the number, variety, and convenience of its shopping venues. The Shopping Guide to Japan is a one-of-a-kind Japan guidebook that provides detailed information about methods of payment, prices, taxes, tax-free goods, store hours, discount days, store etiquette,

returns and refunds and in store bargaining The shopping book covers all of the main shopping categories in Japan from boutiques and departments stores to flea markets shopping streets train station shopping bargain shopping and airport shopping In addition to the primary shopping areas in Tokyo Nagoya Kyoto Osaka and Kobe the book covers Sendai and Sapporo in the north and Naha on the Island of Okinawa *Dining Guide to Japan* Boye Lafayette De Mente,2011-12-20 Dining in Japan is both an art and an adventure an experience that is made memorable by the variety of unique dishes their gourmet quality and the style in which they are served With *Dining Guide to Japan* you will have an extensive list of Japanese restaurants and exquisite food dishes *Dining Guide to Japan* acts as a perfect Japan travel guide which includes Dining and Transportation Maps Japanese Dining Vocabulary and Pronunciation Additional Food Vocabulary Detailed Descriptions of Japanese Cuisine Japan is literally a diner s paradise with restaurants featuring the world s leading cuisine from Chinese French German Greek Indian Italian Korean and Russian to Vietnamese Japan s traditional food is world famous for its health and longevity enhancing properties and is not all rice and raw fish In fact Japanese cuisine is both varied in ingredients and cooking styles and most foreign visitors quickly develop a taste for such things as miso soup nori oyako don ramen shabu shabu soba sukiyaki tofu tonkatsu udon unagi yaki tori and yes even fugu the deadly globefish *Cheater's Guide to Speaking English Like a Native* Boye Lafayette De Mente,2011-12-27 Increase your fluency of English through the mastery of common English idioms and expressions All Native English speakers use a large number of proverbs and colloquial expressions in their daily conversations These common sayings which evolved over the centuries are like codes that reveal the cultural values and attitudes of the speakers To obtain complete fluency in the English language it is necessary to be familiar with these expressions and know how and when to use them With a user friendly format *The Cheater s Guide to Speaking English like a Native* is a shortcut to achieving that goal **Cultural Failures That Are Destroying the American Dream! - The Destructive Influence of Male Dominance & Religious Dogma!** Boye Lafayette De Mente,2011-02-20 Author Boy Lafayette De Mente blames male dominance invalid and inhuman religious dogma a new morality based on money and a political system that is dysfunctional for all of problems besetting the United States De Mente says that the primary cause of the failures of human cultures since day one has been males who put power over females tribalism territorialism and race above the rights of people in general As the eons passed there was a growing awareness among male leaders of the need for rules to control the animalistic attitudes and behavior of men but all of the institutions they created including religions continued to reflect the primitive nature of human males and this nature is responsible for the mess the world is in today he added This book details the negative consequences of male dominance in every area of human endeavor beginning with religions and including business politics education entertainment and the news media and suggests remedies for the cultural morass that threatens the American dream and imperils the rest of the world Among the topics dealt with in the book the harmful influence of advertising sleaze entertainment prostitution the rise of pornography as

a major industry child abuse sexual abuse violence the excess consumption syndrome the ongoing anti female dogma of religions the growth of newspeak to control people and the good and the bad of the Internet One of the more unusual recommendations in the book is that parents around the world should emulate the samurai the hereditary warrior class that ruled Japan from 1192 until the late 1860s in educating their children The 26 attributes samurai parents taught their children reflect wisdom that is still rare in today's world De Mente said The 26 attributes are included in the text of the book

**Human Violence! - Male Dominance, Ignorance, Religions & Willful Stupidity!** Boyé De Mente,2010-05-24 Despite the ages that have passed since homo sapiens developed the ability to think and behave in ways that transcended our animal origins and in remarkable ways distinguished us from other primates male humans in particular have continued to exhibit animalistic behavior and today remain fixated on violence not only toward other humans but also toward animals other species of life and the Earth itself There is more to the story of why so many human males are prone to engage in violence and remarkably most of this story has to do with attempts by men to establish controls and high standards for human behavior that to an astonishing degree had the opposite effect The author says the reason for this dichotomy is that these religious inspired attempts were based on the misunderstanding misuse and abuse of human sexuality combined with the fundamental ignorance and willful stupidity of human males He explains why and how this incredible situation developed and continues today and includes some extraordinary recommendations *Why the Japanese Are a Superior People!* Boye

