Pot Pourri Whistlings Of An Idler:

Pot Pourri Eugenio Cambacères, 2003 In bold strokes and forceful scenes Cambaceres describes the vibrant culture of fin de siècle Buenos Aires Written when heavy waves of immigration were rapidly transforming Buenosairean culture the book raises the issue of mestization or the mixing of races as well as the creation of a new dominant class As a new addition to the already acclaimed Library of Latin America *Pot Pourri* will claim its rightful place alongside other major works of Latin American literature **BOOK JACKET**

Pot Pourri: Whistlings of an Idler Eugenio Cambaceres, 2003-03-13 Eugenio Cambaceres was the first to introduce the naturalist manner of Emile Zola to Argentinean literature in the late nineteenth century The work of Cambaceres a precursor to the contemporary Argentinean novel is crucial for an understanding of the period of consolidation of Argentina the formation of a national identity and especially for the role of the intellectual during that transition This generation theoretically and methodically built up a literature with features of its own stressing the cultural primacy of Buenos Aires par excellence to enhance the evolution of the cosmopolitan metropolis A rich dandy narrates *Pot Pourri* relating a story of marriage and adultery during the carnival celebrations The volume editor Josefina Ludmer describes the dandy as an ambiguous protagonist who acts both as a reflection and a critic of the liberal state As a new addition to the already acclaimed Library of Latin America *Pot Pourri* should find its rightful place with the ever growing audience for Latin American literature *Exemplary Ambivalence in Late Nineteenth-Century Spanish America* Elisabeth L. Austin, 2012-09-27 *Exemplary Ambivalence* fills a critical gap within studies of 19th century Spanish America as it explores the inconsistencies of exemplary texts and emphasizes the forms sources and implications of creole ideological and narrative multiplicity This interdisciplinary study examines creole writing subjectivities and ethnic fictions within the construction of national aesthetic and gendered cultural identities highlighting the dynamic relationship between exemplary discourse and readers as active interpretive agents **World Literature in Spanish** Maureen Ihrle, Salvador Oropesa, 2011-10-20

Containing roughly 850 entries about Spanish language literature throughout the world this expansive work provides coverage of the varied countries ethnicities time periods literary movements and genres of these writings Providing a thorough introduction to Spanish language literature worldwide and across time is a tall order However *World Literature in Spanish* An Encyclopedia contains roughly 850 entries on both major and minor authors themes genres and topics of Spanish literature from the Middle Ages to the present day affording an amazingly comprehensive reference collection in a single work This encyclopedia describes the growing diversity within national borders the increasing interdependence among nations and the myriad impacts of Spanish literature across the globe All countries that produce literature in Spanish in Europe Africa the Americas and Asia are represented covering both canonical authors and emerging contemporary writers and trends Underrepresented writings such as texts by women writers queer and Afro Hispanic texts children's literature and works on relevant but less studied topics such as sports and nationalism also appear While writings throughout the

centuries are covered those of the 20th and 21st centuries receive special consideration

The Corpus Delicti Josefina Ludmer, 2004-06-20 An intellectual tour de force from one of today's leading critics of Latin American literature and culture

The Corpus Delicti *The Body of Crime* is a manual of crime a compendium of crime tales and an extended meditation on the central role of crime in literature in life and in the life of the nation Drawing her examples from canonical texts popular novels newspaper serials and more Josefina Ludmer captures the wide range of Argentine crime stories and detective fiction from the late nineteenth and early twentieth centuries She offers more than a mere genre study examining the relationship of crime and punishment to the formation of law the body and the modern state exposing the ways in which literature both high art and mass culture can help construct not just represent social reality Covering a dazzling array of primary sources social history and cultural theory this provocative work is also a structural masterpiece challenging readers as it charts new roles for text and notes In this redefined dialogue the notes variously offer alternate views additional insights and often parallel commentaries Glen Close's stylish translation captures the energy of Ludmer's prose simultaneously subtle and daring for English language readers

