

The background of the entire cover is a dark, deep space. In the lower-left foreground, a large, curved portion of the Earth is visible, showing swirling blue oceans and dark, textured landmasses. In the upper-right, a bright, glowing yellow sun or star is positioned. A long, thin comet with a distinct head and a long, wispy tail streaks across the upper-left portion of the frame. The overall composition is dynamic and evokes a sense of cosmic scale.
