the events and people of the Trojan War      **The Trojan War** Blake Hoena,2017-01-01 What happens when the gods disagree They send the mightiest of heroes to fight a war But which hero will you be and who will you side with Greece s King Menelaus or Paris a prince from the city of Troy If the gods favor you you just may survive the fighting Full page illustrations interactive stories and multiple endings transport you back to ancient Greece and into thick of battle as the Trojan War rages on      Jesus and the Trojan War Michael Horan,2016-06-14 Jesus and the Trojan War looks at ways in which stories are presented and understood and how story tellers and their listeners may wittingly or unwittingly confuse fact with fiction This book explores the parallels between four stories the Trojan war Moses King Arthur and Jesus and the way their sources relate to their histories and contemporary relevance      The Mythology of the Trojan War Charles River Editors,2017-02-08 Includes pictures Analyzes the mythology and the history of the Iliad Odyssey and war Includes online resources and a bibliography for further reading Like leaves on trees the race of man is found Now green in youth now withering on the ground Another race the following spring supplies They fall successive and successive rise The Iliad Perhaps the most famous epic poems ever written the Iliad and the Odyssey have been read for nearly 3 000 years making them some of the oldest written works in the Western world The poems made characters like Paris Helen Odysseus Achilles Hector and Ajax instantly recognizable and they also influenced other ancient poets like Virgil whose Aeneid is clearly modeled after them The epic poems also literally put Troy on the map motivating Heinrich Schliemann to search for and ultimately find the city of Troy in the 19th century Believed to be penned around the 8th century BCE or 7th century BCE the Iliad and the Odyssey served as both entertainment and a moral guidebook of sorts for the ancient Greeks as well as the foundation for Western literature Although there is some scholarly debate regarding the epic s authorship it is generally attributed to Homer Given that he lived nearly 2800 years ago not much is actually known about Homer even his birthplace is debated but due to the dialect of Greek in which the works attributed to him were written it is generally believed that he lived in Iona The only other aspect of Homer s life that is generally agreed upon is that he was a blind poet possibly also a bard That naturally raises the question of how he wrote his epic poetry but scholars assume he probably dictated them to a scribe as the format suggests they were comprised from various shorter forms of oral poetry Even people who don t know much about ancient Greek mythology can probably still name Achilles the Trojan Horse and a number of other gods that play a part in the story of the Trojan War The enduring nature of this story led to many great people claiming descent from one of the characters found within it for example Alexander the Great was said to have slept with a copy of Homer s Iliad every night during his campaigns a description of the legendary war that describes the epitome of pre hoplite warfare and is still taught at military academies around the world today The entire story from its fickle beginnings to its catastrophic end has made its way to modern readers via surviving sources which when combined form a biopsy of ancient Greek myth and many of its finest elements Most people could be forgiven for mistakenly believing that the Iliad encompasses the entire story of the Trojan

War but the Iliad tells the story of just four days in the ninth year of the war In many ways the Iliad is the story of Achilles s wrath which actually serves as a subtitle in some editions but in order to gain an idea of the full story of what occurred at Troy between ancient heroes Achilles Hector Menelaus and Paris among others readers must collate sources often fragmentary stretching from the 8th century BCE to Roman sources in the 1st century CE Indeed piecing the story together is one of the intentions of this epic poem Another intention of the Iliad is to highlight the nature of the story as a work of mythology not history Although there are certainly historical elements in the story as well as certain seminal moments that affected cult activity in ancient Greece emphasis is placed on the narrative methods that make it an enduring and iconic mixture of myth legend and folklore Since the story of the Trojan War permeates so many of the ancient myths recounted in literature and theater from the Archaic Period onward it is always important to understand that the Trojan War itself was a nexus in ancient Greek mythological thought

**The Trojan Horse** Justine Fontes,Ron Fontes,2017-01-01 For ten years the battle raged Thousands of ancient Greece s best warriors battled their enemies the Trojans in a desperate attempt to win back King Meneleus s beautiful wife Helen After a decade of fighting and thousands dead the Greek forces suddenly fell back Cautiously the Trojans ventured out of the city walls where they discovered a giant wooden horse and a messenger Should they accept this peace offering Or is the gift horse too good to be true

**The Trojan Horse** Justine Fontes,Ron Fontes,2006-08-01 For ten years the battle raged Thousands of ancient Greece s best warriors battled their enemies the Trojans in a desperate attempt to win back King Meneleus s beautiful wife Helen After a decade of fighting and thousands dead the Greek forces suddenly fell back Cautiously the Trojans ventured out of the city walls where they discovered a giant wooden horse and a messenger Should they accept this peace offering Or is the gift horse too good to be true

[The Trojan War](#) Barry Strauss,2006-09-19 The Trojan War is the most famous conflict in history the subject of Homer s Iliad one of the cornerstones of Western literature Although many readers know that this literary masterwork is based on actual events there is disagreement about how much of Homer s tale is true Drawing on recent archeological research historian and classicist Barry Strauss explains what really happened in Troy more than 3 000 years ago For many years it was thought that Troy was an insignificant place that never had a chance against the Greek warriors who laid siege and overwhelmed the city In the old view the conflict was decided by duels between champions on the plain of Troy Today we know that Troy was indeed a large and prosperous city just as Homer said The Trojans themselves were not Greeks but vassals of the powerful Hittite Empire to the east in modern day Turkey and they probably spoke a Hittite related language called Luwian The Trojan War was most likely the culmination of a long feud over power wealth and honor in western Turkey and the offshore islands The war itself was mainly a low intensity conflict a series of raids on neighboring towns and lands It seems unlikely that there was ever a siege of Troy rather some sort of trick perhaps involving a wooden horse allowed the Greeks to take the city Strauss shows us where Homer nods and sometimes exaggerates and distorts as well He puts the Trojan War into the context of its time

explaining the strategies and tactics that both sides used and compares the war to contemporary battles elsewhere in the eastern Mediterranean With his vivid reconstructions of the conflict and his insights into the famous characters and events of Homer's great epic Strauss masterfully tells the story of the fall of Troy as history without losing the poetry and grandeur that continue to draw readers to this ancient tale

**Themes of the Trojan Cycle** Miguel Carvalho Abrantes,2016-01-15 The story of the Trojan War presented in the Iliad and the Odyssey attributed to Homer is incomplete This book completes it Originally presented as a thesis in the University of Coimbra Portugal this book reconstructs the plot of the Trojan War between the Iliad and the Odyssey In order to do so it uses the direct knowledge the authors of the Antiquity had of those subjects but also iconographic sources presenting them all and showing how they contribute to a faithful reconstruction of the Trojan Cycle as it was known over 2000 years ago Among the episodes reconstructed here are for example the battle against Penthesilea the death of Achilles and the famous ruse of the Trojan Horse This is a work interesting not only for those who already read the Iliad and the Odyssey but also for everyone who has some interest in Greek and Roman Mythology

*The Trojan War* Enthralling History,2021-11-07 **Achilles and the Trojan War** David L. Ferrell,2013-12-15 Achilles was a legendary warrior of ancient Greece When Paris the Trojan prince kidnapped the beautiful Helen the Greek armies joined together under the great king Agamemnon to bring her back The Achaean Greeks would fight the Trojans for 10 years This is a classic Greek myth featuring bravery adventure and amazing feats of strength cleverness and courage *The Trojan War in Ancient Art* Susan Woodford,1993 The legendary characters of the Trojan War captured the imaginations not only of Greek and Roman writers but of countless visual artists as well A vibrant retelling of the Trojan myths this handsomely illustrated book brings to life for today's readers both visual and literary traditions