Lafayette De Mente,2009-07 Boye Lafayette De Mente author of more than 50 books on the business practices cultures and languages of China Japan Korea and Mexico identifies and describes the cultural elements that made the Japanese an extraordinary people elements based on the fact that the Japanese are right brain oriented but are able to use both sides of their brain with remarkable results that are responsible for their economic prowess their aesthetic prowess and the seductive nature of their culture He pinpoints the areas where the Japanese have conspicuous advantages over Americans and other left brain oriented people A Must Read for anyone interested in understanding the character and mindset of the Japanese for whatever purpose **Amazing Japan!** Boye Lafayette De Mente,2009-11 Japan is known worldwide for its economic

pro prowess and such iconic symbols as geisha karaoke manga Mt Fuji ninja feudal age samurai warriors and huge sumo wrestlers What is not so well known are its amazing historical artifacts shrines temples castles the world s largest and oldest wooden buildings arts and crafts hundreds of annual festivals that go back nearly two thousand years the incredible scenic beauty of its mountains gorges rivers one of the longest and most gorgeous coastlines in the world and a combined modern and traditional lifestyle that is so fascinating and seductive that exposure to it for just a few days is a mind altering experience The author identifies and describes a choice selection of things that make Japan one of the world s most unusual most intriguing and most enjoyable travel destinations things that explain why so many foreigners take up permanent residence there once they have experienced life in this amazing country **How to Measure the Sexuality of Men &**

**Women by Their Facial Features** Boye Lafayette De Mente, 2005-04-21 The influence of your facial features on other people begins the moment you are born from how you are going to be treated for the rest of your life to the level of happiness and success you are likely to achieve As you grow into adulthood the size shape and quality of your facial features also send out subliminal signals about your inborn sexual nature In this provocative handbook internationally known author and face reader Boye Lafayette De Mente provides valuable insights and useful do's and don'ts in the selection of playmates and lifemates Why Ignorance, Stupidity and Violence Plague Mankind! , **CHINA Understanding and Dealing with the**

**Chinese Way of Doing Business!** Boye De Mente, 2012-02-29 China has emerged on the world scene as a major economic and political force that appears destined to surpass the United States a portent of the future that goes well beyond anything the U.S. has faced before The business practices of today's China are a mixture of traditional values and customs combined with Western concepts and practices that despite bumps in the highway are propelling the country forward at warp speed This book addresses both the traditional and modern day aspects of how business is done in China and offers valuable insights in how to deal with them effectively It also covers aspects of China's appearance on the international scene and the globalization of its economy that are political in nature It is an ideal handbook for businesspeople consultants educators and students *The Bizarre and the Wondrous from the Land of the Rising Sun!* BOYE LAFAYETTE. DE MENTE, 2010-12-22

The Bizarre and the Wondrous from the Land of the Rising Sun highlights unique aspects of Japan ancient and modern that have made the country fascinating to Westerners since they first stumbled upon the islands in 1543 These unusual attractions range from high tech robots that do such things as act as tourist guides and perform delicate surgery to festivals that go back more than two thousand years and strike many foreign visitors as being bizarre Among the celebrations that could be labeled as bizarre are annual fertility festivals that feature authentic looking replicas of the male penis carved in wood from purse size versions to ones that are over two meters long and weigh up to 800 pounds The best known of the fertility festivals is the one staged each March 15 by the Tagata Shrine near the city of Nagoya The largest wooden penis is carved anew each year and after the ceremony is kept on display in the main shrine building until the following year when it is sold to private buyers On the day of the festival the large version of the erect male organ is pulled through the streets on a wheeled cart by up to 12 men to the delight of raucous crowds and child bearing age women who try to touch the replica in order to increase their chances of becoming pregnant Other penis replicas are edible versions made like candy and cookies that are sold to visitors as snacks and souvenirs to take home Also on the incredible side is a legend that the young Jewish man now known and worshipped by Christians as Jesus Christ the son of God did not die on the cross that in fact he lived and died in Herai Village in Japan According to the Christian Bible Jesus was born in Israel There is no further mention of him in the Bible until he is 12 years old when he appears at a Jewish synagogue and lambasts the rabbis for their un-Christian like behavior The next mention of Jesus in the Bible is when he is in his early 30s and shows up at the Jordan River to be baptized by John a well

