Reason and Revolution

Hegel and the rise of Social Theory

by **Herbert Marcuse**

with a new preface by the author

Reason And Revolution Hegel And The Rise Of Social Theory

Herbert Marcuse

Reason And Revolution Hegel And The Rise Of Social Theory:

Reason and Revolution Herbert Marcuse, 2013-09-05 This classic book is Marcuse's masterful interpretation of Hegel's philosophy and the influence it has had on European political thought from the French Revolution to the present day. Marcuse brilliantly illuminates the implications of Hegel's ideas with later developments in European thought, particularly with Marxist theory.

Reason and Revolution Herbert Marcuse, 2020-03-05 Brilliant and penetrating. Erich Fromm. **Reason and Revolution: Hegel and the Rise of Social Theory** is the philosopher Herbert Marcuse's first major work in English, a masterful interpretation of Hegel's philosophy and the influence it has had on European political thought from the French Revolution to the present day.

Reason and Revolution Herbert Marcuse, 2020-10-19 **Reason and Revolution** is the philosopher Herbert Marcuse's first major work in English, a masterful interpretation of Hegel's philosophy and the influence it has had on European political thought from the French Revolution to the present day.

Reason and Revolution Herbert Marcuse, 1966

Reason and Revolution Herbert Marcuse, 1960 Reason and Revolution Herbert Marcuse, 1968 **Reason and Revolution** Herbert Marcuse, 1969 **Reason and Revolution** Herbert Marcuse, 1966 Reason and Revolution, 1954

Reason and Revolution Herbert Marcuse (Philosoph, Deutschland), 1954 *Reason and revolution* Herbert Marcuse, 1964 Reason and revolution Herbert Marcuse, 1954 **Herbert Marcuse and the Crisis of Marxism** Douglas Kellner, 1984-01-01 This book provides a critical overview of the entirety of Marcuse's work and discusses his enduring importance. Kellner had extensive interviews with Marcuse and provides hitherto unknown information about his road to Marxism, his relations with Heidegger and Existentialism, his involvement with the Frankfurt School, and his reasons for appropriating Freud in the 1950s. In addition, Kellner provides a novel interpretation of the genesis and structure of Marcuse's theory of one-dimensional society, the development of his political theory, and of the role of aesthetics in his critical theory.

Reason and Revolution. Hegel and the Rise of Social Theory ... 2nd Edition, with Supplementary Chapter Herbert Marcuse, 1955 On Hegel and the Rise of Social Theory Kevin Anderson, **Social Theory and the Crisis of Marxism** Joe McCarney, 1990 It is frequently asserted that Marxism as an intellectual tradition is in a state of crisis. The many defeats and disappointments suffered by socialist movements in the West and the absence of a working model of a fully achieved socialist society have prompted much self-questioning. In recent times, various strands of post-Marxist thought have developed which surrender the ideological initiative to the radical right. This philosophical reinterpretation of Marxism seeks to explain the nature and historical origins of the current crisis and to point a way forward to rebirth. McCarney argues that there are neglected truths about Marxism which need urgently to be restated. Rejecting the dominant interpretation that theory is essentially a critique of capitalist society, he reaffirms the classical Marxist model in which socialist theory, uncovering a rational order emergent within existing society, reveals to the agents of socialist change their historical role. McCarney's meticulous analysis systematically examines the relationship between theory, critique, and social agency to be found in

classical Marxism in the work of such leading Marxists as Lukacs Adorno and Althusser and in the recent analytical realist accounts of Marxist theory The book concludes that theoretical as well as social or political advance depends upon the fate of the new proletarian movements and identifies the developments in philosophy and political economy which are needed to ensure that Marxism remains a living intellectual force in the contemporary world Marcuse and Freedom (RLE Social Theory) Peter Lind,2020-07-26 This comprehensive study of Marcuse s thought concentrates on his theory of freedom arguing that it is this which supplies the key to all his writings This argument is substantiated by a detailed chronological examination of Marcuse s works The author shows the rigorous logic underlying Marcuse s thinking which is often obscured in Marcuse s own presentation and pays particular attention to the influence of Heidegger and of Marx s notion of human labour This sympathetic reconstruction of the subject attempts to rescue Marcuse from misunderstanding and superficial criticism and argues that Marcuse s most famous work One Dimensional Man is in fact an aberration from the mainstream of his work This book forms one of the most accessible and reliable treatments of Marcuse available **Reason and Revolutionhegel and the Rise of Social Theory** Herbert Marcuse,2018-11-11 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Reason and revolution.
