The Power Behind Positive Impact Philip Vuyo Kaasi, 2014-02-28 If you want your life to be significant and mean something the best thing you should do is to impact other peoples lives Let this book influence you to be an actor instead of an on looker or spectator in life The author wants the reader to study closely the people who were and still are successful and happy so that the reader will realize the faith exercised by these people the failures they endured and the complexity of the process they went through to have acquired their accomplishments You do not have to have the tangible possessions to know

that you are wealthy but if you feel and conduct yourself in the manner in which other successful and happy people conduct themselves it will feel as if you do not even need the tangible things because of your dominant state of your mental attitude towards success and happiness Be afraid of giving up whenever faced with an impossible challenge perhaps as far as your mental attitude is concerned God is helping you He is with you He is guiding you and He will see you through Dont be envious and jealous rather admire people who are successful and happy in life Life is a blessing *The 30-Day Praise Challenge* Becky Harling,2013-08-01 Discover the Power of Praising God When Becky Harling was diagnosed with cancer over ten years ago she begged God for healing A friend of hers had another idea She challenged Becky to spend twenty minutes a day in praise Becky thought What if I m not feeling thankful But as she intentionally praised God she began to experience new joy and her relationship with God has never been the same Now in The Thirty Day Praise Challenge Becky guides you in praising God for twenty minutes every day for one month Arranged topically the book includes music selections to enhance your praise journey and creative ideas for continuing the habit of praise As Becky writes If you take this challenge your faith will grow more than you dreamed possible You will experience more joy less insecurity more courage less anxiety Thirty days of praising God Are you ready *Rules for Radical Christians* Nelson R Foster,2019-10-04 This book is a brutal expose of religion s failure to keep and preserve our Godly American culture and the unconventional answer to restore the cultural soul that is rightfully ours to maintain It exposes the history and spiritual influences behind the decline and the process Christians can follow to reverse that decline Liberals may claim that they are godless Atheists but the truth is they are following the doctrines of Lucifer and following a game plan taught by followers of Lucifer We are losing a spiritual battle by fighting with the tools of the flesh logic reason emotion science and the law We are bound to lose We need to learn the rules and methods that have been proven to work spiritually against a ruthless spiritual opponent Liberals know full well that they are fighting for the soul of our nation We need to realize that the soul they are fighting for is the complete corruption and loss of the Godly soul our founding fathers tried to establish for our nation It not only presents the problem but also provides the solution to our problem and the promise that the problem of ungodliness in our culture can be reversed Godliness can be restored We are also fighting for the soul of our nation It is NOT the same soul that the Liberals are trying to preserve They have corrupted our nation by deception We can restore the national soul they corrupted with the truth