known Jewish preacher According to the Japanese legend Jesus and his brother Isukiri spent most of those missing years in Japan returning to Judea when Jesus was 34 years old The story goes on to say that after he was betrayed to the Roman authorities he fled back to Japan and it was his brother who was crucified The story adds that Jesus married a Japanese girl became a rice farmer and lived the rest of his life in Herai later renamed Shingo There is a tomb in Herai that has long been known as the burial place of Jesus Jehova the son of Mary In the book De Mente goes on to explain how the legend and the tomb became known to present day Japanese authorities and was publicized in English for the first time in 1935 De Mente says he learned about the story in Tokyo in the early 1950s when he was editor of a monthly cultural magazine including seeing a photograph of documentary evidence from a museum in Herai Other fascinating stories in the book include how the infamous secret agents and assassins known as ninja neen jah became a major part of Japanese history why and how Japan became the first nation in the world to have a national network of roadside inns spaced one day s march apart why the Japanese are so skilled at producing arts and crafts of extraordinary beauty why single Japanese girls and men have a hard time hooking up why Japan s izakaya are more fun than Irish pubs why rice and other vegetables grow on top of buildings how the Japanese came up with a new reason for wearing clothes and some 50 plus other fascinating stories **THE**

**PLAGUE OF MALE DOMINANCE** Boye De Mente,2014-09-12 Human males have been responsible for most of the violence that has plagued humanity since the origin of the species It is something programmed into males by their genes This built in mindset is responsible for the present state of affairs in the United States and the economic social and religious problems in virtually all other societies Virtually all of the male created institutions have traditionally been designed to keep women from using their minds and to repress their natural sexuality and this especially applies to man made religions This book details the overall failures of American culture from economics education entertainment politics and religions to sexual behavior It maintains that human beings cannot achieve even half of their potential until women play an equal if not primary role in the affairs of humanity It also makes other suggestions for overcoming the built in handicaps of humanity Arizona's Lords of the Land!

Boye Lafayette De Mente,2010-05-24 Arizona s Navajo Indians the largest tribe of Native Americans in the U S with a Reservation larger than 10 of the smaller states arrived in the area several thousand years ago an amazing event chornicled in their oral history and in key words in their language Author Boye Lafayette De Mente has used these key words to reveal not only the history but the extraordinary culture and wisdom of the Navajos Far from being simple savages when they first encountered white men in the 1500s they had a long tradition of poetry and healing that equaled that of European nations The book also details the virtual extinction of the Navajos in the 1860s by the U S military and their comeback from this Fearing Time an amazing saga of American arrogance ignorance and inhuman treatment of an extraordinary people

*Amazing Arizona!* Boye Lafayette De Mente,2010 Arizona is unique among American states not only in its geography and geology but also in the diversity of its climate in its indigenous animal and plant life and in the history of its first inhabitants

communities of Indians whose ancestors arrived on the scene more than 20 000 years ago Arizona is also the youngest of the contiguous mainland states of America precisely because of these very same factors Its climate geography and Indian tribes were major barriers that prevented the territory from becoming widely populated by the Spanish Mexicans and early European Americans and from being used as a cross roads by American fur pelt trappers gold prospectors and settlers who began pushing west in the mid 1800s Now it is exactly these same factors that make Arizona a great place to live as well as a world famous travel destination The stories of how Arizona finally became what it is today are as amazing as the lay and the beauty of the land Great background reading for residents and visitors alike and an ideal gift
