Portugal - Culture Smart! Sandy Pinto Basto, Culture Smart!, 2023-03-23 Don't just see the sights get to know the people Legend has it that when Caesar's general arrived on Portuguese soil in the first century CE he claimed to have discovered a country blessed with a mild climate and a beautiful coastline but whose inhabitants were ungoverned and ungovernable Today the Portuguese are still impulsive set in their ways and resistant to change yet they are ever charming romantic and nostalgic with an unshakable loyalty toward family and friends Culture Smart Portugal takes you beneath the surface of this fascinating country and shows you how to blend in and make the most of your visit In these pages you will gain insight into Portuguese priorities and learn how to tap into a helpful and resourceful nature that is often overlooked by the casual visitor Beneath a sometimes vociferous manner the Portuguese are laid back and gentle so slacken your pace put away your watch and enjoy the rich meals lively festivals and ancient traditions of this great land Have a more meaningful and successful time abroad through a better understanding of the local culture Chapters on values attitudes customs and daily life will help you make the most of your visit while tips on etiquette and communication will help you navigate unfamiliar situations and avoid faux pas

Portugal - Culture Smart! Sandy Guedes de Queiroz, 2017-05-01 Culture Smart Portugal will help you to navigate this multifaceted society It gives insights into different aspects of life from sleepy seaside towns to modern trendy cities so that you can experience at first hand how this society which protects family and privacy so fiercely is eager and proud to show visitors everything the country has to offer Portugal is a small country that has had a huge cultural and political impact on the modern world Portuguese explorers were the first to sail round the Cape of Good Hope and open up the sea route to East At its peak its vast maritime empire embraced colonies in South America Africa and Asia and the Portuguese language is the fifth most spoken language in the world Portugal is now on the radar of world travelers and multinational corporations alike and this has made its people more receptive to change and more modern in their outlook The 1974 Peaceful Revolution which liberated Portugal from dictatorship also launched it into decades of political and social instability giving rise to a mood of inertia and pessimism Today it is once again living up to its legacy of discovery and invention This adventurous spirit is evident in the urban and cultural renewal that has swept the country in harmonious contrast with its historic and traditional backdrop Portuguese idiosyncrasies can be both confusing and enchanting The people are famous for saudade a yearning for the past a soulful trait that is at once charming and fatalistic They are collectively proud and personally self deprecating They can be romantic impulsive set in their ways resourceful and loyal While rising to the challenges of the times they have managed to maintain their values intact preserving the history and traditions that give their country its flavor
