Poverty In Albania:

Poverty in Albania Hermine de Soto, 2002-01-01 Annotation During the ten years of reform Albania has been buffeted by set backs which led fully 40% of respondents to indicate that socioeconomic conditions have worsened during that period While informal coping mechanisms have been developed in many communities these are under stress and threaten to give way Albania Weltbank, 2013 Despite the impressive performance of the economy in the last five years however poverty in Albania has remained high and per capita income at around US 1 230 in 2002 has remained one of the lowest among transition economies In an effort to adopt policies to share widely the benefits of growth and reduce poverty the Government outlined a poverty alleviation strategy in the 2000 Interim Poverty Reduction Strategy Paper I PRSP and developed it in detail two years later in the Growth and Poverty Reduction Strategy GPRS the precursor to the current National Strategy for Socio Economic Development NSSD However in recognition of the data limitations the first round of a five year Living Standards Measurement Survey LSMS program was launched in 2002 This survey provides valuable information on a variety of issues related to living conditions in Albania including details on income and non income dimensions of poverty in the country and forms the basis of the present assessment of poverty in Albania The poverty line used for this assessment is the first absolute poverty line based on nationally representative household level expenditure data ever estimated for Albania and is based on an actual consumption data Poverty in Albania has marked spatial and regional dimensions with rural areas and the Mountain region being consistently poorer than rest of the country stipulating the depth of poverty in the Mountain area is much more pronounced than in any other region with a poverty gap index of over 11 percent The study reviews the determinants of poverty through the main characteristics of poor households and labor market characteristics of the poor noting widespread unemployment rate in urban areas It then examines the non income dimensions of poverty health and education inequalities and reviews the role of social transfers determining pensions and remittances from Albanian relatives are the largest sources of transfer income The results of the analysis point priority areas namely that coverage under health insurance needs to be increased secondary school enrollments need to be increased and quality of education at this level improved provision of basic services and infrastructure should be improved including access to quality health and education services and to basic sanitation services and it is imperative that the Government develops a rural development strategy focused on poverty reduction in the short run s **Progress Report for Implementation 2002** International Monetary Fund, Albania. Këshilli i Ministrave, 2003 *Albania* International Monetary Fund, 2003-06-16 This paper examines the Progress Report for Albania s National Strategy for Socio Economic Development NSSD 2002 was the first year of implementing the NSSD The implementation process has been oriented toward achieving the annual objectives and in accordance with the program of public priority measures for 2002 04 The experience gained in NSSD implementation the definition and improvements to objectives and medium term NSSD measures the Millennium Development Goals and

poverty reduction in Albania Meleq Hoxhaj, 2017-01-11 Master s Thesis from the year 2016 in the subject Economics Case Scenarios grade 10 University Of Vlora Ismail Qemali language Albanian abstract The purpose of this paper is to analyze poverty human capital and the relationship between them in Albania Poverty is among the main problems of the world economy and poverty reduction today is considered as the main objective of the new millennium Poverty in Albania grew after the 1990s We had the following years of poverty reduction but in recent years we have again a slight increase When analyzing data from the World Bank and other sources by linear regression it appears that the rate of enrollment in primary education has a negative effect on GDP per capita while there are positive correlations for GDP per capita and the rate of enrollment in secondary education This paper suggests that in order to enable the reduction of poverty we need a greater involvement of the poor in the economy and increase the quantity and quality of human capital in Albania **Globalisation,**

Poverty and Conflict Max Spoor, 2004-09-21 This state of the art critical development reader examines the inter relationships between globalisation poverty and conflict It complements current debates in the field of development studies

and in an era in which development fatigue seems to have become more profound than ever before it brings the importance of development once again to the forefront The contributions represent current thinking on and practice of development policy poverty reduction the need for multi level democratic institutions and the containing and prevention of conflicts

Migration and Poverty Edmundo Murrugarra,Jennica Larrison,Marcin Sasin,2010-11-24 This volume uses recent research from the World Bank to document and analyze the bidirectional relationship between poverty and migration in developing countries The case studies chapters compiled in this book from Tanzania Nepal Albania and Nicaragua as well as the last policy oriented chapter illustrate the diversity of migration experience and tackle the complicated nexus between migration and poverty reduction Two main messages emerge Although evidence indicates that migration reduces poverty it also shows that migration opportunities of the poor differ from that of the rest In general the evidence suggests that the poor either migrate less or migrate to low return destinations As a consequence many developing countries are not maximizing the poverty reducing potential of migration The main reason behind this outcome is difficulties in access to remunerative migration opportunities and the high costs associated with migrating It is shown for example that reducing migration costs makes migration more pro poor The volume shows that developing countries governments are not without means to improve this situation Several of the country examples offer a few policy recommendations towards this end *Albania* ,2006

