Coming out of the Closet Without Coming Apart at the Seams Gail Dickert, 2004-03-02 Coming out of the Closet without Coming Apart at the Seams is a witty yet stirring testimony of one lesbians struggles in and out of the closet As a teenager Gail peeked out of her closet from time to time But her fear of being ridiculed and misunderstood kept her from taking any chances During Bible College the closet became her home After years of warped counseling in ex gay ministries she grew tired of trying to change So eventually she took a risk She risked losing her family her friends and her faith She risked it all for the chance to be herself Coming out of the Closet is more than a memoir It is an ideal read for anyone seeking to reconcile homosexuality and faith Combining her Bible College background with unique story telling abilities Gail created a practical and powerful defense against religious and political agendas Gails story is definitely out of the ordinary Shes come completely out of her shell Some will think shes out of her mind Others will think shes out of this world But no matter what Gail has successfully come out of the closet without coming apart at the seams

The Coming Tyranny David A. Herrera, 2021-06-30 The Coming Tyranny How Socialism Will Lead to Civil War in America is a step by step prediction of how socialism in America will develop by nefarious and corrupt Democrats whose concerns are not the interests and well being of the American people but are concerns about redistributing wealth attaining power control and enriching themselves After the 2020 suspected fraudulent election Democrats practically control the Federal government Their Utopian socialist dream consists of taking substantial wealth from the rich through oppressive taxes and redistributing this wealth for government assistance to illegal migrants for black reparations to bail out poorly managed Democrat states disguised as COVID 19 relief for infrastructure for green energy for government run healthcare for COVID 19 vaccines to support the UN the Paris Peace Accord climate deal the World Health Organization and for Palestinian aid The Chinese born COVID 19 pandemic has enabled the worse election fraud in US history to occur in a concerted effort to steal the 2020 election by election computer fraud ballot counters state elected officials in key states mail carriers and election officials Incredulously key state supreme courts and the US Supreme Court all refused to listen to any evidence or witnesses available in the worst election fraud in US history Examples of Democrat socialist presidential candidates and their leftist views are presented to show how far left socialists want to take America Examples are given as to how corrupt leaders such as Obama Hillary Clinton and Joe Biden not only tried to rig the 2016 election but sought to influence the election of Benjamin Netanyahu forced Pope Benedict to resign and be replaced by a liberal Pope and how the Obama Administration and others were involved with the Vatican and Pope Francis to try to align abortion and homosexuality morality in Catholic doctrine with leftist political morality to be gaslighted as acceptable moral behavior in the US by Hillary Clinton and Tim

Kaine in preparation for the 2016 election The Biden Administration signed a slew of executive orders and tax policies that mandated culture change and triggered oppression of Americans Step by step predictions are made how Democrats will change election laws so that they will always remain in power Socialist policies are predicted to cause economic chaos failure and instability Many Americans will lose their jobs and suffer Crime poverty and homelessness will increase Police departments and the military will be politicized to support and enforce tyrannical laws passed by the socialist Federal US government to deprive Americans of their freedoms Conservatives will react as tyranny and oppression intensify A secession of states will likely occur leading to a 2nd American Civil War Unfortunately the war will not fare well for freedom loving Americans for reasons stated Only a miracle from God can save the USA Leftist policies and reconstruction efforts will further weaken the US As Muslim immigrants grow exponentially in the US and Muslim population centers in states increase over time this book predicts that a 3rd Civil War will occur between Muslims and non Muslims In the end the old US will become divided into Muslim and non Muslim countries never to return to the greatest country on earth that it was

Winter Is Coming Garry Kasparov,2015-10-27 The stunning story of Russia s slide back into a dictatorship and how the West is now paying the price for allowing it to happen The ascension of Vladimir Putin a former lieutenant colonel of the KGB to the presidency of Russia in 1999 was a strong signal that the country was headed away from democracy Yet in the intervening years as America and the world s other leading powers have continued to appease him Putin has grown not only into a dictator but an international threat With his vast resources and nuclear arsenal Putin is at the center of a worldwide assault on political liberty and the modern world order For Garry Kasparov none of this is news He has been a vocal critic of Putin for over a decade even leading the pro democracy opposition to him in the farcical 2008 presidential election Yet years of seeing his Cassandra like prophecies about Putin s intentions fulfilled have left Kasparov with a darker truth Putin s Russia like ISIS or Al Qaeda defines itself in opposition to the free countries of the world As Putin has grown ever more powerful the threat he poses has grown from local to regional and finally to global In this urgent book Kasparov shows that the collapse of the Soviet Union was not an endpoint only a change of seasons as the Cold War melted into a new spring But now after years of complacency and poor judgment winter is once again upon us Argued with the force of Kasparov s world class intelligence conviction and hopes for his home country *Winter Is Coming* reveals Putin for what he is an existential danger hiding in plain sight

