## **Sanctuaries Of The Goddess The Sacred Landscapes And Objects:**

**Sanctuaries of the Goddess** Peg Streep,1994-01-01 The accompanying text takes readers deep into the past offering glimpses of rites and rituals half hidden in the shadows of history and illuminating the mysteries of the ancient Goddess for the present day

*Sacred Places of Goddess* Karen Tate,2005-11-01 Uncovering the past through the lens of sacred travel this travel book includes both academic and popular religious perspectives and is filled with photographs of both famous and lesser known locales from every corner of the world Each site specific explanation of the significance of Goddess today and in centuries past deftly combines current trends academic theories and historical insights From the Middle East to Europe Africa and the Americas the images of feminine divinity presented in this work are as uniform in their beauty as they are diverse in cultural tradition For each location be it the shrines in Kyoto and Kamakura or the sites worshipping the Virgin Mary in Bolivia France Trinidad and the Saut D Eau Waterfalls of Haiti this book provides a history of each site in conjunction with the photography

**A Woman's Book of Rituals and Celebrations** Barbara Ardinger, Ph.D.,2011-12-11 This is a handbook on how to perform sacred ceremonies in the tradition of Goddess spirituality in one s own home with ordinary household items An annual cycle of celebrations is included as is advice on how to set up an altar and use simple tools The author a practitioner of Wicca witchcraft expounds the life affirming eco feminist values of that tradition Suggestions for rituals and ideas for inventing one s own are given Poetry and blessings blend in a title which supports celebration of the Goddess image in daily life These rituals are personal moving rites which celebrate love and peace and which act as meditations for considering new rituals old traditions and the course of women s lives

**Rebirth of the Goddess** Carol P. Christ,1998-10-15 First published in 1999 One of the most unexpected developments of the late twentieth century is the rebirth of the religion of the Goddess in western cultures Though we were taught that the Gods and Goddesses died with the triumph of Christianity the re emergence of the Goddess is not as surprising as it might seem This book explores the meaning of the Goddess and the questions we ask as well as the ways we answer them

**Book of This Place** Deborah J. Haynes,2009-09-01 The title of this engaging work emphasizes that the author lives works and creates art in this place a particular site in the foothills of the Colorado Rocky Mountains The subtitle indicates that place is the arena for investigating engagement with the land and nature art and creativity and spiritual life By exploring the significance of place in our fragmented world and by using her artistic practice as an example the author hopes to offer readers new definitions of the interrelationship of religion and art Haynes is the first to examine the intersection of these three themes which may be variously defined First the land and nature provide the literal site for the book and the language of ecology is woven throughout In the face of contemporary global crises Haynes believes that we have a moral imperative to address how we live and work in the physical environment Second visual art creativity and the creative process are discussed using historical and contemporary examples Haynes is a philosopher of art and an artist whose primary creative work involves carving marble

