

POSITIVE AND SOUND

CHUCK BUCHANAN'S REMARKS

JOHN JOHNSON

Positive As Sound Emily Dickinsons Rhyme

Judy Jo Small

Positive As Sound Emily Dickinsons Rhyme:

Positive As Sound Judy Jo Small, 2010-05-01 The strange rhymes of Emily Dickinson's verse have offended some readers attracted others and proved a stumbling block for critics In the first thorough analysis of the poet's rhyming practices Judy Jo Small goes beyond simple classification and enumeration to reveal the aesthetic and semantic value of Dickinson's rhymes and show how they help shape the meaning of her lyrics Considering Dickinson's rhyming technique in light of its historical context Small argues that the poet's radical innovations were both an outgrowth of nineteenth century aesthetics ideas about the music of poetry and a reaction against conventional constraints not the least of which was the image of the female poet as a songbird pouring forth her soul's joys and sorrows in lyrical melody Unlike other scholars Small attaches special importance to Dickinson's own musical background Revealing Dickinson's auditory imagination as a primary source of her poetic power Small shows that sound is an important subject in the verse and that the phonetic texture contributes to the meaning By looking closely at individual poems Small demonstrates that Dickinson's deviations from normal rhyme schemes play a significant part in her artistic design her modulations and dislocations of rhyme serve to structure the poems and contribute to their dynamic shifts of mood and meaning Analyzing Dickinson's more daring experiments Small shows how the poet achieved uncanny effects with fluctuating partial rhymes in some poems and with homonymic puns in others It is in the interplay between the musical and the written aspects of Dickinson's language Small contends that her poetry comes alive Small takes particular note of the use of rhyme at the ends of poems illustrating Dickinson's brilliant effects in closing some poems decisively and in leaving others tantalizingly open ended Teaching us how to listen to Dickinson's poems and not simply to scrutinize them on paper *Positive as Sound* is an innovative lucidly written book that contributes not only to Dickinson scholarship but also to the general study of poetics

A Companion to Emily Dickinson Martha Nell Smith, Mary Loeffelholz, 2013-12-12 This companion to America's greatest woman poet showcases the diversity and excellence that characterize the thriving field of Dickinson studies Covers biographical approaches of Dickinson the historical political and cultural contexts of her work and its critical reception over the years Considers issues relating to the different formats in which Dickinson's lyrics have been published manuscript print halftone and digital facsimile Provides incisive interventions into current critical discussions as well as opening up fresh areas of critical inquiry Features new work being done in the critique of nineteenth century American poetry generally as well as new work being done in Dickinson studies Designed to be used alongside the Dickinson Electronic Archives an online resource developed over the past ten years

The Cambridge Companion to Emily Dickinson Wendy Martin, 2002-09-05 Emily Dickinson one of the most important American poets of the nineteenth century remains an intriguing and fascinating writer The Cambridge Companion to Emily Dickinson includes eleven new essays by accomplished Dickinson scholars They cover Dickinson's biography publication history poetic themes and strategies and her historical and cultural contexts As a woman poet Dickinson's literary persona has become incredibly

resonant in the popular imagination She has been portrayed as singular enigmatic and even eccentric At the same time Dickinson is widely acknowledged as one of the founders of American poetry an innovative pre modernist poet as well as a rebellious and courageous woman This volume introduces new and practised readers to a variety of critical responses to Dickinson s poetry and life and provides several valuable tools for students including a chronology and suggestions for further reading *Emily Dickinson's Fascicles: Method and Meaning* ,1997 **Emily Dickinson in Context** Eliza Richards,2013-09-16 Long untouched by contemporary events ideas and environments Emily Dickinson s writings have been the subject of intense historical research in recent years This volume of thirty three essays by leading scholars offers a comprehensive introduction to the contexts most important for the study of Dickinson s writings While providing an overview of their topic the essays also present groundbreaking research and original arguments treating the poet s local environments literary influences social cultural political and intellectual contexts and reception A resource for scholars and students of American literature and poetry in English the collection is an indispensable contribution to the study not only of Dickinson s writings but also of the contexts for poetic production and circulation more generally in the nineteenth century United States

