Robert Cormier

Lord Of Nutcracker Men:

Lord of the Nutcracker Men Iain Lawrence, 2003 It's 1914 and Johnny plays at war with nutcracker soldiers his father sends to him from the battlefields in France Can he control his father's fate and the war itself Cf *Our choice* 2003 *British Children's Literature and the First World War* David Budgen, 2018-05-17 Perceptions of the Great War have changed significantly since its outbreak and children's authors have continually attempted to engage with those changes explaining and interpreting the events of 1914-18 for young readers *British Children's Literature and the First World War* examines the role novels textbooks and story papers have played in shaping and reflecting understandings of the conflict throughout the 20th century David Budgen focuses on representations of the conflict since its onset in 1914 ending with the centenary commemorations of 2014 From the works of Percy F Westerman and Angela Brazil to more recent tales by Michael Morpurgo and Pat Mills Budgen traces developments of understanding and raises important questions about the presentation of history to the young He considers such issues as the motivations of children's authors and whether modern children's books about the past are necessarily more accurate than those written by their forebears Why for example do modern writers tend to ignore the global aspects of the First World War Did detailed narratives of battles written during the war really convey the truth of the conflict Most importantly he considers whether works aimed at children can ever achieve anything more than a partial and skewed response to such complex and tumultuous events

Ghost Boy Iain Lawrence, 2002-03-12 Harold Kline is an albino an outcast Folks stare and taunt calling him Ghost Boy It's been that way for all of his 14 years So when the circus comes to town Harold runs off to join it Full of colorful performers the circus seems like the answer to Harold's loneliness He's eager to meet the Cannibal King a sideshow attraction who's an albino too He's touched that Princess Minikin and the Fossil Man two other sideshow curiosities embrace him like a son He's in love with Flip the pretty and beguiling horse trainer and awed by the all-knowing Gypsy Magda Most of all Harold is proud of training the elephants and of earning respect and a sense of normalcy Even at the circus though two groups exist the freaks and everyone else Harold straddles both groups But fitting in comes at a price and Harold must recognize the truth beneath what seems apparent before he can find a place to call home

Cormier,2001-12-04 Twelve year old Jason is accused of the brutal murder of a young girl Is he innocent or guilty The shocked town calls on an interrogator with a stellar reputation he always gets a confession The confrontation between Jason and his interrogator forms the chilling climax of this terrifying look at what can happen when the pursuit of justice becomes a personal crusade for victory at any cost **The Castaways** Iain Lawrence,2007-11-13 ADRIFT AT SEA Tom Tin and his four convict companions are only too glad when they come upon a deserted ship The boys clamber aboard not knowing whether they ve been saved or set on a course toward doom But after rescuing two men stranded on a melting iceberg Tom begins to suspect that these unsavory sailors are dangerous castaways from this very vessel The more Tom questions the men the more they dislike him So when Tom overhears them plotting to get rid of him he knows they mean it But the other boys don t feel threatened at least not until the sailors attempt to sell them as slaves a decision that ends with death for some and with Tom sailing the ship home to England Soon Tom discovers that he has to cast away every ill intentioned companion from his

voyage home before he can truly be free *Boys and Girls in No Man's Land* Susan Fisher, 2011-04-09 Boys and Girls in No Man's Land examines how the First World War entered the lives and imaginations of Canadian children Drawing on educational materials textbooks adventure tales plays and Sunday school papers this study explores the role of children in the nation's war effort Susan R Fisher also considers how the representation of the war has changed in Canadian children's literature During the war the conflict was invariably presented as noble and thrilling but recent Canadian children's books paint a very different picture What once was regarded a morally uplifting struggle rich in lessons of service and sacrifice is now presented as pointless slaughter This shift in tone and content reveals profound changes in Canadian attitudes not only towards the First World War but also towards patriotism duty and the shaping of the moral citizen
