Sandakan A Conspiracy Of Silence:

Sandakan Lynette Ramsay Silver,2011 It is August 1945 and World War 2 is over Japan has surrendered As the Western world rejoices deep in the jungles of British North Borneo the small number of remaining Australian and British prisoners of war are massacred Of the 2434 prisoners incarcerated by the Japanese at the Sandakan POW camp only six all escapees have survived The POW s sent from Singapore in 1942 43 to work on airfield construction endured frequent beatings and were subjected to other more diabolical punishment Sustained only by an inadequate and ever diminishing rice ration and with little medical attention many died of malnutrition maltreatment and disease In 1945 in response to an order from the Japanese High Command that no prisoners were to survive the war those still able to walk were sent on a series of death marches into the interior Anyone unable to keep up was ruthlessly murdered Those left behind were systematically starved to death or massacred In late 1944 the Allied aware that POW s were being eliminated had evolved a plan for their rescue a rescue which after months of bungling was finally cancelled in April 1945 in the erroneous belief that the camp had b been evacuated Gross incompetence and faulty intelligence were to blame for the failed rescue attempt When it was realized that mistakes and stupidity were responsible for the deaths of hundreds of men those at the highest level shifted the blame to others before embarking upon a policy of willful and deliberate suppression Lynette Silver through painstaking research and interviews with survivors as well as a study of Japanese records has pieced together a detailed and highly readable account of the lives and ultimate fate of Sandakan s POW s She tells a totally gripping and horrifying tale not only of the prisoners but the reasons why they and their story became World War 2 s most deadly secret Sandakan Lynette Ramsay Silver,2016-04-01 It is August 1945 and World War II is over Japan has surrendered As the Western world rejoices deep in the jungles of British North Borneo the small number of remaining Australian and British prisoners of war are massacred Of the 2434 prisoners incarcerated by the Japanese at the Sandakan POW camp only six all escapees have survived The POW s sent from Singapore in 1942 43 to work on airfield construction endured frequent beatings and were subjected to other more diabolical punishment Sustained only by an inadequate and ever diminishing rice ration and with little medical attention many died of malnutrition maltreatment and disease Lynette Silver through painstaking research and interviews with survivors as well as a study of Japanese records has pieced together a detailed and highly readable account of the lives and ultimate fate of Sandakan s POW s She tells a totally gripping and horrifying tale not only of the prisoners but the reasons why they and their story became World War II s most deadly secret *Fighting Monsters* Richard Wallace Braithwaite,2016 Only six escapees survived the Sandakan death marches of 1945 in North Borneo the worst atrocity ever inflicted on Australian soldiers 1787 Australian and 641 British POWs perished Previous descriptions of the numerous violent acts have yielded little understanding of a situation where the real struggle was to keep one s humanity when so many were losing theirs whether Allied POWs local residents of Borneo Javanese slave labourers or Japanese soldiers Understanding this

extraordinary story is aided by reference to a wide range of sources in different countries and disciplines and by examining the perspectives of all players in this terrible game of survival An unusual and extreme POW story the Sandakan tragedy had four stages active resistance in 1942 3 stubborn endurance in 1943 4 the collapse of civilized existence in 1945 and finally the postwar decades of torment for the six damaged survivors the gradual assimilation of the story the healing of the damage and the commemoration of the tragedy by the families and communities involved Richard Wallace Braithwaite's father was one of the six survivors of the Sandakan death marches of 1945 He died in 1986 still wanting the story to be properly told This led to a project that has lasted for much of the last forty years of the author's life culminating in this book With a scientific background Richard worked for many years with CSIRO and universities in the biological and social sciences and in historical research His extensive and diverse research history and lifelong personal immersion in the story has given him a unique perspective in exploring the complexities of the Sandakan tragedy

