**Reasonable Doubt** Ian Paisley (Jr.),1990      *Testimony to Courage* John Potter,2008-07-15 The story of the British regiment created in Northern Ireland after the Troubles erupted in 1968 and the members who were killed amid the violence The outbreak of The Troubles in Northern Ireland in 1968 found many of the local police and army auxiliary units outmoded or discredited A new and unique force of part time soldiers was created The Ulster Defence Regiment Drawing on roughly 125 interviews A Testimony to Courage vividly describes the threat under which not just the soldiers but their families had to live and records the murders of some of the 197 members killed as a result of terrorist attack It addresses how the Regiment became mainly Protestant as a result of the loss of Nationalist support and recruits and the constant criticism of the Irish government and Nationalist politicians A final chapter records objectively the lessons to be learned from this unique experience This book is not an official history but a thorough record of the UDR s dramatic twenty three year existence and the experiences of its brave members      The Psychology of Interrogations and Confessions Gisli H. Gudjonsson,2003-05-27

This volume a sequel to The Psychology of Interrogations Confessions and Testimony which is widely acclaimed by both scientists and practitioners brings the field completely up to date and focuses in particular on aspects of vulnerability confabulation and false confessions The is an unrivalled integration of scientific knowledge of the psychological processes and research relating to interrogation with the practical investigative and legal issues that bear upon obtaining and using in court evidence from interrogations of suspects Accessible style which will appeal to academics students and practitioners Authoritative integration of theory research practical implications and vivid case illustration Coverage of topical issues like confabulation false memory and false confessions Part of the Wiley Series in The Psychology of Crime Policing and Law

Truth, Denial and Transition Cheryl Lawther,2018-10-08 Truth Denial and Transition Northern Ireland and the Contested Past makes a unique and timely contribution to the transitional justice field In contrast to the focus on truth and those societies where truth recovery has been central to dealing with the aftermath of human rights violations comparatively little scholarly attention has been paid to those jurisdictions whose transition from violent conflict has been marked by the absence or rejection of a formal truth process This book draws upon the case study of Northern Ireland where despite a lengthy debate the question of establishing a formal truth recovery process remains hotly contested The strongest and most vocal opposition has been from unionist political elites loyalist ex combatants and members of the security forces Based on empirical research their opposition is unpicked and interrogated at length throughout this book Critically exploring notions of national imagination and blamelessness the politics of victimhood and the tension between traditions of sacrifice and the fear of betrayal this book is the first substantive effort to concentrate on the opponents of truth recovery rather than its advocates This book will interest those studying truth processes and transitional justice in the fields of Law Politics and Criminology      *A Treatise on Northern Ireland* Brendan O'Leary,2019 The third volume of the definitive political history of

Northern Ireland     A Treatise on Northern Ireland, Volume III Brendan O'Leary, 2019-04-17 The Good Friday Agreement deserved the attention the world gave it even if it was not always accurately understood After its ratification in two referendums for the first time in history political institutions throughout the island of Ireland rested upon the freely given assent of majorities of all the peoples on the island It marked it was hoped the full political decolonization of Ireland Whether Ireland would reunify or whether Northern Ireland remain in union with Great Britain now rested on the will of the people of Ireland North and South respectively a complex mode of power sharing addressed the self determination dispute The concluding volume of Brendan O Leary s A Treatise on Northern Ireland explains the making of this settlement and the many failed initiatives that preceded it under British direct rule Long term structural and institutional changes and short term political maneuvers are given their due in this lively but comprehensive assessment The Anglo Irish Agreement is identified as the political tipping point itself partially the outcome of the hunger strikes of 1980 81 that had prevented the criminalization of republicanism Until 2016 the prudent judgment seemed to be that the Good Friday Agreement had broadly worked eventually enabling Sinn F in and the DUP to share power with intermittent attention from the sovereign governments Cultural Catholics appeared content if not in love with the Union with Great Britain But the decision to hold a referendum on the UK s membership of the European Union has collaterally damaged and destabilized the Good Friday Agreement That in turn has shaped the UK s tortured exit negotiations with the European Union In appraising these recent events and assessing possible futures readers will find O Leary s distinctive angle of vision clear sharp unsentimental and unsparing of reputations in keeping with the mastery of the historical panoramas displayed throughout this treatise

