Szakolczai, 2019-10-10 This book offers a new approach to the problem of evil through an examination of the anthropological figure of the trickster A lesser known and much more recent term than evil the authors use the trickster to facilitate a greater understanding of the return of evil in the modern era Instead of simply opposing good and evil the figure of the trickster is used to pursue the trajectories of similarities and quasi similarities through imitation After engaging with the trickster as presented in comparative anthropology and mythology where it appears in tales and legends as a strange erratic outsider the authors seek to gain an inside perspective of trickster knowledge through an examination of mythology and the classical world including both philosophers and poets The book then goes on to trace the trickster through prehistory using archaeological evidence to complement the diverse narratives In this way and by investigating the knowledge and customs surrounding evil the authors use the figure of the trickster to provide an unprecedented diagnosis of the contemporary world where external mechanical rationality has become taken for granted and even considered as foundational in politics economics and technologised science The authors advance the idea that the modern world with its global free markets mass mediatic democracy and technologised science represents a universalisation of trickster logic The Political Sociology and Anthropology of the Evil will be of interest to scholars working in the fields of social theory political anthropology and political sociology as well as those interested in the ways in which evil can infiltrate reality Sightlines Leona Theis, 2000 Winner Saskatchewan Fiction Award Saskatoon Book Award Saskatchewan Book Awards The thirteen stories in this debut short fiction collection weave together the lives of a cast of characters from the small community of Flat Hill over a thirty year period from the 1960s to the 1990s Leona Theis uses flashbacks within stories revisits characters at more than one time in their lives and has main characters in one story appear as bit players in another all to build a complex portrait of a group of people who share a single point of departure Flat Hill Relationships and friendships thrive or wither children grow up and move away to the city seniors pass on and time moves everyone relentlessly forward whether they want to go or not No matter how accomplished and subtly rewarding each story in Sightlines is what is finally most remarkable about this book is how the individual stories fit together demonstrating that in Leona Theis s case the whole really is far greater than the sum

Losing Forever: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year.

The Must-Read : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail.

Losing Forever : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Losing Forever : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
