great many of the greatest channels who have ever lived on this planet All this information is woven together into one of the most comprehensive compelling full spectrum prism perspectives on how Creation really occurred Absolutely must reading for all seekers of Self and God Realization **A Beginner's Guide to the Path of Ascension** Joshua David Stone, Janna Shelley Parker, 1998 Three forces must come together for a planetary healing to occur The concept of the Sacred Triangle was introduced in David Miller's first book *Connecting with the Arcturians* which explored the fifth dimension and our relationship to higher Extraterrestrial groups This new book explains how the Arcturian energy melds with that of the White Brother Sisterhood and the Ascended Native American Masters to bring about planetary healing David offers the reader an understanding of the soul the nature of soul evolution and how the human species is advancing towards the next evolutionary step There will be many of you in this time who will be able to complete fantastic tasks If I would declare to you what I see you would be astonished that you could possibly carry out such tasks You must think that you have the ability to do this You have the personal power I ask you to look at the Sacred Triangle and see what role you can play in this Others will be very interested when you do Shamanic Secrets for Physical Mastery Robert Shapiro, 2003-11-01 The fourth installment of the series tells of the incredible vehicle traveling with the Hale Bopp Comet four times the size of Earth and filled with lightbeings The book also covers the Montauk project the HAARP project and the uncreation of Hitler Scopes of Dimensions Janet McClure, 1989-12-01 Vywamus explains the process of exploring and experiencing the dimensions He teaches an integrated way to utilize the combined strengths of each dimension It is a how to guidebook for living in the multidimensional reality that is our true selves *Light Techniques That Trigger Transformation* Janet McClure, 1992-07-01 The cofounders of the Tibetan Foundation bring you the first of a new level of teachings techniques based on the technology of light Vywamus says I am a spiritual teacher light energy if you will who has seen and been inspired to come to Earth by the light energy of your planet Through the process of evolution the planet approaches the fourth dimension and thus has awakened responses from the fourth dimensional perspective that are now adding light to it There is a basic level of learning that has already been accepted that transcends anything else ever before within the history of your planet and this includes that light civilization called Egypt Many of you are beginning to utilize those abilities you used in Egypt Light is the carrier of receptivity and it cannot evolve until the receptivity area is lit up until your heart is acknowledged as the means to light up the ways to create your life and your part of the Creator's plan for Earth Each time you relate and discover through a light exercise a way to unite the conceptual emotional spiritual and physical you will have lit up a possibility that can then transcend in a very practical manner those areas that have seemed difficult or not yet clear in your life This book is a very practical tool in using light to transcend because it has lit up a clearer perspective **The Source Adventure** Janet McClure, 1998-12-01 Life is discovery and this book is a journey of discovery to learn to grow to recognize the opportunities to be aware It asks the big question Why am I here and leads the reader to examine the most significant questions of a

lifetime **Dragons and Chariots** Wes Bateman,1991-06-01 An Explanation of Extraterrestrial Spacecraft and Their Propulsion Systems Introduction to Saucer Propulsion Gravity The Interplanetaries The Dragon The Dragon Seeds Manipulated Light The Interstellar Motherships The Intergalactic Motherships Mahatma I & II Brian Grattan,1994-01-01 What all of humankind has learned in the past about creation is the way that existence isn't a paradox I Vywamus think that this Mahatma is the most important thing that's happened on your Earth and for humanity Awaken and realize that all of humankind will create a body for ascension whether this is accomplished now or later This is not the exclusive domain of Christ or Buddha or many others who have ascended this is your birthright You are not relegated to worshipping those who have already done this very basic initiation called ascension Christ and Buddha would be the first to acknowledge that they are just beginners on their eternal journeys When humans lift the veils of their unworthiness and recognize that they are the sons of God that there is divine equality and no one is greater than another then you will have begun your journey in the way that it was intended In your near future your Planetary Hierarchy will release the world from theology ecclesiasticism and the wrathful Jehovah and return humanity to its rightful journey into spiritualizing matter not worshipping it The Mahatma is for those who are motivated to search for the answers that can respond to their mental and spiritual bodies In the past humankind's choices of beliefs and religions have supported only the emotional body and the darker material side of life And truly if humankind is going to remain on Earth very drastic shifts of consciousness will be required in Earth's new four dimensional reality No matter how contrary to your current beliefs this book contains methods for creating your spiritual lightbody for ascension and it also explains your eternal journey in a way that was never before available to humankind
