Finding Grace Loretta Rothschild, 2025-07-08 NATIONAL BESTSELLER A July Indie Next Pick A strikingly original and deeply moving debut People Begins with such a gasp inducing twist that it's almost impossible to describe Real Simple The literary book of the summer Sarah Gelman CBS Mornings SHE THOUGHT IT WAS FATE I KNEW IT WASN'T Honor seems to have everything she adores her bright and beautiful daughter Chloe and her charming handsome husband Tom even if he works one hundred hours a week Yet Honor's longing for another baby threatens to eclipse all of it until a shocking event changes their lives forever Years later Tom makes a decision that ripples through their families lives in ways he could never have foreseen As the consequences of that fateful choice unfold two women's paths become irrevocably intertwined But when old love clashes with new who will be left standing And what happens when your secrets come back to haunt you Blending a page turning moral dilemma with satisfying emotional poignancy Finding Grace is a sweeping love story that explores the price of a new beginning how the ghosts of our past shape our future and whether redemption can be found in the wreckage of what we've lost

Finding Our Voice Matthew D. Kim, Daniel L. Wong, 2020-06-17 No one preaches in a cultural vacuum The message of what God has done in Christ is good news to all but to have the greatest impact on its hearers or even to be understood at all it must be culturally contextualized Finding Our Voice speaks clearly to an issue that has largely been ignored preaching to Asian North American ANA contexts In addition to reworking hermeneutics theology and homiletics for these overlooked contexts Kim and Wong include examples of culturally specific sermons and instructive questions for contextualizing one's own sermons Finding Our Voice is essential reading for all who preach and teach in ANA contexts But by examining this kind of contextualization in action all who preach in their own unique contexts will benefit from this approach

Charles Booker is thrilled to start married life in Two Harbors Minnesota with his ambitious ornithologist bride Caroline but he sabotages his own happiness when blinded by his desire for a family he tricks Caroline into a pregnancy she doesn't want. Caroline bold and unapologetic follows her own nature and holds Charles to his promise to parent their daughter without her help an arrangement that allows her to travel the world and follow her birds wherever they may take her. This uneasy truce results in near tragedy for their daughter Grace who comes of age in a household full of toxic resentment on the one side and suffocating love on the other and increasingly struggles with her mental health as she grows older. Told by all three of the characters involved and set against the backdrop of Lake Superior Finding Grace is a piercing chronicle of the struggles and eventual insight gained by each over the years starting with Charles and Caroline's courtship and continuing into Grace's early adulthood and a poignant coming of age journey for both Grace and her parents.