The Coming Race War? Richard Delgado,1996-05 In The Washington Post Julius Lester praised Richard Delgado s The Rodrigo Chronicles Conversations about America and Race as free of cant and ideology an excellent starting place for the national discussion about race we so desperately need The New York Times has hailed Delgado as a pioneer in the study of race and law and the Los Angeles Times has compared his storytelling style to Plato s Dialogues In The Coming Race War Delgado turns his attention to the American racial landscape in the wake of the mid term elections in 1994 Our political and racial topography has been radically altered Affirmative action is being rolled back immigrants continue to be targeted as the source of economic woes and race is increasingly downplayed as a source of the nation s problems Legal obstacles to racial equality have long been removed we are told so what s the problem And yet the plight of the urban poor grows worse The number of young black men in prison continues to exceed those in college Informal racial privilege remains entrenched and systemic Where asks Delgado in this new volume will this lead Enlisting his fictional counterpart Rodrigo Crenshaw to untangle the complexities of America s racial future Delgado explores merit and affirmative action the nature of empathy and more commonly false empathy and the limitations of legal change Warning of the dangers of depriving the underprivileged of all hope and opportunity Delgado gives us a dark future in which an indignant white America casts aside once and for all the spirit of the civil rights movement with disastrous results

Toney,2015-02-10 While the turn of the century has seen a number of secular sources proclaiming the end of the worldsuch as Y2K or the end of the Mayan calendaronly to see these events come and go there persists yet another source that still accurately foretells the events and phenomena we see play out on the worlds scene Instead of focusing on fleeting signs and events the Bible shows us how a growing tide of global conflict human suffering and natural disasters points toward a powerful truth we are living in the end times In *The Second Coming of Jesus Christ An Analysis of End Time Bible Prophecy* author David L Toney explores how contemporary events not only parallel but also signify the fulfilment of Bible prophecies throughout both the Old and New Testaments From the return of the Jews to Israel as foretold in Ezekiel to the rise of the Antichrist as anticipated in

Revelation discover prophecies and the modern day events related to the end of the six thousand year reign of humanity the stirrings of World War III and the appearance of catastrophic natural phenomena That we are living in the end times is good news for good people and bad news for bad people and the most important event prophesied to take place in these latter years the second coming of Jesus Christ will soon take place *Coming Before the Lord* Doug Poole, 2020-08-05 Can we have a personal relationship with God today What does it require to become a believer Is it possible to enter the presence of God like they did in the OT Can anything from an old book like the Bible be used today Does applying the Scriptures in the twenty first century really answer today's questions for living life to the fullest The Old and New Testaments reveal much about the character of God Examples of both good and evil are revealed for our learning The results of both good and evil are explained in detail and we can see the results of each choice As we read through the Bible we see evidence of God's plan for mankind and opportunities to become more acquainted with Him Working together with the Holy Spirit provides guidance and understanding that are intended to strengthen and help us This wisdom has practical applications that provide a better way to handle life He has revealed ways we can use to personalize a relationship with Him that can grow over time Entering His Presence is possible today because of what Christ accomplished by his death burial and resurrection The finished work of Christ has opened a gateway to the throne of God that was not available to each believer before We become like the priests of old and have access to the Father Old Testament rituals have been replaced with New Testament opportunities that seek Him and receive help and understanding The sending of the Holy Spirit has provided us with the Helper that resides inside of every believer We can have a personal relationship with our Creator Entering His Presence is possible today because Christ broke down the barrier that once stood between God and man Come join Him through the scriptural invitation that is extended to all Experience the finished work of Christ right now before His return Now is the acceptable time to call upon His name and live life to the fullest and become ready for the eternity that awaits you
