A Critical Introduction

Simone De Beauvoir A Critical Introduction

Wendy O'Brien, Lester Embree

Simone De Beauvoir A Critical Introduction:

Simone de Beauvoir Edward Fullbrook, Kate Fullbrook, 1998-02-04 This book provides the first comprehensive introduction to Simone de Beauvoir's philosophical thought. Beauvoir has long been recognized as the twentieth century's leading feminist writer, but the full extent of her significance as a philosopher is just coming into focus. This study examines the history of Beauvoir's development into one of the most original and influential thinkers of her era. The Fullbrooks begin with an account of Beauvoir's formation as a philosopher. They then explore her early writing on philosophical method and the ways this shaped her fiction. The book traces the development of Beauvoir's central theories of embodied consciousness and intersubjectivity and examines her concepts of the individual and the social other. An analysis of Beauvoir's ethics of liberation leads to philosophical readings of her great works of applied ethics: *The Second Sex* and *Old Age*. Finally, Beauvoir's contribution to continuing debates about consciousness, the body, the self, and the other is reassessed. The publication of this introduction to Beauvoir's philosophy is an important contribution to the current renaissance of Beauvoir studies. Clear, accessible, and lively, this book is essential reading not only for students of Beauvoir but for anyone interested in the submerged record of women's impact on philosophy. *The Cambridge Companion to Simone de Beauvoir* Claudia Card, 2003-03-10 Table of contents [Simone de Beauvoir](#) Ursula Tidd, 2004-06-02 Simone de Beauvoir's groundbreaking work has transformed the way we think about gender and identity. Without her 1949 text *The Second Sex*, gender theory as we know it today would be unthinkable. A leading figure in French existentialism, Beauvoir's concepts of becoming woman and of woman as Other are among the most influential ideas in feminist enquiry and debate. This book guides the reader through the main areas of Simone de Beauvoir's thought, including existentialism and ethics, gender studies and feminism, literature and autobiography, sexuality, the body, and ageing. Drawing upon Beauvoir's literary and theoretical texts, this is the ideal introduction to her thought for students on a range of courses, including literature, cultural studies, gender philosophy, and modern languages. *Simone de Beauvoir: The Basics* Megan Burke, 2024-08-08 Simone de Beauvoir: The Basics provides an accessible introduction to the life, work, and ground-breaking ideas of author, philosopher, and feminist Simone de Beauvoir. The book offers readers the basics of Beauvoir, affording new and continuing readers a guide to her works and ideas. The book examines main developments in her life, the social and political events and efforts, as well as intellectual figures who influenced her thinking. Readers will be introduced to her existentialist ethics of freedom and her preoccupation with situations of oppression, covering her more widely read philosophical texts like *The Second Sex* and *The Ethics of Ambiguity*, as well as her lesser-known texts like *A Very Easy Death* and *Les Belles Images*. *Simone de Beauvoir: The Basics* offers an energetic introduction to Beauvoir that encourages readers to study her further and that will inspire them to think with Beauvoir in their own lives and is of value to those studying Beauvoir's work for the first time and those looking for a supplement to their general knowledge of Beauvoir. **The Existential Phenomenology of Simone de Beauvoir** Wendy

O'Brien, Lester Embree, 2013-06-29 While earlier research considered Simone de Beauvoir in the perspectives of Existentialism or Feminism this work is the first to emphasize her reflective and descriptive approach and the full range of issues she addresses There are valuable chapters and sections that are historical and or comparative but most of the contents of this work critically examine Beauvoir's views on old age whereon she is the first phenomenologist to work biology gender ethics ethnicity where she is among the first and politics again among the first Besides their systematic as well as historical significance these chapters show her philosophy as on a par with those of Merleau Ponty and Jean Paul Sartre in quality richness and distinctiveness of problematics and the penetration of her insight into collective as well as individual human life within the socio historical world

Simone de Beauvoir - A Beginner's Guide Alison Holland, 2012-07-27 Simone de Beauvoir was among the 20th century's most influential thinkers She was a philosopher at the forefront of existentialism a pioneering thinker on women and feminism in *The Second Sex* the writer of prize winning fiction an autobiographical writer and a committed political activist Introducing her life and work in a straightforward jargon free way this guide offers readings of her fiction explores the many facets of her thought and assesses her contribution to the intellectual debate