**Combating Terrorism in Northern Ireland** James Dingley, 2008-10-13 The essays in this volume unite analysis and practice in exploring both the conflict in Northern Ireland and the internationally applicable counter terrorism lessons which can be drawn from the response to it     Ulster Loyalism and the British Media Alan F. Parkinson, 1998 The growing body of research into Ulster loy alism has tended to focus on its political nature rather th an on its representation in the British media This book exa mines media representations of the loyalists and looks at h ow this has affected policy

*Writings on Irish History* , 1991     **The Ulster Defence Regiment** Chris Ryder, 1991 An examination of the Ulster Defence Regiment UDR the newest and now the largest regiment in the British Army which was raised in 1970 to replace the infamous all Protestant auxiliary police force the B Specials     Books Ireland , 1994     **The Cumulative Book Index** , 1992 A world list of books in the English language     **Irish Publishing Record** , 1992     The Bloodiest Year 1972 Ken

Wharton,2011-10-21 Ken Wharton s latest book on the Northern Ireland Troubles is as always written from the perspective of the British soldier Here he chronicles the worst year of The Troubles 1972 a year in which 172 soldiers died as a direct consequence of the insanity that would grip Ulster for almost 30 years His empathy lies firstly with the men who tramped the streets and countryside of Northern Ireland but also with the good folk of the six counties who never wanted their beautiful land to be the terrorists battleground Ken Wharton is utterly condemnatory of the Provisional IRA and INLA but he certainly pulls no punches in his assessment of the Loyalist paramilitaries and terror gangs who sought to outdo the barbarism of their republican counterparts Based on the testimony of the men who were there during that terrible year the author tries to investigate every loss in as much detail as time and space permit with longer chapters to describe Bloody Friday the appalling tragedy of Claudy and with the 12 year public inquiry finally over the terrible events of Bloody Sunday The Bloodiest Year is written with passion and a detailed knowledge in particular of Belfast and the experience of the ordinary squaddie on the streets The Troubles have become Britain s forgotten war and so long as he is able Ken will do his best to keep the memory of Operation Banner alive This is good honest history Soldiers and civilians alike owe the author a debt of gratitude for telling it like it was Patrick Bishop best selling author of 3 Para *UDR: Declassified* Micheál

Smith,2022-03-23 In UDR Declassified Miche l Smith reveals what the British establishment the British government and its armed forces knew and had to say about the regiment in recently declassified files From its formation in 1970 as a locally raised militia the Ulster Defence Regiment developed into the largest regiment in the British Army For unionists service in the UDR was a noble act and often a family tradition for nationalists an encounter with the UDR was frequently hostile often brutal and sometimes fatal To the British Army they were a dangerous species of ally and a classic militia regiment which was part of a long tradition of the use of such forces by the British Empire It was viewed as a safety valve for the tempers of loyalist extremism and it also served as the main source of training weaponry and intelligence files for loyalists throughout the conflict UDR Declassified is an evidence based expos of the UDR through the declassified files of Number 10 the MoD and the NIO The denial of access to history is a part of a continuum of British state efforts to obscure its colonial past This book is a testimony to the value of defying such efforts and uncovering the truths behind our traumatic past

**Miscarriages of Justice** Clive Walker,Keir Starmer,1999 The authors examine the various steps within the criminal justice system which have resulted in the conviction of the innocent and suggest remedies as to how miscarriages might be avoided in the future The contributors comprise academics campaigners and practitioners **American Book Publishing Record** ,1992 **Human Rights in Northern Ireland** ,1991 A state of emergency has existed in Northern Ireland since 1922 Security forces have broad powers to stop and question people to search their homes to detain them without charges for as long as sevendays and to exclude them from Northern Ireland or Great Britain The right to trial by jury has been suspended for offenses related to terrorism Political violence is a daily occurrence and death is commonplace almost 2 900
