Povesti i Rasskazy:

Koldovskoi tsvetok, povesti i rasskazy Viacheslav Iakovlevich Shishkov, 1926 Krasnoe kol'tso : povesti i rasskazy P. Iarovoi, 1925 A History of Women's Writing in Russia Adele Marie Barker, Jehanne M. Gheith, 2002-07-11 A History of Women's Writing in Russia offers a comprehensive account of the lives and works of Russia's women writers Based on original and archival research this volume forces a re-examination of many of the traditionally held assumptions about Russian literature and women's role in the tradition In setting about the process of reintegrating women writers into the history of Russian literature contributors have addressed the often surprising contexts within which women's writing has been produced Chapters reveal a flourishing literary tradition where none was thought to exist They redraw the map defining Russia's literary periods they look at how Russia's women writers articulated their own experience and they reassess their relationship to the dominant male tradition The volume is supported by extensive reference features including a bibliography and guide to writers and their works *The New Russian Book* Birgitte Beck Pristed, 2017-08-01 This book takes up the obtrusive problem of visual representation of fiction in contemporary Russian book design By analyzing a broad variety of book covers the study offers an absolutely unique material that illustrates a radically changing notion of literature in the transformation of Soviet print culture to a post-Soviet book market It delivers a profound and critical exploration of Russian visual imaginary of classic popular and contemporary prose Among all the carelessly bungled covers of mass published post-Soviet series the study identifies gems from experimental designers By taking a comparative approach to the clash of two formerly separate book cultures the Western and the Soviet that results both in a mixture of highbrow and lowbrow forms and in ideological re-interpretations of the literary works this book contributes to opening an East-West dialogue between the fields of Russian studies contemporary book and media history art design and visual studies **Valentin Rasputin and Soviet Russian Village Prose** David C. Gillespie, DAVID BROWN BOOK CO, 1986 **Russian Women Writers** Christine D. Tomei, 1999 **The Life and Work of Fedor Abramov** David C. Gillespie, 1997 Fedor Aleksandrovich Abramov 1920-83 was one of the leading representatives of the Russian village prose movement of the 1960s and 1970s In *The Life and Work of Fedor Abramov* scholars from the United States and abroad draw on Abramov's works his diaries and his private writings as sources for examining his place within the village prose movement and within Anglo-American theories of cultural reception Povesti, rasskazy Дмитрий Васильевич Григорович, 1896 *Russian Prose Writers After World War II* Christine Rydel, 2005 Whether the writers in this period described the war the Great Terror the gulag experience exile repression or simply everyday life in the city or in the country they generally turned to a major theme of Russian literature since the Revolution the fate of the individual human being in a mass state In the literature often the state won due to its power at other times individuals triumphed because of their moral convictions The same can be said of these writers *A Semiotic Analysis of the Short Stories of Leonid Andreev, 1900-1909* Stephen Hutchings, 1990 This book applies the

techniques of semiotic analysis to a selection of short stories by Leonid Andreev in an attempt to offer one answer to the problems of categorizing Andreev's unique art and placing it within a literary evolutionary perspective Drawing on a range of literary theory from early Russian Formalism onwards the study proceeds from one level to another according to a principle of degree of abstraction so that each level constitutes firstly an independent account of Andreev's texts in itself and secondly one stage in an overall analysis

Voices of Russian Literature Sally Laird, 1999-04-29 *Voices of Russian Literature* presents in depth interviews with ten of the most interesting figures writing in Russian today They range from established authors such as Fazil Iskander and Andrei Bitov who began their careers in the post Stalinist Thaw to newcomers like Viktor Pelevin hailed as one of the most original writers of the present era It offers an insiders account of the fate of Russian literature over the past four decades Rather than cataloguing the opinions of dissidents or defenders of the former regime it presents the views of artists who have sought against the odds to express their unique visions of a changing world Each interview acquaints us with the author's distinctive voice and provides important insights into the genesis and interpretation of individual works Sally Laird has prefaced the interviews with biographical and critical sketches of each writer and her introductory essay sets the whole in historical context *Voices of Russian Literature* will be fascinating reading for anyone interested in Russia's contemporary literary experience

The Damned and the Dead Frank Ellis, 2011-06-15 The confrontation between the Wehrmacht and the Red Army on the Eastern Front of World War II was defined by incalculable suffering destruction casualties and heroism While many historians have chronicled the epic nature of that arena of war it has largely been left to Russian novelists to fully express the intense human dimensions of that conflict Frank Ellis's groundbreaking study provides the first comprehensive survey of that impressive body of literature Canvassing a wide spectrum of works by Soviet and post Soviet writers many of whom were war veterans themselves Ellis uncovers

themes both common to war literature in general and distinctive to the Soviet experience He recalls the earliest works in this genre by Emmanuil Kazakevich Grigorii Baklanov and IUrii Bondarev presents a long overdue assessment of Vasil Bykov's work which focuses on the partisan war in Bykov's native Belorussia and brings into sharp focus the powerful Stalingrad novels of Vasilii Grossman Konstantin Simonov Viktor Nekrasov and Bondarev He also provides keen insights into the heroic portraits of Stalin in the fiction of Ivan Stadniuk and Vladimir Bogomolov and examines three important war novels published during the 1990s Viktor Astaf'ev's *The Damned and the Dead* Georgii Vladimov's *The General and His Army* and Vladimir But's *Heads Tails* One of the many threads running throughout Ellis's study is the dilemma of the Red Army soldier condemned to serve a regime that was utterly paranoid regarding the allegiances of its own armies so much so that Soviet soldiers often felt as threatened by the Soviet government as they did by the German armies Many of these novels reinforce the now well known fact that Stalin devoted considerable resources to ferreting out soldiers whose actions or inactions suggested disloyalty to his repressive regime A few of them such as Grossman's *Life and Fate* became battlegrounds in their own right pitting Soviet writers against Soviet censors in a struggle over the public memory of the war Russia's memories of World War II are forever tied to the suffering of its people Ellis's rich and revealing work shows us why

The Feminine in the Prose of Andrey Platonov Philip Bullock, 2017-12-02 Andrey Platonovich Platonov 1899-1951 is increasingly regarded as one of the greatest writers of the Soviet period His linguistic virtuosity philosophical rigour and political unorthodoxy combined to create some of the most captivatingly absurd works of literature in any language Unsurprisingly many of these remained unpublished in his lifetime and indeed for many years thereafter In this lively and original study Philip Bullock traces the development of feminine imagery in Platonov's prose from the seemingly misogynist outrage of his early works to the tender reconciliation with domesticity in his final stories and argues that gender is a crucial feature of the author's audacious utopian vision
