Mystery In Mt Mole:

Mystery in Mt. Mole Richard Walker Jennings, 2003 Assistant Principal Jacob Farley had disappeared but as Mt Mole's least liked citizen no one in town seemed to be in any hurry to find him or his captor So thirteen year old Andrew J Forrest takes on the investigation himself discovering along the way many buried secrets about his hometown its population and most explosively about the town's namesake hill Mt Mole itself Worlds Within and Worlds Without Michael Jackson, 2023-04-15 Anthropologist Michael Jackson predicates his intellectual autobiography Worlds Within and Worlds Without on the view that works and lives are intimately entangled Through a skillful interweaving of personal and ethnographic descriptions he focuses on the imaginative and practical ways human beings negotiate the space between worlds they call their own and worlds they regard as lying beyond their immediate purview Whether the worlds that elude our empirical grasp are identified with divinities or the dead ether or earth history or myth the Internet or the nation state we experience them ambivalently as potential sources of wellbeing and as possible threats to our very existence Closing ourselves off from the world is not an option for our humanity depends on the ties that bind us to significant others and others to us As Jackson shows the relationship between the familiar and the foreign is not only an existential issue that all human beings address in one way or another It is a methodological issue for anthropologists concerned with the complementarity of individual and collective perspectives ethnos and anthropos the intrapsychic and the intersubjective

Harmattan Michael D. Jackson,2015-04-21 We all experience qualms and anxieties when we move from the known to the unknown Though our fulfillment in life may depend on testing limits our faintheartedness is a reminder of our need for security and our awareness of the risks of venturing into alien worlds Evoking the hot dust filled Harmattan winds that blow from the Sahara to the Gulf of Guinea this book creatively explores what it means to be buffeted by the unforeseen and the unknown Celebrating the life giving potential of people places and powers that lie beyond our established worlds Harmattan connects existential vitality to the act of resisting prescribed customs and questioning received notions of truth At the book s heart is the fictional story of Tom Lannon a graduate student from Cambridge University who remains ambivalent about pursuing a conventional life After traveling to Sierra Leone in the aftermath of its devastating civil war Tom meets a writer who helps him explore the possibilities of renewal Illustrating the fact that certain aspects of human existence are common to all people regardless of culture and history Harmattan remakes the distinction between home and world and the relationship between knowledge and life **The Pirates of Turtle Rock** Richard Walker Jennings,2008 Sixteen year old Jenny Snow of South Florida finds the adventurous life she craves when she joins forces with eighteen year old Coop DeVille a seventh generation pirate to seek the lost turtle totem of the Ugiri Tom

The Dull Miss Archinard Anne Douglas Sedgwick,2022-09-15 In *The Dull Miss Archinard* Anne Douglas Sedgwick explores the complex interplay of individuality and societal expectations within the confines of Edwardian society Written with exquisite prose and a subtle wit the novel follows the mundane yet poignant life of Miss Archinard who grapples with her unremarkable existence while navigating the nuanced relationships around her Sedgwick s narrative style blends sharp observation with introspective character studies

evoking the psychological depth reminiscent of contemporaries like Henry James yet infused with her unique feminist lens. The book contextualizes the struggle of self identity against prevailing conventions illuminating the quieter revolutions in female lives of the period. Sedgwick an American born into a prominent literary family draws inspiration from her own transatlantic experiences and societal critiques of her time. Her upbringing in an intellectually stimulating environment and her exposure to the arts profoundly influenced her worldview shaping her portrayal of women striving for autonomy and self realization. With an insight born of personal reflection and a broader cultural lens her writing often encapsulates the tension between domesticity and individuality manifesting in her multifaceted characters. This novel is a must read for anyone interested in early 20th century literature feminist narratives or character driven stories. Sedgwick s rich storytelling and insightful commentary invite readers to reflect upon their own experiences of societal expectation and personal aspiration making *The Dull Miss Archinard* both a reflective and engaging literary journey.

3 shi qingyao,2024-11-19 My twin sister went home in the summer vacation of her sophomore year and never went back to school. *Stink City* Richard Walker Jennings,2006 Something stinks about fishing. And as far as Cade Carlsen is concerned it isn t just his family s best selling catfish bait either. While there is no denying that the secret recipe concocted by his grandfather does indeed produce one of the foulest odors ever known it is not the bait s smell but its effectiveness that bothers Cade. Fish feel pain Cade is sure of it so he and his family are complicit in the suffering and death of countless catfish. Cade is determined to make amends but the question is how.