The Poetry of Emily Dickinson Victoria N. Morgan,2023-08-24 Taking readers through the various stages of criticism of Emily Dickinson s poetry this guide identifies both the essential critical texts and the key debates within them The texts chosen for discussion represent the canonical readings which have typically shaped the area of Dickinson studies throughout the twentieth and twenty first century and provide a lens through which to view current critical trends Chapters focus on style and meaning gender and sexuality history and race religion and hymn culture and performance and popular culture In all this guide serves as a user friendly reference tool to the vast body of criticism on Dickinson to date by suggesting formative starting points and underlining essential critical highlights It provides students and scholars of Dickinson with a sense of where these critical texts can be placed in relation to one another as well as an understanding of pivotal moments within the history of reception of Dickinson from late nineteenth century reviews up to some of the definitive critical interventions of the twenty first century **A ^AHistorical Guide to Emily Dickinson** Vivian R. Pollak,2004-01-29 One of America s most celebrated women Emily Dickinson was virtually unpublished in her own time and unknown to the public at large Yet since the first publication of a limited selection of her poems in 1890 she has emerged as one of the most challenging and rewarding writers of all time Born into a prosperous family in small town Amherst Massachusetts she had an above average education for a woman attending a private high school and then Mount Holyoke Female Seminary now Mount Holyoke College Returning to Amherst to her loving family and her feast in the reading line in the 1850s she became increasingly solitary and after the Civil War she spent her life indoors Despite her cooking and gardening and extensive correspondence Dickinson s life was strikingly narrow in its social compass Not so her mind and on her death in 1886 her sister discovered an astonishing cache of close to eighteen hundred poems Bitter family quarrels delayed the full publication

of Dickinson's letter to the World but today her poetry is commonly anthologized and widely praised for its precision its intensity its depth and beauty Dickinson's life and work however remain in important ways mysterious The essays presented here all of them previously unpublished provide an overview of Dickinson studies at the start of the twenty first century Written in an engaging and accessible style this collection represents the best of contemporary scholarship and points the way toward exciting new directions for the future The volume includes a biographical essay that covers some of the major turning points in the poet's life especially those emphasized by her letters Other essays discuss Dickinson's religious beliefs her response to the Civil War her class based politics her place in a tradition of American women's poetry and the editing of her manuscripts A Historical Guide to Emily Dickinson concludes with a rich bibliographical essay describing the controversial history of Dickinson's life in print together with a substantial bibliography of relevant sources

The Language of Emily Dickinson Nicole Panizza, Trisha Kannan, 2021-01-05 The Language of Emily Dickinson provides valuable insight into the cryptic complex and unique language of America's premier poet The essays make each subject of exploration accessible to general readers providing sufficient background and contextual information to situate anyone interested in a better understanding of Dickinson's language The collection also makes a substantial contribution to Dickinson studies with new scholarship in philology musicality and manuscript study Cynthia L Hallen creator of the invaluable Emily Dickinson Lexicon offers a detailed examination of Dickinson's words and phrases that are lexically alive and semantically vital Nicole Panizza an accomplished pianist explores Dickinson's poetic relationship with music as bilingual practice Holly L Norton outlines the surprising connections between Dickinson's poetry and rap music and Trisha Kannan contributes to recent discussions regarding Dickinson's fascicles the manuscript books that contain just over 800 of Dickinson's 1 789 poems by reading Fascicle 30 in relation to the work and life of John Keats This book will be of interest to scholars of Emily Dickinson and advanced readers of poetry such as those in upper level undergraduate English courses and graduate students in departments of English as well as to general readers with an interest in Emily Dickinson

Becoming Canonical in American Poetry Timothy Morris, 1995

Masterpieces of American Romantic Literature Melissa McFarland Pennell, 2006-06-30 The Romantic movement led to some of the greatest works of 19th century American literature Written expressly for students this book offers succinct introductions to 10 of the most important works of American Romanticism many of which reflect the social political and historical concerns of the era Included are chapters on Emerson's essays Poe's The Raven and selected stories Hawthorne's The Scarlet Letter Stowe's Uncle Tom's Cabin and several other major texts or collections Each chapter provides biographical information a review of the author's critical reception and a discussion of characters plot themes language and other topics The volume closes with a bibliography of primary and secondary sources Romanticism significantly influenced American literature in the 19th century and led to what has sometimes been called the American Renaissance The Romantic movement and the period roughly contemporaneous

with the Civil War gave birth to some of the most creative and enduring poems novels short fiction and essays These works are among the most imaginative and challenging pieces of American literature and hold a central place in the curriculum In addition to their value as literary works they chronicle the enormous social political and historical changes taking place in America Written expressly for high school students this book conveniently introduces the major works of American