Simone de Beauvoir's Philosophy of Lived Experience Eleanore Holveck, 2002 Simone de Beauvoir developed her philosophy of lived experience as she actually wrote fiction Hence Beauvoir should be placed among major philosophical novelists of the twentieth century like Toni Morrison and Nadine Gordimer and Beauvoir's theory of the metaphysical novel acknowledges multicultural traditions of story telling and song which are not locked into the theoretical abstractions of the Greek philosophical tradition In Simone de Beauvoir's *Philosophy of Lived Experience* Eleanore Holveck presents Simone de Beauvoir's theory of literature and metaphysics including its relationship to the philosophers Edmund Husserl Martin Heidegger Immanuel Kant Maurice Merleau Ponty and Jean Paul Sartre with references to the literary tradition of Goethe Maurice Barr's Arthur Rimbaud Andr Breton and Paul Nizan The book provides a detailed philosophical analysis of Beauvoir's early short stories and several major novels including *The Mandarins* and *L'Invitation* from the point of view of other women who appear on the fringes of Beauvoir's fiction shop girls seamstresses and prostitutes Holveck applies Beauvoir's philosophy to her own lived experience as a working class teenager who grew up in jazz clubs similar to those Beauvoir herself visited in New York and Chicago

Annie Ernaux Siobhán McIlvanney, 2001-01-01 This text provides an analysis of Annie Ernaux's individual texts It engages in a series of provocative close readings of her works to highlight the contradictions and nuances in her writing demonstrating the intellectual intricacies of her work

Writing, a Woman's Business Judy Simons, Kate Fullbrook, 1998 This study examines the problems that women writers encounter as they attempt to write themselves into a culture that in critical and commercial terms has traditionally been dominated by men

French Existentialism, 2021-11-15 This book is a critical appraisal of the distinctive modern school of thought known as French existentialism It philosophically engages the ideas of the major French existentialists namely Beauvoir Merleau Ponty Marcel Camus and because of his

central role in the movement especially Sartre in a fresh attempt to elucidate their contributions to contemporary philosophy

This Is a Classic Regina Galasso,2023-01-26 This Is a Classic illuminates the overlooked networks that contribute to the making of literary classics through the voices of multiple translators without whom writers would have a difficult time reaching a global audience It presents the work of some of today s most accomplished literary translators who translate classics into English or who work closely with translation in the US context and magnifies translators knowledge skills creativity and relationships with the literary texts they translate the authors whose works they translate and the translations they make The volume presents translators expertise and insight on how classics get defined according to language pairs and contexts It advocates for careful attention to the role of translation and translators in reading choices and practices especially regarding literary classics

Femmenism and the Mexican Woman Intellectual from Sor Juana to Poniatowska Emily Hind,2010-10-11 Hind draws on poetry short stories plays novels photographs personal correspondence advertising and interviews to make visible the anti feminine tendencies in femmenism and to imagine a femmenism that will appeal to the next generation of women

A Phenomenology of Oppression ,1977 **Philosophical Writings** Simone de Beauvoir,Margaret A. Simons,2005-01-26 Despite growing interest in her philosophy Simone de Beauvoir remains widely misunderstood She is typically portrayed as a mere intellectual follower of her companion Jean Paul Sartre In Philosophical Writings Beauvoir herself shows that nothing could be further from the truth Beauvoir s philosophical work suffers from a lack of English language translation or worse mistranslation into heavily condensed popular versions Philosophical Writings provides an unprecedented collection of complete scholarly editions of philosophical texts that cover the first twenty three years of Beauvoir s career including a number of recently discovered works Ranging from metaphysical literature to existentialist ethics Philosophical Writings brings together diverse elements of Beauvoir s work while highlighting continuities in the development of her thought Each of the translations features detailed notes and a scholarly introduction explaining its larger significance Revelatory and long overdue Philosophical Writings adds to the ongoing resurgence of interest in Beauvoir s thought and to her growing influence on today s philosophical curriculum

Idle Talk, Deadly Talk Ana Rodríguez NavasX,2018-10-22 Chaucer called it spiritual manslaughter Barthes and Benjamin deemed it dangerous linguistic nihilism But gossip long derided and dismissed by writers and intellectuals is far from frivolous In Idle Talk Deadly Talk Ana Rodr guez Navas reveals gossip to be an urgent utilitarian and deeply political practice a means of staging the narrative tensions and waging the narrative battles that mark Caribbean politics and culture From the calypso singer s superficially innocent rhymes to the vicious slanders published in Trujillo era gossip columns words have been weapons elevating one person or group at the expense of another Revising the overly gendered existing critical frame Rodr guez Navas argues that gossip is a fundamentally adversarial practice Just as whispers and hearsay corrosively define and surveil identities they also empower writers to skirt sanitized monolithic historical accounts by weaving alternative versions of their

nations histories from this self governing discursive material Reading recent fiction from the Hispanic Anglophone and Francophone Caribbean and their diasporas alongside poetry song lyrics journalism memoirs and political essays Idle Talk Deadly Talk maps gossip s place in the Caribbean and reveals its rich possibilities as both literary theme and narrative device As a means for mediating contested narratives both public and private gossip emerges as a vital resource for scholars and writers grappling with the region s troubled history

