## Poetry As Prayer:

**The Language of Poetry as a Form of Prayer** Francis X. McAloon, 2008 Grounded in the investigative tools of interpretation theory, poetic aesthetics and literary criticism, this book proposes and employs an interdisciplinary methodology for the analysis of poetic prayer texts focusing upon the poetry of Gerard Manley Hopkins. Interspersed throughout the text are brief interchapters which offer practical illustrations of the *sol* of transformative reading. This work proposes Poetry and Prayer Francesca Bugliani Knox, John Took, 2016-03-03 Interdisciplinary and ecumenical in scope, *Poetry and Prayer* offers theoretical discussion on the profound connection between poetic inspiration and prayer as well as reflection on the work of individual writers and the traditions within which they stand. An international range of established and new scholars in literary studies and theology offer unique contributions to the neglected study of poetry in relation to prayer. Part I addresses the relationship of prayer and poetry. Parts II and III consider these and related ideas from the point of view of their implementation in a range of different authors and traditions, offering case studies from, for example, the Bible, Dante, Shakespeare and Herbert, as well as twentieth-century poets such as Thomas Merton, Denise Levertov, W. H. Auden and R. S. Thomas.

**Poetry and Prayer** Anna Jensen, 2020-09-08 I started writing poems in earnest just a few years ago. My poetry will always begin and end with Jesus. He is the master craftsman, the great author. The Word. In this way, each poem is indeed a prayer of thanksgiving, of worship, of truth whispered in innermost parts. As you read both the poems and the thinking beneath them, I pray that Jesus would woo you afresh by his presence. *Poetry as Prayer*, Jessica Powers Robert F. Morneau, 2000 Offers poetic verse as a means to prayer, exploring the connection between culture and religion, creativity and mysticism, literature and life.

**The Poetry of Prayer** Roger Nash, 1994 **Poetry In Prayer** Gary Steven Williams, 2023-09 *Poetry In Prayer* How to Connect with God is a quest to learn how to pray authentically and draw near to God. When Gary Williams became a Christian, he knew that his life had radically changed with a desire to follow God and tell people about his discovery. This book is his path of learning how to pray and the transformative results it can have in anyone's life. Publishing his self-revealing journey is an expression of Gary's life mission to maximize his time, talents and treasures to win people to Jesus Christ and to build them up in a growing relationship with Him. *Poetry in Prayer* is a fresh down-to-earth nuts and bolts understanding of how to develop a meaningful prayer life. Written from a businessman's perspective, it is about connecting to the most important Boss: Gary's many years in prayer inspired a rich library of songs and poems of his spiritual walk, which are included in this book. This book will help you learn how to organize your quiet time, create a journal, organize your prayer lists and build the essential discipline of daily prayer into your life. It will also provide poems and songs that will encourage and inspire you as you encounter life's daily challenges. Finally, you will find written within these pages the most important answer to the most important question in life: Gary's prayer is that God will richly bless your life because of reading this book.

*Poetry and Prayer the Power of the Word* Francesca Bugliani Knox, John Took, 2015-10-01 Poetry and Prayer focuses on the relationship of poetry and prayer as aspects of human spirituality and of the expression of that spirituality Interdisciplinary and ecumenical in scope the volume offers theoretical discussion on the profound connection between poetic inspiration and prayer as well as reflection on and close reading of the work of individual writers and of different traditions The volume reinforces contemporary theological concern with poetic experience and expression distinct from the propositional discourse traditionally favoured by theologians **My Little Book of Poetry and Prayer** Chad Joseph

Dixon, 2008-02 This book A PRAYER AS A POEM FOR EACH DAY gives everyone a spiritual connection with the lifeline of God Although these poems seem to be primarily for the Christian but you will find that much of the meaning of the words concentrate on the individual as being compassionate and doing the right thing in this world relationship with one and another The rhyming of the words is like a musical background Some of the poems help the reader to cope with the hurts and torments of their inner self and understanding the pains of their fellowman It is prudent that we fundamentally deal with one day at a time to simplify our lives and we should pray daily This book will be an excellent guideline Each poem is a story emphasizing the virtues of goodness as tools to resolve problems and to find peace in the spiritual world I m Richard A Dixon author of this book A PRAYER AS A POEM FOR EACH DAY and in this AUTHOR BIO it will give you a genuine insight of a perfect example of a compassionate heart that was initiated by an early foundation of living in a Christian atmosphere with my Grandparents
