THE UNCIVIL FACE
OF WAR

RICHARD GARRETT

Pow The Uncivil Face Of War

Neal Bascomb

Pow The Uncivil Face Of War:

P.O.W. Richard Garrett, 1989-01-01 **The American P.O.W. experience , Voices from Captivity** Robert C. Doyle, 1994 Doyle shows that though setting and circumstances may change POW stories share a common structure and are driven by similar themes Capture incarceration isolation propaganda torture capitulation or resistance death spiritual quest escape liberation and repatriation are recurrent key motifs in these narratives **The Enemy in Our Hands** Robert C. Doyle, 2010-03-19 Revelations of abuse at Baghdad's Abu Ghraib prison and the U S detention camp at Guantanamo Bay had repercussions extending beyond the worldwide media scandal that ensued The controversy surrounding photos and descriptions of inhumane treatment of enemy prisoners of war or EPWs from the war on terror marked a watershed moment in the study of modern warfare and the treatment of prisoners of war Amid allegations of human rights violations and war crimes one question stands out among the rest Was the treatment of America's most recent prisoners of war an isolated event or part of a troubling and complex issue that is deeply rooted in our nation's military history Military expert Robert C Doyle's *The Enemy in Our Hands America's Treatment of Prisoners of War from the Revolution to the War on Terror* draws from diverse sources to answer this question Historical as well as timely in its content this work examines America's major wars and past conflicts among them the American Revolution the Civil War World Wars I and II and Vietnam to provide understanding of the United States treatment of military and civilian prisoners *The Enemy in Our Hands* offers a new perspective of U S military history on the subject of EPWs and suggests that the tactics employed to manage prisoners of war are unique and disparate from one conflict to the next In addition to other vital information Doyle provides a cultural analysis and exploration of U S adherence to international standards of conduct including the 1929 Geneva Convention in each war Although wars are not won or lost on the basis of how EPWs are treated the treatment of prisoners is one of the measures by which history's conquerors are judged **The War Behind the Wire** John Lewis-Stempel, 2014-01-30 The last untold story of the First World War the fortunes and fates of 170 000 British soldiers captured by the enemy On capture British officers and men were routinely told by the Germans For you the war is over Nothing could be further from the truth British Prisoners of War merely exchanged one barbed wire battleground for another In the camps the war was eternal There was the war against the German military fought with everything from taunting humour to outright sabotage with a literal spanner put in the works of the factories and salt mines prisoners were forced to slave in British PoWs also fought a valiant war against the conditions in which they were mired They battled starvation disease Prussian cruelties boredom and their own inner demons And of course they escaped Then escaped again No less than 29 officers at Holzminden camp in 1918 burrowed their way out via a tunnel dug with a chisel and trowel in the Great Escape of the Great War It was war with heart breaking consequences more than 12 000 PoWs died many of them murdered to be buried in shallow unmarked graves Using contemporary records from prisoners diaries to letters home to poetry John Lewis Stempel reveals the death life and above

all the glory of Britain's warriors behind the wire For it was in the PoW camps far from the blasted trenches that the true spirit of the Tommy was exemplified *The Grand Escape* Neal Bascomb,2018-09-25 A grand adventure this story of the Allied POWs who staged one of history's greatest escapes from prison camp is narrative non fiction at its finest Booklist At the height of World War I as battles raged in the trenches and in the air another struggle for survival was being waged in the most notorious POW camp in all of Germany Holzminden A land locked Alcatraz of sorts it was home to the most troublesome Allied prisoners and the most talented at escape The Grand Escape tells the remarkable tale of a band of pilots who pulled off an ingenious plan and made it out of enemy territory in the biggest breakout of WWI inspiring their countrymen in the darkest hours of the war Page turning suspense and colorful detail Booklist starred review Suspenseful reading A fine escapade Kirkus Reviews starred review A fantastic pick for avid history readers School Library Journal starred review

Caged Heroes Jon Couch,2011-11-11 Caged Heroes American POW Experiences from the American Revolution to the Present is snapshot of four hundred years of hostage and prisoner of war experiences Caged Heroes details prisoners experiences from the moment they are told to put their hands up through their detentions and culminating in their releases It examines the successes and failures of the United States government to prepare its forces for prisoner events discussing survival schools rules on how prisoners are told to act while in captivity and glimpses of how being taken prisoner effects the prisoners and guards alike Using numerous personal interviews and diaries of former prisoners and their spouses the reader gets a rare look at the horrors these men and women experienced Containing an extensive bibliography and complete POW rosters from several conflicts this book will add to any casual readers knowledge and serve as a top reference for those wanting to understand more about this misunderstood field *Prisoners of War* Arnold Krammer,2007-11-30 America's current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy The fate of war prisoners through history has been cruel and haphazard The lives of captives hung by a thread Execution enslavement torture or being held for ransom were equally likely International agreements developed haltingly through the 19th and 20th centuries to culminate in the Geneva Accords of 1929 America's current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war

Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules Since biblical times war captives have been considered property and counted as booty to be enslaved or killed Americans were interested in generals and weapons and battles but not the fate of prisoners of war The Second World War when 90 000 Americans fell into enemy hands began to change that Concern for our POWs in Germany and Japan and close contact with enemy camps in America began to change our attitudes However it was the Vietnam War media driven and polarizing that caused the American public to truly reevaluate the plight of its sons and brothers heroic and clearly loyal as they fell into the hands of an inscrutable and apparently unyielding distant enemy More recently during the first Gulf War of 1991 and the current War on Terrorism the issue of prisoners of war has moved to center stage involving the clash of ideologies politics and expediency Since 9 11 the rights and safety of prisoners of war caught up in the War on Terror have been debated in Congress and adjudicated on by former Attorney General Alberto Gonzales whose conclusions were protested by numerous organizations The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy

The Iron Cage Nigel Cawthorne,2013-04-15 A staggering 30 000 British prisoners of war liberated from German POW camps by the Soviets at the end of World War II were never returned home In investigating the fate of victims of the Cold War Nigel Cawthorne travelled to Siberia to follow their trail

Footprints on the Sands of Time Oliver Clutton-Brock,2003-08-19 The author of RAF Evaders provides a comprehensive reference of the airmen of Bomber Command who were held in German captivity during WWII This extensive book is divided into two part The first which has eighteen chapters deals with German POW camps as they were opened in chronological order and to which the Bomber Command POWs were sent Each chapter includes anecdotes and stories of the men in the camps capture escape illness and murder and illustrates the awfulness of captivity even in German hands Roughly one in every twenty captured airmen never returned home The first part also covers subjects such as how the POWs were repatriated during the war how they returned at war s end the RAF traitors the war crimes and the vital importance of the Red Cross The style is part reference part gripping narrative and the book will correct many historical inaccuracies and includes previously unpublished photographs The second part comprises an annotated list of ALL 10 995 RAF Bomber Command airmen who were taken prisoner together with an extended introduction The two parts together are the fruit of exhaustive research and provide an important contribution to our knowledge of the war and a unique reference work not only for the serious RAF historian but for the ex POWs themselves and their families and anyone with an interest in the RAF in general and captivity in particular

Pow The Uncivil Face Of War Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Pow The Uncivil Face Of War PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Pow The Uncivil Face Of War PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries,

ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Pow The Uncivil Face Of War free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Pow The Uncivil Face Of War Books

1. Where can I buy Pow The Uncivil Face Of War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