Nonviolence: Critiquing Assumptions, Examining Frameworks

Michael Brown, Katy Gray Brown, 2018-12-10 Many judgments regarding what is good or bad possible or impossible rely upon unspoken assumptions or frameworks which are used to view and evaluate events and actions Philosophers uncover these hidden aspects of thoughts and judgments scrutinizing them for soundness validity and fairness These assumptions and frameworks permeate the topics of violence nonviolence war conflict and reconciliation and these assumptions influence how we address these problems and issues The papers in this volume explore what kind of assumptions and frameworks would be needed in order for people to see nonviolence as a sensible approach to contemporary problems Topics include conceptions of positive peace nonviolence and international structures and perspectives on peace education Contributors are Elizabeth N Agnew Andrew Fitz Gibbon William C Gay Ronald J Glossop Ian M Harris John Kultgen Joseph C Kunkel Douglas Lewis Danielle Poe and Harry van der Linden

Translating Feminism in China Zhongli Yu, 2015-06-05 This book explores translation of feminism in China through examining several Chinese translations of two typical feminist works The Second Sex TSS Beauvoir 1949 1952 and The Vagina Monologues TVM Ensler 1998 TSS exposes the cultural construction of woman while TVM reveals the pervasiveness of sexual oppression toward women The female body and female sexuality including lesbian sexuality constitute a challenge to the Chinese translators due to cultural differences and sexuality still being a sensitive topic in China This book investigates from gender and feminist perspectives how TSS and TVM have been translated and received in China with special attention to how the translators meet the challenges Since translation is the gateway to the reception of feminism an examination of the translations should reveal the response to feminism of the translator as the first reader and gatekeeper and how feminism is translated both ideologically and technically in China The translators decisions are discussed within the social historical and political contexts Translating Feminism in China discusses among other issues Feminist Translation Practice Theory and Studies Translating the Female Body and Sexuality Translating Lesbianism Censorship Sexuality and Translation This book will be relevant to postgraduate students and researchers of translation studies It will also interest academics interested in feminism gender studies and Chinese literature and culture Zhongli Yu is Assistant Professor of Translation Studies at the University of Nottingham Ningbo China UNNC

The Palgrave Handbook of German Idealism and Existentialism Jon Stewart, 2020-08-25 This Handbook explores the complex relations between two great schools of continental philosophy German idealism and existentialism While the existentialists are commonly thought to have rejected idealism as overly abstract and neglectful of the concrete experience of the individual

the chapters in this collection reveal that the German idealists in fact anticipated many key existentialist ideas A radically new vision of the history of continental philosophy is thereby established one that understands existentialism as a continuous development from German idealism Key Features Operates at both the macro level and micro level treating both the two schools of thought and the individual thinkers associated with them Explores the relations from shifting perspectives by examining how the German idealists anticipated existentialist themes and how the existentialists concretely drew on the work of the idealists Meticulously uncovers and documents many little known points of contact between the German idealists and the existentialists Includes often neglected figures such as Jacobi and Trendelenburg This Handbook is an essential resource for researchers and advanced students interested in thinking critically about the broad development of continental philosophy Moreover the individual chapters on specific philosophers contain a wealth of information that will compel experts in the field to reconsider their views on these figures

Genre and Void Max Deutscher, 2017-09-29 This book was first published in 2003 Developing a reading of some of Beauvoir's and Sartre's most influential writings in philosophy Max Deutscher explores contemporary philosophy in the light of the phenomenological tradition within which Being and Nothingness and The Second Sex occurred as striking events operating on the border of the modern and the post modern Deutscher traces the shifts of genre that produce their gendered philosophies and responds in terms of contemporary experience to the mood and the arguments of their works Drawing upon the writings of two contemporary critics in particular Michele Le Duff and Luce Irigaray Deutscher reworks this part of philosophy's history in order to advance thinking in contemporary philosophy generate renewed philosophical reflection on consciousness freedom and one's relation to others and to return a look still cast in our direction from an earlier time

Excess and Transgression in Simone de Beauvoir's Fiction Alison Holland, 2017-03-02 Alison Holland's innovative book fills a gap in Beauvoir studies by focusing on the writer's frequently neglected novels and short stories L'Invitation Les Mandarins Les Belles Images and La Femme rompue In illuminating the density and rich complexity of Beauvoir's style Holland challenges the often accepted view that Beauvoir's writing is flat detached and controlled revealing rather that her prose is frequently disrupted and inflected by forceful emotion Holland shows that excess and transgression are intrinsic qualities of the texts and argues that Beauvoir's textual strategies duplicate madness in her fiction Holland's reading of Beauvoir's fiction demonstrates the extent to which Beauvoir's fiction undermines an ideologically patriarchal position on language Her study is important not only for its re-evaluation of Beauvoir as a fiction writer but for its contribution to the wider debate on madness and literature
