Real Prosperity Biblical Principles Of Material Possessions:

Real Prosperity Gene A. Getz,1990 **Godly Living with Contentment for Every Christian** Malcolm J.

Borden,2016-05-18 Discover how the Holy Spirit's vital and unique role in God's design for the New Testament Church impacts the stewardship of our life Whether our material resources talents and abilities or time the Christian needs to depend totally upon the permanently indwelling Holy Spirit for direction and enablement Is tithing as practiced in the Old Testament the norm for Christian giving today Discover God's New Testament principles precepts and directions as they related to the Christians stewardship responsibilities and how they are distinct from God's plan for Israel Learn how a consistently literal approach to Scripture helps us clearly define biblical stewardship and identify our distinct stewardship obligations during this Church age Neither Poverty Nor Riches Craig L Blomberg,2020-05-21 One of the most difficult questions facing us today is that of the proper attitude toward possessions In wealthy nations such as Britain and the USA individuals accumulate much and yet are daily exposed to the plight of the poor whether the homeless on their own city streets or starving children on their TV screens What action should they take on behalf of the poor What should they do with their own possessions In *Neither Poverty nor Riches* Craig Blomberg asks what the Bible has to say to these issues He avoids easy answers and instead seeks a comprehensive biblical theology of possessions Beginning with the groundwork laid by the Old Testament and the ideas developed in the intertestamental period he draws out what the whole New Testament has to say on the subject and finally offers conclusions and applications relevant to the modern world This is a book that all concerned with issues of poverty and wealth should read *Shekels, Dollars, & Sense* Dennis O. Wretling,2007-02-19 The Bible presents a seemingly inconsistent teaching on financial stewardship This apparent confusion is reflected in sermons books and journal articles Advocates abound for 1 tithing for 2 tithing plus giving for 3 no tithing but gracious giving Church leaders clearly need money but how to convince the people in the pews to be faithful stewards of God with their finances remains allusive If they preach tithing some may balk at the Old Testament basis for the doctrine If they proclaim that tithing is a Christian duty and a starting point only for genuine giving others may claim that they are New Testament Christians and live under grace not law If they present no definitive teaching about the Bible and money adequate finances may not be given At the heart of the problem lies the need to clarify the biblical doctrine of financial stewardship This book attempts that goal The author investigates the tithing patterns of the Old Testament prior to the giving of the Mosaic Law and within the Mosaic Law With these matters clarified he then shines the light on intertestamental Judaism and the passages in the Gospels that mention tithing as part of the Old Testament economy A remarkable consistency is discovered at the level of biblical theology Finally the New Testament Church giving patterns are thoroughly investigated beginning with the early Jerusalem Church and extending throughout the known world Continuity and discontinuity appear continuity in biblical theology and discontinuity in custom and legal requirements between the Old and New Testaments The biblical doctrine of financial

stewardship and the divine mandate for the Christian become clear The last two chapters of the book transfer the biblical teaching to the 21st century American church scene Theological and practical considerations are presented without trying to legislate solutions

The Pursuit & Acquisition of Health & Wealth Gerard Jacobs,2012-04-30 The pursuit and acquisition of health and wealth are part of the worldview that drives Singaporean society It encompasses a strong work ethic in the pursuit to modernise and be a key player in the global economy Health and wealth are defined in terms of an individuals well being in the sense of good health and a continued assurance of material provision and security This worldview stems from a syncretism with non Christian religions that have reconceptualised themselves with the socioeconomic and political goals of Singaporean society Subsequently they continue to be the authentic expression of the noblest longings of people that have become symbiotic with their daily expressions shaping their history and culture The book attempts to show that while Pentecostal and Charismatic Christianity have played a significant role in the growth of contemporary Singaporean churches it has inadvertently presented a gospel that appeals to the deeply embedded dominant religious secular worldview of its society in the context of health and wealth

A Biblical Theology of Material Possessions Gene A. Getz, 2012-04-01 Some researchers estimate that evangelical Christians give an average of 2 percent of their income to further the kingdom of God Such a practice reveals a theology of material possessions that is clearly out of line with God s Word Gene Getz in an extensive search reveals intriguing detailed information on the subject of material possessions based on Scripture The synthesis of this and selected extrabiblical literature resulted in the formation of more than 120 biblical principles that can be applied by any person in any culture Dr Getz not only shares these principles but offers guidance for church leaders and laypeople who want to apply them in their church

False Prophets and Their Blind Followers Pastor Kamthian Vaiphei, Joaozinho da S. F. A. Martins, 2013-02 In this brief treatise the authors attempt to describe modern false prophets in the light of God s Word The so called evangelical but unbiblical messages are also clearly exposed Instead of recognizing false prophets and preachers for what they are by their evil fruits Matthew 7 16 some think highly of them They assume they are genuine and blindly follow them without questioning their credibility Jesus called them ravenous wolves in sheep s clothing Matthew 7 15 The Apostle Paul calls them deceitful workers transforming themselves into the apostles of Christ 2 Corinthians 11 13 The only way to identify such is through their evil fruits which cannot escape the notice of spiritually discerning eyes of those who are truly converted and have God s Holy Spirit dwelling in them Jesus call to beware of false prophets based on their evil fruits is redundant if we choose to remain careless by tolerating in our midst such false prophets claiming to be God s anointed servants Pastor Kamthian Vaiphei B A M B S is the founder and pastor of Christian Fellowship Assembly in Kalina Mumbai India He earned his M A in biblical studies at Providence Evangelical Bible Seminary Panvel Maharashtra India Joaozinho da S F A Martins is a budding Christian author and freelance writer proclaiming the power of the true gospel through the written word He is a member of Divine Life Communion Biblical Christian eFellowship International Goa India Publisher s website <http://sbpra.com> KamthianVaipheiandJoaozinhodaSFAMartins Author s website <http://christianreading.com/jmartins>