Romanticism Dickinson's Nerves, Frost's Woods William Logan, 2018-06-05 In Dickinson's Nerves Frost's Woods William Logan the noted and often controversial critic of contemporary poetry returns to some of the greatest poems in English literature He reveals what we may not have seen before and what his critical eye can do with what he loves In essays that pair different poems Ozymandias On First Looking Into Chapman's Homer In a Station of the Metro The Red Wheelbarrow After great pain a formal feeling comes and Stopping by Woods on a Snowy Evening among others Logan reconciles history and poetry to provide new ways of reading poets ranging from Shakespeare and Shelley to Lowell and Heaney In these striking essays Logan presents the poetry of the past through the lens of the past attempting to bring poems back to the world in which they were made Logan's criticism is informed by the material culture of that world whether postal deliveries in Regency London the Metro lighting in 1911 Paris or the wheelbarrows used in 1923 Deeper knowledge of the poet's daily existence lets us read old poems afresh providing a new way of understanding poems now encrusted with commentary Logan shows that criticism cannot just root blindly among the words of the poem but must live partly in a lost world in the shadow of the poet's life and the shadow of the age Transcendental Wordplay Michael West, 2000

Throughout the first half of the nineteenth century America was captivated by a muddled notion of etymology New England Transcendentalism was only one outcropping of a nationwide movement in which schoolmasters across small town America taught students the roots of words in ways that dramatized religious issues and sparked wordplay Shaped by this ferment our major romantic authors shared the sensibility that Friedrich Schlegel linked to punning and christened romantic irony Notable punsters or etymologists all they gleefully set up as sages creating jocular masterpieces from their zest for oracular wordplay Their search for a primal language lurking beneath all natural languages provided them with something like a secret language that encodes their meanings To fathom their essentially comic masterpieces we must decipher it Interpreting Thoreau as an ironic moralist satirist and social critic rather than a nature loving mystic Transcendental Wordplay suggests that the major American Romantics shared a surprising conservatism In this award winning study Professor West rescues the pun from critical contempt and allows readers to enjoy it as a serious form of American humor **Writers of the American**

Renaissance Denise Knight, 2003-12-30 The American literary canon has undergone revision and expansion in recent years and our notions of the 19th century renaissance have been reevaluated Mainstream anthologies have been revised to reflect the expanding literary canon yet resources for readers have remained widely scattered This book expands earlier definitions of the 19th century American Renaissance as represented by canonical writers such as Emerson and Poe covering writers

who published popular fiction and dominated the literary marketplace of the day Included is generous coverage of women writers and writers of color The volume provides alphabetically arranged entries for more than 70 writers of the period including Louisa May Alcott Emily Dickinson Frederick Douglass Margaret Fuller Nathaniel Hawthorne Herman Melville Harriet Beecher Stowe Henry David Thoreau Walt Whitman and many more Each entry was written by an expert contributor and includes a brief biography a discussion of major works and themes a survey of the writer s critical reception and primary and secondary bibliographies

Emily Dickinson International Society Bulletin ,1989 Inflections of the Pen Paul Crumbley,1997 Emily Dickinson s life and art have fascinated and perplexed the poet s admirers for more than a century One of the most hotly debated elements of Dickinson s poetry has been her unconventional use of punctuation Now in Inflections of the Pen Dash and Voice in Emily Dickinson Paul Crumbley unravels many of these stylistic mysteries in his careful examination of manuscript versions of her poems including selections from the fascicles Dickinson s own hand bound gatherings of her poems and of Dickinson s letters Crumbley argues that the dash is the key to deciphering the poet s complex experiments with poetic voice From the time of Dickinson s first editors Mabel Loomis Todd and Thomas Wentworth Higginson standard versions of her poetry have tended to normalize the poems Designated as either em or en dashes in print by all but a few recent editors Dickinson s dash marks in the holograph versions vary tremendously in length height and angle According to Crumbley these varied dashes suggest subtle gradations of inflection and syntactic disjunction The printed poems give the impression of a unified voice whereas the dashes that appear in the manuscripts disrupt conventional thought patterns and suggest multiple voices

