Drake,2024-09-25 Real Hope in the Midst of a Culture Gone Awry Yes we live in this kind of culture and world However it is clear in the Bible that the more we pursue the knowledge of God as defined and described in Scripture and the more we are devoted to him the more he will work in us and through us during the perilous times in which we live Therefore in thinking about the extraordinary impact biblical truth can have on our society this book focuses on three vitally important areas in the Bible how God reveals his existence through nature and his Word how he discloses his character through his attributes and promises and how he calls his people to seek the knowledge of himself through the fear of the Lord and the bearing of his image Thus the purpose of this book is to lead believers into a deeper understanding of what God is like a deeper understanding of what he has promised to those who know him and a deeper understanding of the unshakable hope and strong encouragement we have in God s Word as we live in a confused and deteriorating culture Rather than simply decrying the devastating changes in our nation and world this book clearly proclaims the hope that is ours in the very nature and character of God himself the identity and security believers have in Christ and the biblical guidance we need in order to be salt and light in our generation A God centered truth loving Christ exalting approach to life changes everything **Time to Grow Up** Betty Miles,2021-08-02 It s Time To Grow Up The Danger of Being a Baby Christian is about her life as a baby Christian She was past fifty years old when she realized who she was in Christ It was only after taking a discipleship class called Masterlife that she became aware of what was missing in her life She didn t know the person of the Holy Spirit Before this study she had always had difficulty with the meaning of the word sanctification and she was teaching a women s Sunday school class She shares in this story what she had in common with the woman at the well and how God dramatically changed her life *Why Prayer Makes Sense* Ed Strauss,2014-02-01 Does prayer really matter Absolutely and this book will show you why praying makes sense in the Bible in history and in your life