Potpourri Eugenio Cambaceres, 2009 *Potpourri* was released as Eugenio Cambaceres left Buenos Aires for Europe This plus the omitted author's name though immediately identified Cambaceres social standing the many allusions and the writing style all contributed to secure it a smashing success The scathing critique of the Buenos Aires bourgeoisie unleashed bitter comments that fostered press runs never seen before in the country Some readers condemned the book invoking the need to kindle the recently obtained political peace whilst others directly related it to French naturalist novel and pornography But the accusation of licentiousness was just a pretext waved by a prudish oligarchy to hide a grim reality deeply contrasted with the progressive stance it flaunted Though the content can appear as a pamphlet against social hypocrisy uncaring feminine education and the new rich but uneducated portion of society it also shows high literary qualities rich writing techniques vanguard narrative structures agile and humorous style colloquial tone and originally striking metaphors Enough for the author to leave an unmistakable mark in the XIX and XX Centuries literature In his foreword Claude Cymerman prof Emeritus of Latin American Literature at the Rouen University France highly regarded scholar on Cambaceres explains the importance of Cambaceres within the River Plate social circumstances his standing in Latin American literature and helps place *Potpourri* among his later productions The footnotes both lexical and contextual give the clues to understand the exact meaning of this work the first an more full of foreign terms that sprinkle the Cambaceres production

Handbook of Latin American Studies, 2007 Contains scholarly evaluations of books and book chapters as well as conference papers and articles published worldwide in the field of Latin American studies Covers social sciences and the humanities in alternate years

Lo que vendrá Josefina Ludmer, Ezequiel De Rosso, 2021-01-18 Lo que vendrá recopila intervenciones críticas de Josefina Ludmer dedicadas al estudio de la literatura latinoamericana Escritos a lo largo de cincuenta años y hasta hoy dispersos en libros actas revistas estos textos pueden leerse como una historia tentativa

de la literatura latinoamericana con artículos sobre sor Juana la gauchesca el naturalismo mexicano Macedonio Fernández Alfonsina Storni Jorge Luis Borges Felisberto Hernández Guillermo Cabrera Infante Augusto Roa Bastos Pedro Juan Gutiérrez Pero pueden pensarse también como la historia de un pensamiento de una máquina de lectura que en sus recurrencias y variaciones constituye uno de los momentos más brillantes de la crítica literaria latinoamericana La intensidad de la lectura de la escritura que propone Josefina Ludmer en sus ensayos informa la materia de este libro Ezequiel De Rosso del prólogo

Onetti Josefina Ludmer, Prólogo de Martín Kohan, 2021-12-01 Publicado por primera vez en 1977 este libro constituye uno de los trabajos más relevantes sobre la obra del ya clásico escritor uruguayo y sin duda una muestra contundente del talento crítico de Josefina Ludmer Pero al mismo tiempo refleja uno de los modos de leer de los años setenta la teoría del texto en su variante productivista una crítica militante que no necesita separar política y literatura porque el texto las funde en el texto es el significante de la lingüística el deseo y el goce del psicoanálisis y la producción y la revolución del marxismo se alía la autora en el prólogo a esta segunda edición El texto no es la obra y se produce en el trabajo crítico dirán estas páginas donde dos escrituras en proceso se entrelazan A partir de La vida breve Ludmer analizará cómo el propio relato despliega sus condiciones de producción en Para una tumba sin nombre buscar la matriz del texto el núcleo que lo genera y en la lectura de La novia robada intentar mostrar cómo la lectura de un texto de Faulkner produce la escritura de otro el de Onetti en un uno a uno que define la práctica crítica de la época **El género gauchesco** Josefina Ludmer, Prólogo de María Pía

López, 2021-12-01 El género gauchesco tiene una edad de concepción la dictadura y una de escritura la transición democrática pero también una edad de lectura O de relectura como la que hago ahora en el contexto de la insurgencia feminista de la irrupción de los feminismos populares y el buscado trastocamiento de las prácticas sociales En este contexto la insistencia de Ludmer en referir al cuerpo y al género se convierte en guiño para no procurar el acopio de una literatura de mujeres sino confrontar con el corazón machordo de la patria el gaucho mismo y ah guerrear por la interpretación MAR A P A L PEZ del prólogo del libro Este libro publicado originalmente en 1988 analiza el uso literario de la voz y el uso económico o militar de los cuerpos y las dos caras del don la cara del escritor que da la voz y la cara del patrón La lingüística dual del género gauchesco es examinada aquí como lingüística de la alianza entre oralidad y escritura y entre dos culturas latinoamericanas la cultura popular y la cultura letrada Esa alianza no solo es literaria es también política social racial y sexual El resultado es un libro de crítica pero también algo más un ensayo un tratado un libro autobiográfico y un libro político El género gauchesco Un tratado sobre la patria marca un nuevo modo de leer la relación entre literatura cuerpos y política y es sin dudas una obra ya clásica en la crítica latinoamericana