Critical Companion to Emily Dickinson Sharon Leiter,2007 Critical Companion to Emily Dickinson is an encyclopedic guide to the life and works of Emily Dickinson one of the most famous and widely studied American poets of the 19th century

Reading in Time Cristanne Miller,2012 This book provides new information about Emily Dickinson as a writer and new ways of situating this poet in relation to nineteenth century literary culture examining how we read her poetry and how she was reading the poetry of her own day Cristanne Miller argues both that Dickinson s poetry is formally far closer to the verse of her day than generally imagined and that Dickinson wrote circulated and retained poems differently before and after 1865 Many current conceptions of Dickinson are based on her late poetic practice Such conceptions Miller contends are inaccurate for the time when she wrote the great majority of her poems Before 1865 Dickinson at least ambivalently considered publication circulated relatively few poems and saved almost everything she wrote in organized booklets After this date she wrote far fewer poems circulated many poems without retaining them and took less interest in formally preserving her work Yet Miller argues even when circulating relatively few poems Dickinson was vitally engaged with the literary and political culture of her day and in effect wrote to her contemporaries Unlike previous accounts placing Dickinson in her era Reading in Time demonstrates the extent to which formal properties of her poems borrow from the short lined verse she read in schoolbooks periodicals and single authored

volumes Miller presents Dickinson's writing in relation to contemporary experiments with the lyric the ballad and free verse explores her responses to American Orientalism presents the dramatic lyric as one of her preferred modes for responding to the Civil War and gives us new ways to understand the patterns of her composition and practice of poetry Cognitive Stylistics Elena Semino, Jonathan Culpeper, 2002-11-05 This book represents the state of the art in cognitive stylistics a rapidly expanding field at the interface between linguistics literary studies and cognitive science The twelve chapters combine linguistic analysis with insights from cognitive psychology and cognitive linguistics in order to arrive at innovative accounts of a range of literary and textual phenomena The chapters cover a variety of literary texts periods and genres including poetry fictional and non fictional narratives and plays Some of the chapters provide new approaches to phenomena that have a long tradition in literary and linguistic studies such as humour characterisation figurative language and metre others focus on phenomena that have not yet received adequate attention such as split selves phenomena mind style and spatial language This book is relevant to students and scholars in a wide range of areas within linguistics literary studies and cognitive science *Rhyme and Rhyming in Verbal Art, Language, and Song* Venla Sykärä, Nigel Fabb, 2022-12-05 This collection of thirteen chapters answers new questions about rhyme with views from folklore ethnopoetics the history of literature literary criticism and music criticism psychology and linguistics The book examines rhyme as practiced or as understood in English Old English and Old Norse German Swedish Norwegian Finnish and Karelian Estonian Medieval Latin Arabic and the Central Australian language Kaytetye Some authors examine written poetry including modernist poetry and others focus on various kinds of sung poetry including rap which now has a pioneering role in taking rhyme into new traditions Some authors consider the relation of rhyme to other types of form notably alliteration An introductory chapter discusses approaches to rhyme and ends with a list of languages whose literatures or song traditions are known to have rhyme **Linguistics Meets Literature** Matthias Bauer, Sigrid Beck, Saskia Brockmann, Susanne Riecker, Angelika Zirker, Nadine Bade, 2020-06-08 Until recently collaborative efforts between formal linguistics and literary studies have been relatively sparse this book is an attempt to bridge this gap and add to the hitherto small pool of studies that combine the two disciplines Our study concentrates on Emily Dickinson's poetry since it displays a highly uncommon and therefore challenging use of language We argue this to be part of her poetic strategy and consider Dickinson an intuitive linguist her apparent non compliance with linguistic rules is a productive exploration of linguistic expression to reveal the flexibility and potential of grammar leading to complex processes of interpretation Our study includes a number of in depth analyses of individual poems which combine formal linguistic methods and literary scholarship and focus on specific aspects such as ambiguity reference and presuppositions One of our findings concerns the dynamic interpretation of lyrical texts in which the pragmatic step of establishing what a poem means for the reader is postponed to text level We provide readers with a tool box of methods for the formal linguistic analysis not just of Emily Dickinson's poetry but of linguistically complex literary

texts in general

Unveiling the Magic of Words: A Report on "**Positive As Sound Emily Dickinsons Rhyme**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Positive As Sound Emily Dickinsons Rhyme**," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound affect on the souls of its readers.
