

Community Quilts

Community Quilts is an outreach group of the Bluewater Quilters' Guild that receives requests from local non-profit or charitable organizations to provide quilts for individuals and families they support.

Ongoing projects include donations of comfort quilts to Brightshores Cancer Centre for people receiving cancer treatments, and "Sensory Activity" quilts for the Alzheimer Society and other organizations.

Twice a week, a group of quilters from the Bluewater Quilters' Guild gather at Pauline's Place, the Guild's quilting workshop, to make these quilts with donated fabric.

Needlework, Affect and Social Transformation Katja May, 2023-09-21. *Needlework, Affect and Social Transformation* offers an original framework for moving beyond binary discourses that class practices of needlework as either feminist or reactionary. Using transnational contemporary case studies such as the Social Justice Sewing Academy, fictionalised Bangladeshi garment workers as well as the famous Pussyhat Project, Katja May suggests a new approach to the interpretation of textile crafts as an affective social practice and draws on under represented issues of race. May connects her study to broader material and social conditions of inequality, allowing for a nuanced and sensitive understanding of the role of needlework in feminist political activism. This broader look at how textile crafts function in the realms of politics and activism conceptualizes quilting, dressmaking, embroidery and knitting as routine activities invested with emotions and entangled with material and social conditions as well as political potential.