Western Power in Asia Arthur Cotterell, 2011-08-04 For centuries the major powers of the West were seduced by the allure of the countries of the Far East Spices textiles silk and tea were the staples of East West trade But competition between Western traders eventually caused military intervention in Asian affairs and the establishment of colonial empires These actions have shaped the history of mankind and left a legacy that still reverberates throughout Asia Western Power in Asia is a unique contribution to the understanding of present day Asia Essential reading for anyone interested in world history Arthur Cotterell offers fascinating insights into five hundred extraordinary years of power and influence by the West which disappeared spectacularly after the Second World War The author's ability to tell both sides of the story with the aid of contemporary illustrations as well as quotations makes this book a tremendous resource for students of Asian history And because the entire colonial experience is covered for the first time within a single volume Western Power in Asia also provides the general reader with an unusual and invaluable perspective on East West relations As countries such as China and India become key players on the world stage Western Power in Asia provides a timely reminder of the path that led to their present positions while allowing a poignant opportunity to reflect on how they might in future treat their Western trading partners

Blood on Their Hands Cecil Lowry, 2024-04-04 From its invasion of Manchuria through to the Allies victory in 1945 the Japanese Imperial Army was guilty of widespread atrocities against its enemies and in particular the civilians of occupied countries Massacre human experimentation starvation forced labour and even cannibalism were commonplace during that period It has been estimated that the number of deaths which resulted from these atrocities range from anything from three to fourteen million people Using this appalling record the author explains in graphic detail the cruelty of Japanese military forces drawing attention to the impact on ordinary people He explores the possible reasons why people committed such horrendous acts Seventy eight years have passed since the surrender yet the Japanese government has never squarely acknowledge their

crimes nor has it made an official apology Over the years since a handful of extreme right wing elements in Japan has depicted the war and the atrocities as the liberation of backward nations They have attempted to reinterpret bloody massacres as a self defensive holy war As his father Hugh Lowry suffered grievously as a Prisoner of War on the infamous Thai Burma Railway the author knows first hand of the lasting psychological and physical wounds suffered by victims of Japanese brutality This disturbing book should serve as a warning that such extreme and widespread behaviour should never be repeated

Aussie Soldier Denny Neave, Craig Smith, 2009-03-01 The second book in the Aussie Soldier series Aussie Soldier Prisoners of War by Denny Neave and Craig Smith details the lives of the men and women who found themselves on the wrong side of the wire This collection of heartfelt stories and anecdotes from Australian POWs will take you on their very personal journeys Surviving as a prisoner of war required as much strength of character as any hard fought battle Some lived to tell their tales about extreme suffering mateship and hardship and many would carry with them forever the memories of those who died Almost 35 000 Australian service personnel were taken prisoner during the Boer War World War 1 World War 2 and the Korean War As POWs are relatively few in number their stories often take a back seat when it comes to tales about battles and conflict situations Like most soldiers former prisoners do not like reliving the horrors of war and their time in captivity This is a collection of the stories of our Australian POWs Interviews questionnaires written records images and letters provide an insight into captivity and the joy and fears that came with their release These vivid and compelling stories highlight the contradictions of war the compassion and generosity on the one hand and the cruelty hate and indifference on the other

The Final Betrayal Mark Felton, 2010-06-19 This book examines the period between the unconditional surrender of Japan on 14 August 1945 and the arrival of Allied liberation forces in Japanese occupied territories after 2 September 1945 The delay handed the Japanese a golden opportunity to set their house in order before Allied war crimes investigators arrived After 14 August groups of Allied POWs were brutally murdered Vast amounts of documentation concerning crimes were burned ahead of the arrival of Allied forces POW facilities and medical experimentation installations were either abandoned or destroyed Perhaps the greatest crimes were continuing deaths of Allied POWs from starvation disease and ill treatment after the Japanese surrender The blame rests with the American authorities and particularly General MacArthur Supreme Allied Commander in the Pacific MacArthur expressly forbade any Allied forces from liberating Japanese occupied territories before he had personally taken the formal Japanese surrender aboard the USS Missouri in Tokyo Bay on 2 September 1945 Vice Admiral Lord Mountbatten Commanding Allied forces in Southeast Asia protested against this policy believing that pandering to MacArthurs vanity and ego would mean condemning many starving and sick prisoners to death Deaths among British and Commonwealth POWs were significant as opposed to American POWs who were already largely liberated in the Philippines and elsewhere