and drawing Using her stone sculptures to frame the book's chapters she takes readers on a meandering journey into the history philosophy and practice of art Third the religious and spiritual life is highlighted with examples from both her practice of yoga and Buddhist meditation as well as from her work with hospice patients     *How 666 Stole Jesus* Norma Holt,2008-07     *The A.S.M.R.* Asheru Romancha,2024-02-12 This book shows the automatic spontaneous intelligent design from a feedback loop between the right hemisphere matching by form and the resulting sacred fractal geometry of self similar sexual mimicry in the four dimensional human body He shows how this is done through the ASMR and thrill intelligence The missing link is no longer missing His book is a magnum opus on the alchemy of this subject     **The Double Goddess** Vicki Noble,2003-06-19 A study of the double goddess iconography prominent in Neolithic and Bronze Age cultures that expands our understanding of female sovereignty Celebrates this archetype of sacred female bonding and depicts a vast array of relationships women may form with themselves and each other to explore a sense of self and empowerment and to share power with each other     **Shâmaran** Dilsa Deniz,2024-04-30 Shâmaran The Neolithic Eternal Mother Love and the Kurds covers one of the earliest ancient figures of Mother Earth Shâmaran of the Zagros Mountains which is at the crossroads of Iran Anatolia and Mesopotamia and has historically been a melting pot of diverse groups contributing to the formation of the Kurdish nation This unique convergence has played a pivotal role in shaping the rich history culture language and the very essence of their homeland Kurdistan Shâmaran is the significant religiocultural symbol serving as a poignant embodiment of this heritage The book meticulously documents deconstructs and interprets Shâmaran's myth and her Neolithic image recognizing their profound significance as manifestations of the Mother Earth Goddess The study details the philosophy and symbolism of her faith deciphers the content in the region within the existing pre Islamic Kurdish religions namely Alevism Yarsanism and zidism and Kurdish culture as a whole     *The Myth of Matriarchal Prehistory* Cynthia Eller,2001-04-13 According to the myth of matriarchal prehistory men and women lived together peacefully before recorded history Society was centered around women with their mysterious life giving powers and they were honored as incarnations and priestesses of the Great Goddess Then a transformation occurred and men thereafter dominated society Given the universality of patriarchy in recorded history this vision is understandably appealing for many women But does it have any basis in fact And as a myth does it work for the good of women Cynthia Eller traces the emergence of the feminist matriarchal myth explicates its functions and examines the evidence for and against a matriarchal prehistory Finally she explains why this vision of peaceful woman centered prehistory is something feminists should be wary of     **Visual Theology** Robin Margaret Jensen, Kimberly J. Vrudny,2009 At least since the time of Paul see Acts 18 Christians have wrestled with the power and danger of religious imagery in the visual arts It was not until the middle of the twentieth century that there emerged in Western Christianity an integrated academic study of theology and the arts Here one of the pioneers of that movement H Wilson Yates along with fourteen theologians examine how visual culture reflects or addresses pressing

contemporary religious questions The aim throughout is to engage the reader in theological reflection mediated and enhanced by the arts This beautifully illustrated book includes more than fifty images in full color

**The Sacred Image: C. G. Jung and the Western Embrace of Tibetan Buddhism** Judson Davis, 2015-05-19 The Swiss psychiatrist Carl Gustav Jung made a number of revolutionary contributions to modern Western psychology and his pioneering work was greatly enhanced through his contact with Eastern religions especially Tibetan Buddhism In these esoteric traditions Jung discovered a holistic approach and a deep affinity for nature and in the yogic and tantric disciplines he encountered a complex symbolic world that resonated with him deeply Jung was particularly drawn to the highly articulated and intricate symbolism of Tibetan Tantra which provided considerable support for his seminal theories on the universal archetypes and the collective unconscious His cross cultural and interdisciplinary engagement with Indo Tibetan spirituality later proved instrumental in establishing the basis of the modern East West dialogue in which the religions of the East and in particular Buddhism have become a central focus Jung is also widely acknowledged as the father of transpersonal psychology which in seeking to integrate the wisdom traditions of East and West stands at the forefront of contemporary studies in human consciousness and mysticism

*Art and Architecture of the World's Religions* Leslie D. Ross, 2009-06-04 Two abundantly illustrated volumes offer a vibrant discussion of how the divine is and has been represented in art and architecture the world over Beginning with the ancient worlds of Mesopotamia Egypt Greece and Rome and moving forward through time *Art and Architecture of the World's Religions* explores the major faiths from countries and continents around the globe helping readers better understand the creations their beliefs have inspired After tracing the history and development of a religion the book provides a general overview of its principal beliefs and key practices It then offers specific examples of how works of art architecture reflect that religion's values The focus of each chapter is on the temples churches and religious buildings statues paintings and other works of art and architecture created by believers Each representative work of art or architecture is examined in terms of its history materials symbols colors and patterns as its significance is explained to the reader With extensive illustrations these volumes are the definitive reference work on art and architecture of the world's religions
