Lorelei Two My Life With Conrad Aiken:

Lorelei two : my life with Conrad Aiken Clarissa M. Lorenz, 1983 *Conrad Aiken* Edward Butscher, 2010-06-01 The first of a planned two volume biography Conrad Aiken Poet of White Horse Vale follows Aiken's early life from his birth in 1889 to 1925 when he stood on the threshold of both nervous breakdown and poetic success It was then that Aiken began to face his paradoxically idyllic and tragic Savannah childhood and to confront the events of February 27 1901 On that day the eleven year old Aiken heard gunshots punctuate a nightlong argument between his mother and father Running into the next room he discovered his mother murdered and his father dead by suicide Sounding the deep reverberations of those events in Aiken's mind Edward Butscher follows the poet's life and work as he sought to regain in some permanent form the idyll he had lost as a child Butscher tells of Aiken's determined efforts to gain recognition for his verse in the fevered cultural circuits of the early twentieth century from his friendship begun at Harvard with T S Eliot through frustrating excursions into the literary society of England and repeated trips on the poetic trade route from his home in Boston to Chicago and New York to often sharp encounters with such powerful cultural barons as Ezra Pound Amy Lowell and Harriet Monroe Hoping to build his reputation on a series of detached poetic symphonies to keep depression from boiling over into madness and suicide Aiken skirted the border of his deepest memories and fears a border he would cross in the works that lay ahead **A Study Guide for Conrad Aiken's "Impulse"** Gale, Cengage Learning, A Study Guide for Conrad Aiken's Impulse excerpted from Gale's acclaimed Short Stories for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Short Stories for Students for all of your research needs Love's Story Told Forrest Glen Robinson, 1992 Searching out the private man as well as the public figure this elegantly written biography follows Henry Murray through his discoveries and triumphs as a pioneer in the field of clinical psychology as a co founder of Harvard's Psychological Clinic the co inventor of the Thematic Apperception Test and a biographer of Herman Melville Murray's fascination with Melville's troubled genius his wartime experiences in the O S S and his close friendships with Lewis Mumford and Conrad Aiken all come to the fore in this masterly reconstruction of a life And always at the heart of this story Robinson finds Murray's highly erotic and mystical relationship with Christiana Morgan Love's Story Told penetrates to the heart of a brilliant figure in American intellectual life at mid century as he dives deeply into the unconscious testing in work and love the limits of self exploration **Time's Stop in Savannah** Ted Ray Spivey, 1997 Times's Stop in Savannah examines the life and works of poet Conrad Aiken The literary spiritual and psychological development of an often misunderstood figure of modern American literature is revealed in this study Since Aiken's death he has gained increasing recognition as an important figure in modern literature Times's Stop in Savannah shows how Aiken developed his vision of cosmic harmony The ripe fruit of discovery can be found in his universally acclaimed autobiography Ushant a work that begins in tragedy and ends in the triumphant vision of ever renewing life

The Kaleidoscopic Vision of Malcolm Lowry Nigel H. Foxcroft, 2019-10-28 The Kaleidoscopic Vision of Malcolm Lowry Souls and Shamans is an interdisciplinary investigation of the multifaceted intuitive insight of international modernist writer Malcolm Lowry through an analysis of a selection of works and correspondence Nigel H Foxcroft analyzes his psychogeographic perception of the interconnectedness of East West cultures and civilizations in terms of pre Columbian Mesoamerican customs the Mexican Day of the Dead festival the Atlantis myth surrealism and Russian literary filmic and political influences He traces his intellectual efforts in pursuing philosophical and cosmic knowledge to bridge the gap between the natural sciences and the humanities This monograph identifies Lowry s attempts to reintegrate modernism with primitivism in his quest for an elixir of life for the survival of humanity on the brink of global catastrophe as indicated in In Ballast to the White Sea and Under the Volcano It also examines his sustained endeavors to attain psychoanalytical atonement with himself and his environment in Ultramarine Swinging the Maelstrom The Forest Path to the Spring and October Ferry to Gabriola It also discusses the odyssey on which Lowry and his literary protagonists embark to connect with the past and to gain a deeper insight into human nature in Dark as the Grave Wherein My Friend is Laid La Mordida and Through the Panama Scholars of cultural studies history humanities Latin American studies literature and Russian studies will find this book particularly useful **Conrad Aiken** Ted Ray Spivey, Arthur E. Waterman, 1989 **The Third and Only Way** Helen Bevington, 1996 Beatrix Potter Sappho Yeats Alexander the Great Montaigne Saint Cecilia Virginia Woolf Liv Ullmann and many others Bevington finds in these lives a path that has guided her search away from solitude Through her reflections on the ten years that followed her son s death we become aware of how far she has traveled how the search has brightened how she has eloquently evolved into old age In the end she is sitting like the Buddha under her own fig tree

The Letters of Conrad Aiken and Malcolm Lowry, 1929-1954 Conrad Aiken, Malcolm Lowry, 1992 From the beginning John Sutherland recognized that his literary gifts lay in criticism rather than in poetry His independence from the academy and his largely autodidactic training gave him a unique perspective as a critic of Canadian literature What these letters document beyond a purely personal struggle is a period 1942 1956 of great importance in the development of Canadian poetry and it is above all the nuts and bolts of that development that they bring into keen relief the economics of publishing books and literary magazines in the days before The Canada Council and the difficulty if not the impossibility of trying wholly to live a life in literature at that time **The New Georgia Encyclopedia Companion to Georgia Literature** Hugh Ruppersburg, John C. Inscoe, 2011-08-15 Georgia has played a formative role in the writing of America Few states have produced a more impressive array of literary figures among them Conrad Aiken Erskine Caldwell James Dickey Joel Chandler Harris Carson McCullers Flannery O Connor Jean Toomer and Alice Walker This volume contains biographical and critical discussions of Georgia writers from the nineteenth century to the present as well as other information pertinent to Georgia literature Organized in alphabetical order by author the entries discuss each author s life and work contributions to Georgia

history and culture and relevance to wider currents in regional and national literature Lists of recommended readings supplement most entries Especially important Georgia books have their own entries works of social significance such as Lillian Smith's *Strange Fruit* international publishing sensations like Margaret Mitchell's *Gone With the Wind* and crowning artistic achievements including Jean Toomer's *Cane* The literary culture of the state is also covered with information on the *Georgia Review* and other journals the Georgia Center for the Book which promotes authors and reading and the Townsend Prize given in recognition of the year's best fiction This is an essential volume for readers who want both to celebrate and learn more about Georgia's literary heritage

Right here, we have countless books **Lorelei Two My Life With Conrad Aiken** and collections to check out. We additionally come up with the money for variant types and next type of the books to browse. The tolerable book, fiction, history, novel, scientific research, as with ease as various other sorts of books are readily available here.