HIV/Aids in the Western Balkans ,2005-01-01 In recent years Europe and Central Asia has experienced the world s fastest growing HIV AIDS epidemic Yet in the Western Balkan countries the HIV prevalence rate is under 0 1 percent which ranks among the lowest This may be due to a low level of infection among the population or partly due to inadequate surveillance systems All major contributing factors for the breakout of an HIV AIDS epidemic are present in the Western Balkans HIV AIDS disproportionably affects youth 80 percent of HIV infected people are 30 years old or younger Most of the Western Balkan countries have very young p *Albania: Poverty Reduction Strategy Paper Annual Progress Report* International Monetary Fund,2004-07-21 This Progress Report reviews implementation of Albania s National Strategy for Socio Economic Development NSSD during 2003 The report is primarily orientated toward the vitalization and harmonization of mid term and long term development objectives the principle of further prioritization of public measures the real costing of priority public measures and the extension of Albanian ownership of NSSD The report also offers an improved mid term vision and serves as a starting point for a long term visionary process based on credible and realistic analyses **A Qualitative**

Assessment of Poverty in 10 Areas of Albania, 2001 This qualitative assessment of poverty in Albania seeks to deepen the understanding of poverty in the country first by involving poor Albanians in a process of exploring the causes nature extent of poverty and how it affects their livelihoods Second it is intended to support the Growth and Poverty Reduction Strategy Paper PRSP third it supports preparation of the Country Assistance Strategy CAS and the Living Standards Measurement Survey LSMS process and fourth it supports ongoing research on formal and informal institutions in the country that are relevant to poverty and it identifies as well emerging areas of concern Findings suggest that poverty in the study sites developed as a result of a weak economic base at the beginning of reform as of 1990 worsened as the reforms continued and accelerated during the 1997 financial crisis From household interviews it is perceived that the causes of poverty are a result of unemployment insufficient and low quality of land absence of formal institutions and marketing mechanisms to support industrial and agricultural development and the government s inability to respond to infrastructure and basic needs The study further examines the factors depressing and or precluding sector wide the potential to compete sustain livelihoods attain employment and receive economic and social assistance And it rightly identifies the contribution from migrant remittances accounting for a significant percentage of GDP Policy implications spell out the need to improve administration of social security and services by decentralizing legal and regulatory frameworks and equitably mobilizing fiscal revenues

The Urban Mosaic of Post-Socialist Europe Sasha Tsenkova,Zorica Nedovic-Budic,2006-12-02 The book explores urban dynamics in post socialist Europe 15 years after the fall of communism The urban mosaic metaphor expresses the complexity diversity and uniqueness of the processes and spatial outcomes in post socialist cities The book examines the urban development and the policy and planning processes that have resulted from the socio economic political and institutional transformations characterizing the move to markets and democracy The emerging urban phenomena are illustrated with in depth case studies sensitive to historical themes cultural issues and the socialist legacy Cities featured in the book include Kazan St Petersburg Moscow Warsaw Prague Komarno Budapest Belgrade Bucharest Sofia and Tirana The edited volume is organized around the following four themes the driving forces of post socialist change urban processes and spatial change housing and retail sector transformation and urban planning and policy responses Albania - Urban Growth, Migration and Poverty Reduction Weltbank,2012 This sector report claims that in the three years between 2002 and 2005 alone almost 235 000 people have moved out of poverty in Albania Strong economic growth and large inflow of remittances are at the center of this impressive achievement However low productivity of predominantly small family farms has put a drag on rural growth prospects Moreover Ndihma Ekonomike NE program the means tested income support program is small in scale and has a low coverage so that it has had only a modest impact on poverty reduction As a result of these developments the poor are mostly rural residents low skilled measured as years of schooling completed and large families The main conclusion of this report is that as Albania looks ahead it faces the challenges of consolidating and sustaining these improvements in living

conditions and narrow the widening rural and urban differences To tackle these challenges Albania needs to maintain the high growth path raise rural productivity and improve the targeting performance of its NE program

Poverty In Albania Introduction

In the digital age, access to information has become easier than ever before. The ability to download Poverty In Albania has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Poverty In Albania has opened up a world of possibilities. Downloading Poverty In Albania provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Poverty In Albania has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Poverty In Albania. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Poverty In Albania. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Poverty In Albania, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Poverty In Albania has transformed the way we access information. With the convenience, cost-effectiveness,

and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
