Maidment, 2013-12-17 Promoting health and wellbeing is an essential part of all effective social work not just for practice in healthcare settings In fact the IFSW holds that social workers in all settings are engaged in health work and physical and mental resilience can make a major difference to all service users lives Drawing on international literature and research the authors collected here encourage thinking about the social political cultural emotional spiritual economic and spatial aspects of health and wellbeing and how they impact on the unique strengths and challenges of working with particular populations and communities Divided into three parts the first section outlines the major theoretical paradigms and critical debates around social work and ideas of wellbeing globalisation risk and vulnerability and the natural environment The second part goes on to explore how diverse understandings of culture identity spirituality and health require different strategies for meeting health and wellbeing needs The final part presents a variety of examples of social work research in relation to health and wellbeing with specific populations including mental health Exploring how structural inequality oppression and stigma can impact upon people and drawing upon a social model of health this book is an important read for all practitioners and researchers interested in social work public health and social inclusion The Emerald Horizon Cornelia F. Mutel, 2008-03

In The Emerald Horizon Cornelia Mutel combines lyrical writing with meticulous scientific research to portray the environmental past present and future of Iowa In doing so she ties all of Iowa's natural features into one comprehensive whole Since so much of the tallgrass state has been transformed into an agricultural landscape Mutel focuses on understanding today's natural environment by understanding yesterday's changes After summarizing the geological archaeological and ecological features that shaped Iowa's modern landscape she recreates the once wild native communities that existed prior to Euroamerican settlement Next she examines the dramatic changes that overtook native plant and animal communities as Iowa's prairies woodlands and wetlands were transformed Finally she presents realistic techniques for restoring native species and ecological processes as well as a broad variety of ways in which Iowans can reconnect with the natural world Throughout in addition to the many illustrations commissioned for this book she offers careful scientific exposition a strong sense of respect for the land and encouragement to protect the future by learning from the past The emerald prairie that gleamed and shone to the horizon's edge as botanist Thomas Macbride described it in 1895 has vanished Cornelia Mutel's passionate dedication to restoring this damaged landscape and by extension the transformed landscape of the entire Corn Belt invigorates her blend of natural history and human history Believing that citizens who are

knowledgeable about native species communities and ecological processes will better care for them she gives us hope and sound suggestions for the future

The Life and Works of Augusta Jane Evans Wilson, 1835-1909 Brenda Ayres, 2016-03-03 Over the course of her 57 year career Augusta Jane Evans Wilson published nine best selling novels but her significant contributions to American literature have until recently gone largely unrecognized Brenda Ayres in her long overdue critical biography of the novelist once referred to as the first Southern woman to enter the field of American letters

credits the importance of Wilson's novels for their portrait of nineteenth century America. As Ayres reminds us, the nineteenth century American book market was dominated by women writers and women readers, a fact still to some extent obscured by the make up of the literary canon. In placing Wilson's novels firmly within their historical context, Ayres commemorates Wilson as both a storyteller and maker of American history. Proceeding chronologically, Ayres devotes a chapter to each of Wilson's novels, showing how her views on Catholicism, the South, the Civil War, male authority, domesticity, Reconstruction, and race were both informed by and resistant to the turbulent times in which she lived. This comprehensive and meticulously researched biography contributes not only to our appreciation of Wilson's work but also to her importance as a figure for understanding women's roles in history and their art, evolving gender roles, and the complicated status of women writers.

Justice As Healing: Indigenous Ways Wanda D. McCaslin, 2013-11

The Top Books of the Year Lost And Found Recovering Our Values Reclaiming Our Dream The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. Lost And Found Recovering Our Values Reclaiming Our Dream : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
